Publications Systems Department,1983 **The Prophet-King** Wayne Meeks,2017-07-24 Among modern analyses of the origin and development of John s Christology the socio religious analysis of Wayne A Meeks advances one of the most compelling and suggestive theses in recent years addressing the riddles pertaining to the puzzling presentation of Jesus as a prophet king like Moses in John 6 14 15 Whereas the Logos motif of the Johannine Prologue and the Father Son relationship in the Johannine narrative convey high christological thrusts his receptions as a rabbi teacher and prophet elsewhere in John s story of Jesus are far more mundane and earth bound Was the origin and development of John s presentation of Jesus here political historical theological sociological or some combination of the like These are the issues Wayne Meeks addresses in his first of several important monographs and his work continues to impact New Testament studies to this day From the Foreword by Paul N Anderson **THE OTHER SIDE OF THINGS & THE STRUGGLE AND HOPE FOR A BETTER WORLD** Van Hugo,2024-11-11 I want my readers and audiences to know that this book is the rest of the last two books and also more about other subjects After the publishing of the last two books it has come to my attention that my work is not done because there are more situations that are going in Haiti and the world shortly after the fourth book was published I wish some of the information were available to me few months before I publish the fourth book to include them on the fourth book That is why the fifth book takes longer to publish due to some ongoing situation that is going in the world particularly in Haiti I know the title of the book may sound strange to some of you Do not let the title of the book fools yo u because there is more going in the book than the title itself I could not find any other title to give the fifth book because of the way it was design and write on a lot of subjects Each part or chapter stands individually but connect to each other to some degree You will find out for yourself while reading the book **The Prophet King** Wayne A. Meeks,1967 Studies in Jewish and World Folklore Haim Schwarzbaum,2015-09-25 No detailed description available for Studies in Jewish and World Folklore **Pascal: Reasoning and Belief** Michael Moriarty,2020-02-13 This book is a study of Blaise Pascal s defence of Christian belief in the Pens es Michael Moriarty aims to expound and in places to criticize what he argues is a coherent and original apologetic strategy Setting out the basic philosophical and theological presuppositions of Pascal s project the present volume

draws the distinction between convictions attained by reason and those inspired by God given faith It also presents Pascal s view of the contradictions within human nature between the wretchedness our inability to live the life of reason to attain secure and durable happiness and the greatness the power of thought manifested in the very awareness of our wretchedness His mind body dualism and his mechanistic conception of non human animals are discussed Pascal invokes the biblical story of the Fall and the doctrine of original sin as the only credible explanation of these contradictions His analysis of human occupations as powered by the twin desire to escape from painful thoughts and to gratify one s vanity is subjected to critical examination as is his conception of the self and self love Pascal argues that just as Christianity propounds the only explanation for the human condition so it offers the only kind of happiness that would satisfy our deepest longings He thus reasons that we have an interest in investigating its truth claims as rooted in the Bible and in history The closing chapters of this book discuss Pascal s view of Christian morality and the famous wager argument for opting in favour of Christian belief
