Snouck Hurgronje, 2023-02-09 Mohammedanism is a book written by C Snouck Hurgronje It is an analysis or study of the religion of Islam also known as Mohammedanism The author provides a comprehensive overview of the beliefs practices and history of Islam and offers a critical examination of its doctrines and teachings The book s focus lies on the development and evolution of Islam including its cultural and political impact as well as its role in shaping the beliefs and attitudes of its followers The author also explores the relationship between Islam and other major world religions and considers the challenges and opportunities that the religion presents in a rapidly changing world The book is an essential resource for anyone seeking to gain a deeper understanding of Islam and its place in the world Mystic or Sorcerer sheik yusuf shahab el din Hofler, 2016-02-05 An survey of the evolution of esotericism in South East Asia from 1400 1500 in the peninsula of Malaya The outcome was Sufism Islam and Sorcery in the minimal but how did this all begin This book can introduce you to the esoteric dimension of it all came into being *A Muslim Mystic Community in Britain* Tayfun Atay, 2012 This book is a social anthropological analysis based on ethnographic fieldwork of the discourse and social practice of an Islamic mystic community in London namely the branch of Naqshbandi Sufi order led by Sheikh Nazim of Cyprus The Naqshbandi order is a well known mystical institution having a widespread historical and contemporary influence on the life of many Muslims all over the world including the West The book focuses particularly on the definitions and reflections of the members of this branch upon themselves and the wider modern western society outside their close knit community It reveals that the Islamic discourse of the community encompasses a multitude of expressions by which the members perceptions of their social and spiritual universe are shaped

and communicated to a wider audience And it concludes that a thorough analysis of an Islamic community should pay particular attention to three closely related discursive processes a the reflections of such a community on the wider modern society of which it is a part b the ways in which it defines itself as Islamic and contests with other Muslim groups or movements for the representation of the correct model of Islamic tradition c the discourses of conflict and power within such a community Tayfun Atay holds an MA in Area Studies Near Middle East and a PhD in Social Anthropology from School of Oriental and African Studies University of London He has done ethnographic fieldworks in London and many parts of Turkey and published five monographs in Turkish Currently he is Professor of Ethnology in the Department of Folklore and Ethnology at the University of Ankara
