Moms with Jobs Rue Doolin, 2019-08-29 THE SENSE OF A WOMAN When God created Man He didn't really have a plan But they turned out rather well for a first try He gave them abs and other parts to stir the women's hearts Plus charming smiles and captivating eyes There was a problem with the brain that I think I should explain For it tells us why men sometimes seem so dense Their egos took up so much room that we simply can assume There was hardly any space left for their sense But women caught a break as God had learned from His mistake That's why men are nines and women are all tens For He kept our egos small which made room to install All the extra sense left over from the men Without our sense this world would be fast cars and sports TV We'd push and shove and cuss and spit and scratch There'd be no ribbons and no flowers no children's story hours And the earth would soon be littered up with trash Veggie trays would disappear to be replaced with chips and beer And things like vacuums mops and brooms would all be gone We'd start each meal with a dessert end each sentence with a burp No one would kiss the hurts or point out right from wrong We'd have toilets without seats a liquor store on every

street Our kids would not be taught to say Yes sir or No ma am So when that ceiling finally shatters when we ve shown the world we matter We must celebrate the sense of a woman Yes we re weak yet we are strong not always right not often wrong We re each unique but have so many things in common We stay composed when we re intense you ll never find us on the fence Because we re blessed with the sense of a woman Rue Doolin **Working Mother** ,2006-02 The magazine that helps career moms balance their personal and professional lives *Work-at-Home Company Listing Volume II* S.
