Whether it's your last night of maternity leave or the night before you go to work after becoming a mom, the feeling of leaving your baby no matter how old is indescribable. This is a children's book dedicated to the hard-working moms out there. All Moms Work Sharon Reed Abboud, 2009. As featured in U.S. News World Report, a must-read fave for moms linking them in to career savvy advice, imaginative options, and terrific tips. *Chicken Soup for the Working Mom's Soul* Jack Canfield, Mark Victor Hansen, 2012-08-21. Whether you work full-time or part-time in an office or from your home or are a stay-at-home mom, *Chicken Soup for the Working Mom's Soul* is for you. *Working Mother*, 1993-04. The magazine that helps career moms balance their personal and professional lives. *Mommy Goes to Work* Jossy Lee, 2021-08-15. More than 70 percent of women with children under the age of 18 work. And that's why I found it so astounding that when I searched for a book that explained to my toddler what I was doing all day after he was peeled from me crying at daycare, I couldn't find a thing. There was plenty out there about separation anxiety or going to school, but so little about what mommy did when she disappeared for the day. I had grown up without a role model for a working mother myself. Raised by a wonderful stay-at-home mom, I worried that I wouldn't know how to reconcile my career ambitions with my love for my family. Like many moms dissatisfied with what is available to them, I decided to make my own, and that's when I created *Mommy Goes to Work*. My goal is twofold: to facilitate the conversation between mother and child about what we moms are doing all day long in a relatable way, and to help employers signal to their employees that their workplace is family-friendly by giving them a copy of this book. I envision *Mommy Goes to Work* as a building block in your relationship with your child and with your colleagues and tribes. I hope it provides a conversation starting point where you can share with your little one the important things that you do all day when you're not with them, a foundation to be an incredible working mom role model. And I hope that it allows you to find your tribe of fellow working moms who will welcome you with open arms. **Life Goes on** Jacqueline Mott, 2009. **Working Mother**, 1993-04. The magazine that helps career moms balance their personal and professional lives. **Working Mother**, 2006-07. The magazine that helps career moms balance their personal and professional lives. **Working Mother**, 2001-05. The magazine that helps career moms balance their personal and professional lives. *Working Mother*, 1987-03. The magazine that helps career moms balance their personal and professional lives. **Working Mother**, 1988-05. The magazine that helps career moms balance their personal and professional lives.
