## **Momentum Gaining Ground With God:**

*Momentum* Sean Dunn, 2004 This no nonsense approach offers wisdom from God's Word on issues like pornography lying drugs and alcohol and parent teen relationships *God's Covenant With You for Life and Favor* John Eckhardt, 2015-04-07 GOD HAS ALREADY MARKED A PATH OF SUCCESS FOR YOU Covenant is enacted in every part of your life from marriage and family to deliverance and freedom all the way down to your finances When you stay true to your covenant with God you can be sure that no matter what storms come in life it is God's everlasting covenant of peace that will bring you through victoriously God's Covenant With You for Life and Favor shows you how being in covenant with God Frees you from your past Allows you to harness your future with expectancy Puts you in position to receive the supernatural wisdom of God Catapults you into the new things of God and much more When you stay true to your covenant with God you can be sure that for every circumstance you face it is His everlasting covenant that will bring you through to victory **The Dynamics of "race" and Gender** Haleh Afshar, Mary Maynard, 1994 During the past decade feminism and women's studies have been forced to acknowledge the diversities of women's experiences as well as the patriarchal oppression that they share The emphasis on difference has shattered the illusion of homogeneity and sisterhood which previously characterized white middle class Westernized feminist politics and analysis There is relatively little work which concentrates on the inter relationships of race and gender in general and the consequences of racism for women of different backgrounds in particular The Dynamics of Race and Gender aims to contribute to the debate and understanding in this area Emphasis has been given to age class disability race and sexuality The contributors to this volume are from different religious cultural and ethnic backgrounds giving a balanced and broad ranging perspective on this important social question Organized around three main themes which are issues of theory and method questions of identity racism and sexism at work the chapters of this book indicate how the processes of race and gender interrelate in highly complex and contradictory ways Demonstrating the benefits to be gained from analysing the interplay of various axes of differentiation in specific empirical and historical locations and in doing so under scoring the point that diversity among women cannot be seen as a static phenomenon The God Market Meera Nanda, 2011 Conventional wisdom says that integration into the global marketplace tends to weaken the power of traditional faith in developing countries But as Meera Nanda argues in this path breaking book this is hardly the case in today's India Against expectations of growing secularism India has instead seen a remarkable intertwining of Hinduism and neoliberal ideology spurred on by a growing capitalist class It is this State Temple Corporate Complex she claims that now wields decisive political and economic power and provides ideological cover for the dismantling of the Nehru era state dominated economy According to this new logic India's rapid economic growth is attributable to a special Hindu mind and it is what separates the nation's Hindu population from Muslims and others deemed to be anti modern As a result Hindu institutions are replacing public ones and the Hindu revival itself has become big business a major source of capital

accumulation Nanda explores the roots of this development and its possible future as well as the struggle for secularism and socialism in the world's second most populous country
