*The Mola Design Book* Caren Caraway,1981 Black and white designs based on reverse applique mola patterns worked by Cuna Indian women in Panama     Mola Designs Frederick W. Shaffer,1982-01-01 Black and white designs based on reverse applique mola patterns worked by Cuna Indian women in Panama     **Molas** Diana Marks,2016-10-01 Molas the distinctive blouses made and worn by Kuna women in Panama are collected by thousands of enthusiasts as well as by anthropological museums all over the world They are recognized everywhere as an identifier of the Kuna people and also of Panama This book based on original research explores the origin of the mola in the early twentieth century how it became part of the everyday dress of Kuna women and its role in creating Kuna identity Images drawn from more than twenty museums as well as private collections show the development of designs and techniques and highlight changes in the garment as an item of indigenous fashion Applying an interdisciplinary approach fusing historical ethnographic and material culture studies author Diana Marks contributes to ongoing debates on cultural authenticity the invention of traditions and issues of gender and politics     **Cuna Molas and Cocle Art Forms** Mary W. Helms,1981     **M is for Mola Art** Susan Striker,2012-05-14 M is for Mola A Kuna Indian Alphabet of Quilted Folk Art is a unique alphabet book illustrated with charming and amusing examples of museum quality folk art Rich in detail the brightly colored illustrations motivate young readers to hone their skills in visual discrimination Looking at the art will spark curiosity and stimulate conversation The titles on each page are translated into nine languages adding to this rich cultural experience     Mola Design Coloring Book Frederick W. Shaffer,1982 Black and white designs based on reverse applique mola patterns worked by Cuna Indian women in Panama     *Mola Making* Charlotte Patera,1984 Indiansk applikationssyning fra Panama     *Kuna Crafts, Gender, and the Global Economy* Karin E. Tice,2010-01-01 Brightly colored and intricately designed molas have become popular with buyers across the United States Europe and Japan many of whom have never heard of the San Blas Kuna of Panama who make the fabric pictures that adorn the clothing wall hangings and other goods we buy In this study Karin Tice explores the impact of the commercialization of mola production on Kuna society one of the most important yet least studied social changes to occur in San Blas in this century She argues that far from being a cohesive force commercialization has resulted in social differentiation between the genders and among Kuna women residing in different parts of the region She also situates this political economic history within a larger global context of international trade political intrigue and ethnic tourism to offer insights concerning commercial craft production that apply far beyond the Kuna case These findings based on extensive ethnographic field research constitute important reading for scholars and students of anthropology women s studies and economics They also offer an indigenous perspective on the twentieth century version of Columbus s landing the arrival of a cruise ship bearing wealthy souvenir seeking tourists     The Mola Edith Crouch,2011 The mola is a multilayered textile art form and metaphor for the story of the Kuna indigenous people of Panama With over 890 images covering more than a

century of molas this book provides insights into design sources and influences for molas perspectives on the aesthetic practices of women creating them and hints for collecting and preserving this colorful textile art form The hand appliqué art panels tell the tale of the Kuna women and are symbolic of their artistry observation and beliefs Their lush tropical paradise cultural cosmology sense of humor and exposure to foreign elements are represented in these fascinating fabric designs A brief history of Panama and its rich tradition of indigenous arts place the mola in context Hands-On Culture of Mexico and Central America Kate O'Halloran,1998 Topics include Languages Maya and Spanish Visual arts murals Molas Metalwork ancient and modern Day of the Dead See other Hands on Culture titles **War Imagery in Women's Textiles** Deborah A. Deacon,Paula E. Calvin,2014-06-04 Through the centuries women have used textiles to express their ideas and political opinions creating items of utility that also function as works of art Beginning with medieval European embroideries and tapestries such as the Bayeux Tapestry this book examines the ways in which women around the world have recorded the impact of war on their lives using traditional fabric art forms of knitting sewing quilting embroidery weaving basketry and rug making Works from the United States Canada Latin America Asia the Middle and Near East and Oceania are analyzed in terms of content and utility and cultural and economic implications for the women who created them are discussed Traditional women's work served to document the upheaval in their lives and supplemented their family income By creating textiles that responded to the chaos of war women developed new textile traditions modified old traditions and created a vehicle to express their feelings **Ethnic and Tourist Arts** Nelson H. production but also their relation to wider social and cosmological concerns Exploring an art form that informs birth and death personhood the dream world the natural world religion gender roles and ecology Kuna Art and Shamanism provides a rich understanding of this society's visual system and the ways in which these groundbreaking ethnographic findings can enhance Amerindian scholarship overall Fortis also explores the fact that to ask what it means for the Kuna people to carve the figure of a person is to pose a riddle about the culture's complete concept of knowing Also incorporating notions of landscape islands gardens and ancient trees as well as cycles of life including the influence of illness Fortis places the statues at the center of a network of social relationships that entangle people with nonhuman entities As an activity carried out by skilled elderly men who possess embodied knowledge of lifelong transformations the carving process is one that mediates mortal worlds with those of immortal primordial spirits Kuna Art and Shamanism immerses readers in this sense of unity and opposition between soul and body internal forms and external appearances and image and design
