Layayoga Shyam Sundar Goswami,1999-05-01 The most comprehensive guide to chakra meditation and the ancient spiritual science of layayoga ever created One of the great works on yoga available for the first time in the United States Full color plates illustrate each chakra With the growing interest in energy medicine in the West the ancient Hindu tradition of chakra meditation has become increasingly important to both healers and spiritual seekers While new to us the chakras have long been studied in the East with the spiritual science of layayoga having the profoundest knowledge of these energy centers The fundamental aspect of layayoga is the arousing of dormant energy within the body through concentration and breathing exercises and the movement of this energy through the chakras to achieve supreme consciousness Unlike kundalini yoga which starts with the lower chakras and moves energy upward layayoga meditation starts with the Sahasrara the spiritual chakra that crowns the aura and brings energy down to spiritualize each chakra in turn Layayoga has long been viewed as the most comprehensive and deeply researched examination of the chakras available in the West Its detailed illustrated look at each of the chakras and the various meditations and mantras that go with them makes it a must for serious students of yoga **Blooming Flowers** Kasia Boddy,2020-04-14 An evocative and richly illustrated exploration of flowers and how over the centuries they have given us so much sustenance meaning and pleasure The bright yellow of a marigold and the cheerful red of a geranium the evocative fragrance of a lotus or a saffron infused paella there is no end of reasons to love

flowers Ranging through the centuries and across the globe Kasia Boddy looks at the wealth of floral associations that has been passed down in perfumes poems and paintings in the design of buildings clothes and jewelry in songs TV shows and children s names and in nearly every religious social and political ritual Exploring the first daffodils of spring and the last chrysanthemums of autumn this is also a book about seasons In vibrant detail and drawing on a rich array of illustrations Boddy considers how the sunflower poppy rose lily and many others have given rise to meaning value and inspiration throughout history and why they are integral to so many different cultures **Every Saturday** ,1873 *The Story of the Heavens* Robert S. Ball,2021-04-24 In *The Story of the Heavens* Robert S Ball presents a captivating exploration of celestial phenomena seamlessly weaving together scientific inquiry and poetic imagination Ball delves into the intricacies of astronomy offering readers an accessible yet profound understanding of the universe s vast structures and the principles governing them The book s literary style is characterized by an eloquent narrative that combines empirical knowledge with engaging storytelling contextualizing the historical evolution of astronomical thought from ancient civilizations to contemporary science With its rich illustrations and accessible explanations Ball s work invites both enthusiasts and novices to ponder the mysteries of the cosmos Robert S Ball an esteemed astronomer and science communicator brings a wealth of expertise to this work informed by his tenure at the Royal Observatory in Greenwich and his involvement in astronomical education His passion for bridging the gap between technical knowledge and public understanding is evident in *The Story of the Heavens* which is grounded in his belief that the wonders of the universe should be available to all regardless of the reader s prior knowledge This book is highly recommended for those with a curiosity for the universe and a desire to understand the natural phenomena that govern it Ball s fusion of science and art provides a unique lens through which to view the heavens making it an essential read for anyone eager to embark on an enlightening journey through the cosmos
