Tony Evans, 2014-02-14 If you miss grown-up conversations or cuddling with someone other than your toddler, this book is for you. Single parents have the toughest job in the world. The obstacles can feel overwhelming, and 24 hours in a day never seems to be enough time to take care of children, home, and all the other items on an endless to-do list. It's exhausting. Add to the exhaustion feelings of vulnerability and loneliness, thoughts of never having a mate, the fear of the future for children left with no father or mother, and the lack of personal time, and it can just seem too much. No doubt being a single parent is very difficult, but there is also hope and joy that comes in this season. Dr. Evans gives you the encouraging reminder that you are not alone. God can and will help you live a satisfying life and succeed in parenting. There is hope and help for the single parent. Discover it today. *Devotions for My Single Mom Life*
