Hambrick, 2011-09-12 Have you ever had a moment when everything seems to change What makes that momentary but long lasting difference God shows up to participate in our lives and performs a miracle speaks words of peace gives new direction or whatever else the Creator of the universe chooses to do But in those defining moments virtually everything changes the impossible becomes possible Why Because God is God and He still rules His universe The God who created all things can accomplish more in His defining moment than we can accomplish in a lifetime After all according to Genesis He created the heavens and earth including man in just six days and rested on the seventh From that truth one would draw an obvious conclusion that what we do is not going to impress God but when He acts in our behalf it will always astound us We serve an awesome God Those times are kairos moments For twenty five years Pastor B W Hambrick has pastored the people of the Ephrata Church of the Nazarene Ephrata Pennsylvania Changed lives culture change renovations new buildings even relocation have all been part of the ongoing movement of the church There have been many events that have defined the church and Pastor Hambricks ministry but nothing has defined it quite like those unique moments those kairos moments when everything changed for the better Nothing absolutely nothing can explain the stories shared here except the immediate intervention of God **Own The Moment** Carl Lentz, 2017-10-31 This engaging and inspirational book by Carl Lentz the rock star pastor of Hillsong NYC shows us the way toward a more connected spiritually grounded and fulfilled life When you think of a Christian pastor you probably don t envision a tattooed thirty something who wears a motorcycle jacket listens to hip hop music references The Walking Dead and Black Lives Matter in his sermons and every Sunday draws a standing room only crowd to a venue normally used for rock concerts in godless New York City no less But then you clearly have never met Carl Lentz As lead pastor of the first United States branch of global megachurch Hillsong the former college basketball player is on a mission to make Christianity accessible in the 21st century In Own The Moment he shares the unlikely and inspiring story of how he went from being an average teenager who couldn t care less about church to leading one of the country s fastest growing congregations how one day he is trying to convince a Virginia Beach 7 Eleven clerk to attend his service and just a few years

later he is baptizing a global music icon in an NBA player's Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values and pass them onto your children in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about living the dream and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*, a powerful book that redefines not just Christianity but spirituality as a whole.

*The Resilient Pastor* Glenn Packiam, 2022-02-15 How can pastors become resilient in a rapidly changing world? Is it possible to love well and lead faithfully? In the wake of crises that have exposed and accelerated massive cultural shifts, we see more clearly the seismic shifts of post-Christendom, the surging storms of a new paganism and pluralism, and the scattered debris of the cultural aftermath. Drawing on new research from the Barna Group, Scripture, and church history, pastor, theologian, and researcher Glenn Packiam addresses some of the most pressing questions for today's leaders, including: What is a pastor's calling and vocation? How do church leaders regain credibility in a disillusioned world? How do church leaders cultivate a deeper life with God? How do pastors develop meaningful relationships? Why does the church gather in worship? Does it still matter if we do? How do we actually make disciples in this new landscape? How can we face the challenges to unity presented by nationalism and racism? What is the church's mission in the world? How do we welcome the presence and power of God in our churches? This book is for all who are burdened by the challenges facing the church as well as the turbulence of our times. With infographics, enlightening data, and insights from other ministry leaders, this book is the perfect resource for church leaders who want to cultivate resilience in their ministry today.

*The Unhurried Pastor* Brian Croft, Ronnie Martin, 2024-05-01 Helps pastors adopt an approach to ministry that is effective, enjoyable, and sustainable. Being a pastor is not a regular 9 to 5 job. There is an unending list of important things to do as you seek to serve others sacrificially. The demands of ministry make it difficult to find a healthy rhythm of life and work, and can leave you running on empty. How can we develop a sustainable pattern of ministry that both honors the Lord and the people we care for and that will also protect us from burnout? Ronnie Martin and Brian Croft have each spent decades pastoring churches and supporting ministry leaders. Here they encourage fellow shepherds to embrace a more present-focused, unhurried approach to ministry. They show how this starts with accepting their humanity, pursuing humility, and remembering the hope they have in Christ. They also exhort pastors to fuel their ministry with self-awareness, prayer, and contemplation of Jesus. After giving a framework for this approach to ministry, the authors offer lots of practical advice regarding prioritization, managing schedules, and cultivating supportive friendships. Read this book to deepen your joy, help yourself to serve others more effectively, and continue serving God in ministry for many years to come.
