Molotov Cocktail The Russofinnish Winter War 19391940:

Molotov Cocktail, the Russo-Finnish Winter War, 1939-1940 John O. Virtanen, 1979 **Swedish Volunteers in the Russo-Finnish Winter War, 1939-1940** Martina Sprague, 2014-01-10 Sandwiched between Nazi Germany and the Russian Bear Sweden walked a diplomatic tightrope on if and how it should support Finland during the Russo Finnish Winter War Social and political forces motivated the Swedish leadership to promote neutrality and avoid official military engagement while at the same time the Swedish Volunteer Corps comprised the largest volunteer combat force more than 8 200 strong in any modern war This book discusses the political background of the 1939 1940 Winter War setbacks the volunteers suffered due to weather and terrain and the ever present fear that war would come to the Scandinavian Peninsula **The Winter War** Eloise Engle, Lauri Paananen, Eloise Engle Paananen, 2019-07-31 This book offers an introduction to the Winter War as the Russo Finnish Conflict of 1939 1940 is called It discusses the Finnish resistance to the Russian take over of their country and the Red Army in action a campaign that perhaps changed the pattern of World War II *Russia at War* Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia s military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration **The Red Army Guerrilla Warfare Pocket Manual, 1943** Lester Grau, Michael Gress, 2019-11-19 The indispensable guerilla warfare manual first developed by the Russian military during WWII with a thorough introduction on its legendary history During the Second World War the Red Army developed The Partisan s Companion to train Soviet guerillas to fight Nazi invaders It contains the Soviet lessons of two bitter years of war covering field craft guerilla tactics German counter guerrilla tactics demolitions German and Soviet weapons scouting camouflage anti tank warfare and anti aircraft defense for squad and platoon level instruction It proved so effective that it was later used to train Third World guerrillas in their wars of national liberation during the 1950s 70s and even the Fedayeen guerrillas who fought US and coalition forces in Iraq The Soviet partisans moved and lived clandestinely harassed the enemy and supported the Red Army through reconnaissance and attacks on German supply lines They clearly frustrated German

logistics and forced the Germans to periodically sideline divisions for rear area security The partisans and their handbook were a vital part of the eventual Soviet victory over Germany This pocket manual puts The Partisan s Companion in context explaining its importance The Red Army's Do-It-Yourself, Nazi-Bashing Guerrilla Warfare Manual Lester Grau,Michael Gress,2020-01-10 The WWII Soviet guerilla training manual that became an essential text for freedom fighters across the globe complete with illustrations When Germany invaded the Soviet Union during World War II the Red Army began recruiting local partisans to help mount a resistance This edition of The Partisan s Companion is the last and best Red Army manual used to train these men to fight Nazi invaders Besides field craft it covers partisan tactics German counter guerrilla tactics demolitions German and Soviet weapons scouting camouflage anti tank warfare and antiaircraft defense for squad and platoon level instruction It contains the Soviet lessons of two bitter years of war and provides a good look at the tactics and training of a mature partisan force While this handbook was a vital part of Soviet victory over the Nazis its usefulness outlived the Second World War It was later used to train guerrilla groups in the developing world during their wars of national liberation in the 1950s 70s Even the fedayeen guerrillas who fought US and coalition forces in Iraq relied on this manual for training tactics and general approach to combat A selection of the Military Book Club America and the Winter War, 1939-1940 Travis Beal Jacobs,1981 *The Diplomacy of the Winter War* Max Jakobson,1961 **World War II** Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research **A Frozen Hell** William R. Trotter,2000-01-01 Provides historical information on the march into Finland in November of 1940 to proclaim Finnish independence **Joseph Stalin** Helen Rappaport,1999-12-13 To get to the top Joseph Stalin

outmaneuvered Lenin Trotsky Kirov and a legion of equally ruthless revolutionaries This accessible and easy to read reference work reveals the more personal side of the Machiavellian mastermind who not only orchestrated the Great Terror but also forged the USSR into a world power Joseph Stalin A Biographical Companion offers balanced coverage and makes use of new information from Soviet archives while at the same time avoids mind numbing communist jargon and terminology Also included are scores of rare illustrations some never before published in the West **National Union Catalog** ,1982 Includes entries for maps and atlases *The American Bibliography of Slavic and East European Studies* ,1983 **World War II Almanac, 1931-1945** Robert Goralski,1981 The History of Finland Jason E. Lavery,2006-09-30 Finland has occupied the political religious cultural and economic border between eastern and western Europe since prehistoric times Despite its peripheral location the country has found itself in the mainstream of developments that created modern Europe such as nationalism world wars industrialization and the current political and economic integration The first evidence of human life in Finland began sometime in the millennium 7 000 8 000 B C when small tribal groups populated the area In 1155 Finland became a part of the Swedish kingdom when most of the Finnish peninsula came under the rule of the Swedish king Finland was annexed to Russia as a result of wars between the Swedish king and Russian rulers in 1809 bringing about the Age of Autonomy or Imperial Era The Age of Independence came when Finland s leaders declared the country s political independence in 1917 as a result of turmoil in Russia after World War I Finland along with several newly independent countries had to find its place in the new Europe The country not only did that but created a secure and prosperous country during times of turmoil It has emerged into a place of privilege with high levels of prosperity cultural achievements and social peace Ideal for students and general readers the History of Finland is part of Greenwood s Histories of Modern Nations series With over thirty nation s histories in print these books provide readers with a concise up to date history of countries throughout the world Reference features include a biographical section highlighting notable figures in Finland s history a timeline of important historical events and a bibliographical essay **Research Guide to European Historical Biography, 1450-present: Koh-Pet** James A. Moncure,1992 **The Phony War, 1939-1940** Tom Shachtman,1982 Subject Catalog ,1982 Library of Congress,1982 An Analytical Diary of 1939-1940 Andrew Sangster,2017-05-11 This book examines in detail and as objectively as possible the first year of the Second World War The sources used here are international in order to avoid a perspective focused on any single nation It also explores the political machinations and intrigues as well as the various military campaigns and problems of 1939 1940 In addition to this the war at sea is closely followed as well as the reactions of various populations especially those in Germany Britain and France with a sideways glimpse of American thinking in public terms The motives behind the war are viewed important incidents are examined as are the various styles and issues of leadership For the student of history there is also a detailed chronology of every day for the whole year The book begins with an overview of the driving forces and features of the war and concludes with a synopsis

of the international situation after this one year from the point of view of the major belligerents As such it will appeal to both students and general readers of history **Military History** ,2005-04
