**Mama, I'm Here** Judy Garwood, 2010-10 Dear Reader My Mom died in 1993 Not much was known about Alzheimer s at the time and we definitely didn t have the Alzheimer s drugs we do today In fact medical opinion was that the only way to know if someone actually died of Alzheimer s was to biopsy their brain after they died Now they can detect the brain plaque that indicates Alzheimer s at an early stage I m a child of a Mom who had Alzheimer s Every day I think about it There s a blood test you can take to determine if you will get Alzheimer s but I really don t want to know ahead of time I d rather it be like a surprise party and everyone jumps up at once I don t want to think about it for years before it happens I don t want to wonder if I should go out of the house with a note pinned to my blouse giving my name address phone number and to whom I belong What if you don t belong to anyone I pray they find something to stop Alzheimer s in its horrible progression I don t care if by then I have forgotten where my keys are I can sew them to my purse What I care about is bigger than that I m a writer I worry that I won t remember what words are I m an actor I worry that I won t understand my lines I m a director I worry that

Point which is the oldest cemetery in Salem erected in sixteen thirty two This is where they would go and try to contact spirits of the dead Bridgit was mischievous but daring and a little reckless and loved to wear the things that reflected how she was black nail polish black lipstick black clothing The only problem here was she could only wear these things at Abigail s house when she would spend the night and her mother wouldn t know Bridgit s room was just as she wanted it everything black from her bed to her curtains she even had a black apple computer complete with bookcases Now the inside of the Monroe house was more modern having been remodeled before they moved in having bright colored furniture carpeting in every room except the kitchen and bathroom s complete with bay window s Nothing less would do for Mrs Monroe the yard out front was just as big as the back sitting on sixty acres with a long winding driveway with rose bushes leading up to the front door and lady Gloria statues flanking the door s the back yard having a big pond and an old barn that s been there for god knows how long and Ann thinks it is an eyesore and was where Bridgit would spend time alone when she was not at Abigail s Now Abigail s house was more original more antique and everything Bridgit loved having antique furniture and old rug s that were imported from Asia covering some of the hardwood flooring Abigail s room was what Bridgit loved the most original dark hardwood flooring black drapes black furniture and paranormal portraits hanging on the walls of the room with candles of every color it seemed Maybe that s why Bridgit liked it there so much Abigail s front yard was as big as Bridgit s lined with tall boxed shrub s that led to the front door on an old cobblestone drive that ran into the walk way and three trees that stood out in the middle of the yard in the back of the manor there was a pool that was built into the ground and a hot tub with a patio a grill and chairs with some other yard toy s that s been there since Abigail was younger Abigail was daring as well and mild but she was faithful and a follower so she would pretty much do what Bridgit wanted to do College: in
