James Groenings,1987-01-17 The Passion of Jesus and Its Hidden Meaning shows how every person in the world whether he realizes it or not is personally involved in the sufferings and death of Jesus Christ It was because of our sins and the seriousness of these sins that Our Lord underwent so cruel a torture Using only classic Catholic Commentaries on the Scriptures Fr Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus From the Agony in the Garden through Our Lord s death and burial every page of this book is replete with vaulable lessons and superabundance of material for meditation and reflection Drawing from both the Old and New Testaments Fr Groenings is able to illustrate the meaning of every event and episode showing how to apply these lessons to our lives today Far from being merely an act of unspeakable brutality the Passion and death of Jesus Christ are shown to be the greatest proof of God s love and mercy to each of us **Chronicles of St. Mary's** S.
