Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Designers Abroad: Inside the Vacation Homes of Top Decorators Michele Keith, 2013-04-16. *Designers Abroad* is Michele Keith's follow-up to her highly successful book *Designers Here and There*. It features twenty-two vacation homes of today's top interior designers, exquisitely captured in over 200 lush color photographs. For some, vacation homes offer an opportunity to escape from the office to shut off and wind down. For decorators, however, vacation homes mean just the opposite: they provide the opportunity to bring work home as they roam the globe, honing their design sensibilities and expanding collections of treasures. *Designers Abroad* takes the reader on a tour of the world from Sri Lanka to South Africa to Sweden by peeking into the gorgeously appointed homes of renowned interior designers. In lively and dynamic text, Michele Keith explores how they incorporate the distinct and native character of a foreign land into their second homes, all the while expressing personal style. Embracing new cultures, climates, architectural traditions, and indigenous art, fabrics, and furniture, each designer creates a space that is once comfortable and glamorous, a place of solace and inspiration. *Designers Abroad* offers inside peeks into residences ranging from a chic studio in Paris to a house perched on windswept cliffs in Nova Scotia, from a beachside abode nestled among boulders in Cabo San Lucas, Mexico, to a former monastery outside Rome dating back to the fifteenth century. Each project is accompanied by the story of how its design was conceived and executed, and how the attributes of each country inspired its owners, including Lars Bolander, Alessandra Branca, Clodagh, Timothy Corrigan, Mica Ertegun, Fisher Weisman, Juan Pablo Molyneux, Juan Montoya, and Cortney and Robert Novogratz, among others. *Designers Abroad* demonstrates how these designers incorporate their passion for travel into their own interiors and thus inspires readers to add a touch of the exotic to their own homes.

Beginnings of Interior Environments Lynn M. Jones, 2021-10-12. The gold standard for entry-level interior design education, now published by Wiley. In this Eleventh Edition of *Beginnings of Interior Environments*, accomplished interior designer and professor Lynn M. Jones delivers a balanced and comprehensive overview of commercial and residential interior design. Written to offer coverage of the creative and technical characteristics of the profession, the text also addresses Council for Interior Design Accreditation (CIDA) content. The book presents topics on the scope of the profession, spatial development, and visual literacy, while also

reviewing the factors of quality aesthetics Hundreds of images from actual design projects supplied by national and international design firms illustrate the design process Design Scenarios or case studies demonstrate examples of professional practice and in house production work students are likely to encounter during their career The text discusses issues of global importance from sustainability to universal design a pictorial essay reviews the history of style Readers will also enjoy An introduction to interior environments including the fundamentals of interior design and the health safety and welfare benefits of interior design An exploration of design fundamentals including the elements and principles of design with a special emphasis on color Practical discussions on building construction including construction components and codes as well as lighting electrical and communication systems An entire section dedicated to interior finishes upholstery wallcoverings and floorings and furnishings furniture art and accessories In depth examinations of the profession of interior design including career opportunities Beginnings of Interior Environments is perfect for students in an introductory interior design course and an indispensable resource for anyone seeking a balanced interior design perspective for their home or office
