I do solemnly swear to support and defend the United States against all enemies, both foreign and domestic. The book is the story of one man, John Carter, who took the above oath when he was seventeen and lived by it his entire life. It shows his rise from private to four-star general in the United States Army. It shows his ability to adapt to changing times and to form a multimillion-dollar corporation to continue to enforce the oath. The book shows John as a man devoted to his country, family, and friends, and how he made them rich beyond all imagination. It also shows John as a caring individual, ready to accept the challenges and become a political leader for the community he loved. *Red Dead Redemption* John Wills, Esther Wright, 2023-03-30. While the Western was dying a slow death across the cultural landscape, it was blazing back to life as a video game in the early twenty-first century. Rockstar Games' Red Dead franchise, beginning with *Red Dead Revolver* in 2004, has grown into one of the most critically acclaimed video game franchises of the twenty-first century. *Red Dead Redemption: History, Myth, and Violence in the Video Game West* offers a critical interdisciplinary look at this cultural phenomenon at the intersection of game studies and American history. Drawing on game studies, western history, American studies, and cultural studies, the authors train a wide-ranging, deeply informed analytic perspective on the Red Dead franchise from its earliest incarnation to the latest, *Red Dead Redemption 2* (2018). Their intersecting chapters put the series in the context of American history, culture, and contemporary media, with inquiries into issues of authenticity, realism, the meaning of play, and commercial promotion, and the relationship between the game and the wider cultural iterations of the classic Western. The contributors also delve into the role the series' development has played in recent debates around working conditions in the gaming industry and gaming culture. In its redeployment and reinvention of the Western's myth and memes, the Red Dead franchise speaks to broader aspects of American culture: the hold of the frontier myth and the Wild West over the popular imagination; the role of gun culture in society; depictions of gender and ethnicity in mass media; and the increasing allure of digital escapism, all of which come in for scrutiny here, making this volume a vital, sweeping and deeply revealing cultural intervention. **Fortune's Whirlwind** Richard Dickeson, 2004-10. Set against the colorful backdrop of

events that gave rise to a fledgling century of technology this vibrant novel of romance and adventure introduces a stunning new figure to begin the journey of future generations Blackie Devlin Street wise alumni of turn of the century Hell s Kitchen Blackie Devlin rose from the tenements to acquire fame and fortune as the owner of one of the hottest dance halls in the infamous Tenderloin But something was missing the Excitement and Adventure once found on the streets He pursues a new dream as an aviator and nears the zenith but his past threatens to catch up with him and destroy everything his fame his fortune and his life including the women who love him      **To Be Continued** Hope Apple,Merle L.
