**Mommy, Please Don't Cry** Linda Deymaz,2003-05-30 Mommy Please Don t Cry is a book of love and comfort for mothers who have experienced the deep sorrow of losing a child Serene illustrations frame gentle words that describe heaven from a child s perspective With room for the reader s personal reflections at the end of the book every page is a poignant gift of hope and healing Our stories are all different but our pain is the same writes Linda We are mothers who will forever grieve the loss of our children And yet there is hope for our troubled souls Don't Cry Mommy... Linda Ketchum Hulsey,2023-11-14 This book is an event that proves beyond any shadow of a doubt for me that God is indeed alive and well and living within each of us Every day we are given a choice before our feet hit the floor in the morning to plug into our awareness of God s Spirit and goodness I think we all have days when we lose sight of that gift of Spirit by the pressing elements that life throws at us When you enter or are pulled into His realm of love and grace the impossible happens unconditional love In the worst circumstances of my life being the loss of my husband and Carlye s father Kim followed by our daughter s illness and death God sent in people from every walk of life to assist us Those walks included family friends loved ones and people we did not know That group consisted of every religion you could think of every skin color atheists gays and lesbians just to name a few Their compassion and love became so infectious like the cancer we were battling In the end that infection spread so rapidly it overcame Carlye s disease with faith hope and love For me it would have been impossible to survive life without those three gifts from God In what Kim Carlye and I sometimes considered our hell on earth we got a marvelous glimpse of what heaven on earth is like when all people set aside their differences put down their stones and come together to offer unconditional love and assistance in any way they can Not once did anyone ever say Before I offer my assistance I need to know what religion you are or what political party you support There were a few times when we were clueless about who those people were but we always knew by their acts of love they were sent by God I will always be forever thankful Dear friends let us love one another for love comes from God Everyone who loves has been born of God and knows God 1 John 4 7 10 **Mama, Don't Cry** Darlene Chandler,2009-07-07 THIS BOOK IS ABOUT EMOTION REAL RAW EMOTION GOES FROM THE ULTIMATE HIGH TO THE LOWEST OF THE LOW BUT IT IS MOSTLY ABOUT CHOICES THE CHOICES WE MAKE TO NAVIGATE THROUGH LIFE I HOPE YOU WALK AWAY WITH A SINCE OF HOPE AND INSPIRATION **Young Master Qin, Don't Allure Me** Bu MengMeng,2020-07-02 He was the head of the imperial city s Wealthy Class the little uncle of her fiance She was the Fang family s daughter who was unwilling to be manipulated by her stepmother In order to destroy the marriage alliance she didn t hesitate to use any tricks Having achieved her goal she immediately left His face darkened He left just like that No way The difference in seniority as well as the difference in status between the two of them had once caused her to hesitate Fang Fei is your heart made of stone Fang Fei thought My heart is actually made of ice but you covered it and it gradually melted Spoiled by four billionaires [Part IV] Sophie, Due to the

*The Dementia Diaries of My Beautiful Mom, Nellie May, Born in April* Wendy Howles, 2013-09-30 The true happenings of the time in the life of Nellie May born in April A little joke we shared with Nellie regarding when she was born Nellie did not have a happy childhood with a dad who beat her she went through traumatic times when she had to go in the air raid shelter during the war when she was growing up She went to a comprehensive school and started work at the age of 14 When Nellie was in her fifties she liked to have a drink I remember one day a taxi driver came to our house and asked if Nellie was at home I said no he said I think I have her in my car and he had Looking back we had some very funny times Nellie was the life and soul of the party She was feisty head strong not afraid to speak her mind funny loving caring and beautiful she would do anything for anyone She loved to dance and sing and play the organ

Nellie was in her eighties when she developed the terrible disease dementia of which these diaries are about to tell There were sad times but also some happy times Nellie would always pronounce the word baby as babby as that is how she would say it These diaries tell of what happened during her time with dementia Mommy, Don't Go Elizabeth Crary,1996

Matthew's mom is going on a trip He feels sad and scared You can help Matthew decide how to solve his problem If you don't like what happens you can make a different choice **The Little Wasn't the Least After All!** Ramsis F. Ghaly MD,2022-03-31

In the final days of Christmas 2019 I had an epiphany I will never forget that night when I cried out as I saw a vision of that little Since then I have felt so dismal and would rather bury my head in the sand No matter where I go and how fast I run I can't forget that dream or catch that invisible little anymore I found myself running away and I couldn't help it I would ask myself To whom should I report to What is the remedy other than running away These questions have brought me to author the fourth book on COVID 19 This series has covered the world's journey experiences and views since it all began It was just a little and wasn't much Before I knew it it had infected the world entirely It was supposed to pass by swiftly with little to be done Then it proceeded to be remedied by a face mask for two weeks followed by just one dose of a vaccine All the while the nightmare never ended The little invader of human cells crept in unnoticed in the darkness and left imprinted memories for generations to come It has changed our day to day lives for more than two years shaped our daily living and will affect our future for decades to come The little wasn't the least as the world thought and was indeed ignored as many downplayed its sharp spikes until it killed millions and infected hundreds of millions The world is living in tears and terrors broken hearted and in fear What is next I would ask myself as it appears it is only getting worse as the news of wars and economic collapse are already at our door To make things grave many forever lost But now lessons must be learned and the wisdom of the past shall carry the world to the future Over 16 sections and 188 chapters the book represents the last of the author's series of COVID 19 as it covers the last year of the pandemic and the most recent events It represents the author's views and highlights a wide variety of topics ranging from living stories medical and political to philosophical views and experiences The book reflects the author's Christian and medical devotions as it covers many true patients stories patients testimonials medical events and resident education **Punching Bag** Rex Ogle,2021-10-05

A New York Public Library Best Book of 2021 The companion to Rex Ogle's award winning *Free Lunch* is a searing account of adolescence in a household torn by domestic violence *Punching Bag* is the compelling true story of a high school career defined by poverty and punctuated by outbreaks of domestic abuse Rex Ogle who brilliantly mapped his experience of hunger in *Free Lunch* here describes his struggle to survive reflects on his complex often paradoxical relationship with his passionate fierce mother and charts the trajectory of his stepdad's anger Hovering over Rex's story is the talismanic presence of his unborn baby sister Through it all Rex threads moments of grace and humor that act as beacons of light in the darkness Compulsively readable beautifully crafted and authentically told *Punching Bag* is a remarkable memoir about one teenager's cycle of violence blame
