Moisture... Solagbade Oyefara, 2001-01-20 Using the two literary forms of poetry and prose the book is a meditation on the nature of the human mind In likening the mind to water and in likening the efforts of the mind to the efforts of water I have tried to take the reader step by step inch by inch through the complex process that is my own mind The book examines the individual effort and the even more complex societal and social efforts Solagbade Oyefara

**Stumbling Blocks and Other Unfinished Work** Delores Phillips, 2023-10-15 Stumbling Blocks expands and contextualizes the unpublished works of the late African American writer Delores Phillips Born in Cartersville Georgia in 1950 Delores Faye Phillips spent much of her childhood in Georgia before moving to Cleveland Ohio Best known for her 2004 novel The Darkest Child which follows the Quinn family as they attempt to survive and escape racism lynchings and poverty in Jim Crow Georgia during the 1950s Phillips wrote much more than that While the novel was met with critical acclaim little is known about Phillips herself or about her other writings Indeed in the 2018 reissue of The Darkest Child Tayari Jones remarks in the introduction that when she heard Phillips had passed away in 2014 she was weighted down with longing for the other books that she would never write This volume then corrects the misconception that The Darkest Child was Phillips s only published work Rather it establishes her as an experienced and prolific writer who created multi genre literature throughout her life It paints a broader picture of Phillips who was not just a novelist but also a poet and short story writer as well Just as Alice Walker s recovery work on Zora Neale Hurston in the 1970s was critical to a revival and appreciation of Hurston as a genius of the South Stumbling Blocks illuminates and expands the legacy of an underrepresented writer who is uniquely situated at the intersections of multiple identities including race gender disability and region In addition to the sequel to The Darkest Child this collection also includes an unfinished third novel No Ordinary Rain ten poems seven short stories contextualizing essays and an in depth biography of Phillips It is also bookended by a foreword from Phillips s sister Linda Miller and an afterword from renowned literary scholar Trudier Harris

**JESUS NEVER WASTES PAIN** Keturah C. Martin, 2014-05 This book is a credit to Jesus Christ who sustained the author through repeated and prolonged abuses of unmentionable proportions for several decades the 1 purpose of this book is to glorify Jesus who is the Great Physician of impossible shatters abuse and heart shreds even amid emotional comatose and poly fragmented dissociation the 2 purpose of the book is to identify with the broken rejected and abused and to commend you all for your strength and survival It is written as a voice for all the survivors of abuse and for those who may be currently trapped as a victim It is written as a source of inspiration to offer hope to those who are on the healing journey or desire to begin this journey to hope healing and freedom the 3 purpose of the book is as a resource for those who are open minded enough to be willing to learn how to understand and help the broken and abused and receive a deeper comprehension of the realities they face We cannot correctly represent Jesus if we cannot see the

abused and brokenhearted through His eyes and heart When we truly see them through His heart and eyes we will be propelled into compassionate action just as Jesus was This book addresses and gives hope for abuse issues and aftermath on every level that many may prefer to shove under the carpet This includes not only the various abuses out there but some of the aftermath such as extreme emotional agony suicide dissociation rejection PTSD and satanic bondage the enemy of our soul loves darkness and delights to feed on the unresolved anguish and footholds that are buried in his closets With God s help the enemy and his tactics must be exposed and those whom he has wounded and or holds captive must be freed for he is defeated through the blood of the Great Physician Jesus Christ     **Daily Readings for a Year on the Life of ... Jordan,2008-04-15 Responding to the recent upsurge of interest in Thomas Aquinas this book goes straight to the heart of the contemporary debates about Thomism Focuses on the concept of authority both in terms of Aquinas s own attitude to authority and how the Church authorities have used Aquinas s texts Engages with appropriations of Aquinas s work by a range of theologians from liberal Catholics to the creators of radical orthodoxy Argues for future readings of Aquinas which are substantially different from those which have gone before     **Milan** Dana
