

Moments

*There are moments that cry out to be fulfilled.
Like, telling someone you love them.
Or giving your money away, all of it.*

*Your heart is beating, isn't it?
You're not in chains, are you?*

*There is nothing more pathetic than caution
when headlong might save a life,
even, possibly, your own.*

Moments With Mary Poems

Moments With Mary Poems:

Moments with Mary Mary Wolter, 1989 Moments with Mary Mary Branson Cagle, 1998-06-01 *Saint Mary and her times, a poem, by the authoress of Geraldine* Eleanor C. Agnew, 1851 *The Collected Poetry of Mary Tighe* Paula R. Feldman, Brian C. Cooney, 2016-10-09

The most complete collection of Mary Tighe's poetry published to date. Mary Blachford Tighe 1772-1810 was a crucial force in shaping British Romanticism. Her influential six-canto epic *Psyche or the Legend of Love* 1805, along with her shorter poems, engaged the central issues of the period often in advance of writers now considered canonical. With remarkable vitality and virtuosity, Tighe wrote about the tensions between love and loss, duty and desire, the spiritual and the sensuous, nation and family, and the Irish and the British, all while struggling with the debilitating illness that eventually claimed her life. This scholarly edition collects for the first time dozens of recently discovered poems accompanied by Tighe's own illustrations and identifies eight false attributions. A historical and biographical introduction from editors Paula R. Feldman and Brian C. Cooney discusses Tighe's work within a larger social and political context, placing renewed emphasis on the conflicts she experienced as a Methodist with Anglo-Irish roots. Editorial annotations shed new light on Tighe's life, revealing for the first time, for example, that her songs were performed during her lifetime on the Dublin stage. Meticulously edited, this volume builds on recent pioneering scholarship to restore and burnish Tighe's reputation as a major Romantic era poet.

The Poems of Lady Mary Wroth Josephine A. Roberts, 1992-09-01

Although her poems are little known today, Lady Mary Wroth was one of the most accomplished women writers of the English Renaissance. Her poems were circulated among many of the leading authors of her time, including Ben Jonson, who praised her work for its profound understanding of the nature of romantic love. Lady Mary's sonnet cycle *Pamphilia to Amphilanthus* was the first English sequence to be written from a woman's perspective. The Countess of Montgomery's *Urania*, her romance interspersed with poetry, was one of the first works of prose fiction to be composed by an Englishwoman. In this complete edition of Lady Mary Wroth's verse, Josephine Roberts has brought together and annotated all 192 of the surviving poems, many of which have never been published before. As the eldest daughter of Sir Robert Sidney and Lady Barbara Gamage, Lady Mary took great pride in the Sidney literary heritage. During the years of her marriage, she assumed the roles of both poet and patron, an example set for her by her father and her more famous uncle, Sir Philip Sidney. She further followed the precedent of her uncle by choosing for her own work the artistic forms that he had favored: the sonnet sequence, pastoral romance, and pastoral drama. As a young woman, Lady Mary belonged to Queen Anne's intimate circle, but in the years following her husband's death, she suffered a precipitous decline in social status. She violated the social taboos of her age by becoming the mistress of her first cousin, William Herbert, earl of Pembroke, and bearing him two illegitimate children. Her artistic efforts aroused equal controversy when, after the publication of her prose romance, the *Urania*, several prominent noblemen attacked her for portraying their private lives under the guise of fiction. Despite these obstacles and the added burden of the unpaid

debts that were the legacy of her disappointing marriage Lady Mary maintained an independent spirit and trusted in an ability to make her own decisions In her prose works she lashed out at the hypocrisies of life at court in her poetry she wrote of more personal concerns the treacherousness of emotion the eternal elusiveness of love Rising above well worn Elizabethan conceits the best of Lady Mary's poems reveal an ambivalence toward romance and a wise understanding of the vicissitudes of human emotion *My Poetry Treasures* ALICEANNE PELLEGRINO-HENRICKS.,2011-11-01 This book is full of pages of wisdom Memories of the authors life of her parents children and grandchildren fill the pages of all her many treasures this author has written for her book As a Starlite Caf member on the Internet this author has been able to compete in many challenges and even win some of the contests She has a chapter of all her entries and winning poems in this book The author likes to write inspirational poems Being a very compassionate person she writes of Mother Nature Love and Animals and of life in general Sometimes she writes of fantasy and magical dreams and many humorous stories Her late husband Frank A Pellegrino also an author of poetry always inspired her and she promised him she would do her best to carry on his legacy of writing poems One chapter is a tribute to his life and how she found a way to say good bye as he entered his eternal home This author hopes that all who read this book would find a lot of pleasure and enjoyment as they read her many pages of written treasures she is sharing with husband family and friends too *The Irish Monthly* ,1896 *Aunt Mary's poetry, original and select, for the use of young persons* Mary (aunt, pseud.),1854 *Aunt Mary's Poetry* ,1840 **Moments of Reflection** Jean Howarth,Mike Walton,1995 This collection of readings is designed for use in tutor group or year group assemblies and is based around 39 weekly themes which comply with the 1988 Education Act The themes include spiritual awareness living as a family healing friendship human rights and inter cultural harmony **Irish Monthly Magazine** ,1896
