Mommy Queerest Contemporary Rhetorics Of Lesbian Maternal Identity:

Mommy Queerest Julie Marie Thompson, 2002 This work explores the role that rhetoric plays in the formation of negative attitudes towards lesbian mothers and their children *Rhetorics of Motherhood* Lindal Buchanan, 2013-04-08 Becoming a mother profoundly alters one's perception of the world as Lindal Buchanan learned firsthand when she gave birth Suddenly attentive to representations of mothers and mothering in advertisements fiction film art education and politics she became intrigued by the persuasive force of the concept of motherhood an interest that unleashed a host of questions How is the construct defined How are maternal appeals crafted presented and performed What do they communicate about gender and power How do they affect women Her quest for answers has produced *Rhetorics of Motherhood* the first book length consideration of the topic through a feminist rhetorical lens Although both male and female rhetors employ motherhood to promote themselves and their agendas Buchanan argues it is particularly slippery terrain for women on the one hand affording them authority and credibility but on the other positioning them disadvantageously within the gendered status quo *Rhetorics of Motherhood* investigates that paradox by detailing the cultural construction and performance of the Mother in American public discourse tracing its use and impact in three case studies and by theorizing how when and why maternal discourses work to women's benefit or detriment In the process the reader encounters a fascinating array of issues including birth control civil rights and abortion and rhetors ranging from Diane Nash and Margaret Sanger to Sarah Palin and Michelle Obama As Buchanan makes clear motherhood is a rich site for investigating the interrelationships among gender power and public discourse Her latest book contributes to the discipline of rhetoric by attending to and making a convincing case for the significance of this understudied subject With its examination of timely controversies contemporary and historical figures and powerful women *Rhetorics of Motherhood* will appeal to a wide array of readers in rhetoric communications American studies women's studies and beyond **Lesbian Motherhood** Róisín Ryan-Flood, 2009-05-27 This book studies the growing number of lesbian women embarking on parenthood after coming out Theoretical debates about lesbian motherhood often consider its assimilative or transgressive dimensions This book offers a different approach contextualising lesbian motherhood in relation to sexual citizenship and hegemonic discourses of kinship *Mommy Queerest* Julie Marie Thompson, 2002 This work explores the role that rhetoric plays in the formation of negative attitudes towards lesbian mothers and their children Lesbian, Gay and Queer Parenting S. Hicks, 2011-10-12 This study is based upon original research carried out with lesbian gay and queer parents and explores how genealogy kinship family everyday life gender race state welfare and intimacy are theorized and lived out drawing upon interactionist feminist discursive and queer sociologies Queering Motherhood: Narrative and Theoretical Perspectives Margaret F Gibson, 2014-08-01 Few words are as steeped in beliefs about gender sexuality and social desirability as motherhood Drawing on queer postcolonial and feminist theory historical sources personal narratives film studies and original empirical research the authors in this

book offer queer re tellings and reexaminations of reproduction family politics and community The list of contributors includes emerging writers as well as established scholars and activists such as Gary Kinsman Damien Riggs Christa Craven Cary Costello Elizabeth Peel and Rachel Epstein *Queer and Subjugated Knowledges: Generating Subversive Imaginaries* Kerry H. Robinson, Cristyn Davies, Bronwyn Davies, 2012 *Queer and Subjugated Knowledges* generating subversive Imaginaries makes an invaluable contribution to gender and sexuality studies engaging with queer theory to reconceptualize everyday interactions The scholars in this book respond to J Halberstam's call to engage in alternative imaginings to reconceptualize forms of being the production of knowledge and envisage a world with different sites for justice and injustice The recent work of cultural theorist Judith Halberstam makes new investments in the notion of the counter hegemonic the subversive and the alternative For Halberstam *Mothers, Mothering and Motherhood Across Cultural Differences - A Reader* Andrea O'Reilly, 2014-05-01 *Mothers Mothering and Motherhood across Cultural Differences* the first ever Reader on the subject matter examines the meaning and practice of mothering motherhood from a multitude of maternal perspectives The Reader includes 22 chapters on the following maternal identities Aboriginal Adoptive At Home Birth Black Disabled East Asian Feminist Immigrant Refugee Latina Chicana Poor Low Income Migrant Non Residential Older Queer Rural Single South Asian Stepmothers Working Young Mothers and Mothers of Adult Children Each chapter provides background and context examines the challenges and possibilities of mothering motherhood for each group of mothers and considers directions for future research The first anthology to provide a comprehensive examination of mothers mothering motherhood across diverse cultural locations and subject positions the book is essential reading for maternal scholars and activists and serves as an ideal course text for a wide range of courses in Motherhood Studies *The Case for Single Motherhood* Katherine Elizabeth Mack, 2023-12-05 Delves into the rhetorical work of elective single mothers ESMs in the late twentieth and early twenty first centuries as they sought and continue to seek to legitimize their maternal identities and family formations Scholars of rhetoric have largely overlooked the inherent rhetoricity of family In *The Case for Single Motherhood* Katherine Mack posits family as a central concern of rhetorical studies by reflecting on how language is used by single mothers who seek to reenvision the personal social and political meanings of family Drawing on intersectional and rhetorical theories Mack demonstrates how the category of elective single motherhood emerged in response to the historically differential treatment of unwed mothers along racial and class lines Through her readings of a range of self sponsored ESM texts guidebooks memoirs and interactive digital media written by and primarily for other ESMs and from her perspective as an elective single mother herself Mack evaluates the rhetorical power as well as the exclusions and hierarchies that the ESM label effects She analyzes how ESMs envision motherhood visions that entail their musings about who can and should mother Ultimately Mack offers women who are considering nonnormative paths to motherhood a way to affirm their maternal identities and paths without disparaging others Scholars in the fields of rhetoric and feminist rhetorical studies will find in

this volume an illuminating perspective on the rhetorical power of self sponsored texts in particular Crafting a methodology to identify and evaluate the goals and effects of legitimacy work and selecting sources that bring academic attention to varied genres of self sponsored writings Mack paves the way for future rhetorical studies of motherhood and family

Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

New Maternalisms: Tales of Motherwork (dislodging the Unthinkable) Roksana Badruddoja, 2016-04-01 New Maternalisms Tales of Motherwork Dislodging the Unthinkable explores the perceptions of those who engage in and or research motherwork or the labour of caregiving and how mothers view themselves in comparison to broader normative understandings of motherwork Here the anthology serves to deconstruct motherwork by highlighting and dislodging it from maternal ideology the socially constructed good mom read as sacrificial mom and feminized hegemonic discourse The objective of the edited volume then is to critically explore how we experience motherwork what motherwork might mean and how motherwork impacts and is impacted by the communities in which we live Such an examination involves contesting dominant ways of thinking about motherwork Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and

Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy

Gay and Lesbian Parenting Fiona Tasker, Jerry J. Bigner, 2008-04-14 Over the past 30 years research on gay and lesbian parents has produced findings that challenge deeply rooted beliefs in child psychology about the processes through which parents influence the development of their children Gay and Lesbian Parenting New Directions builds on this important research with a detailed multidisciplinary examination of established knowledge and emerging information In addition to evaluating already substantiated findings this innovative collection marks a turning point in the field by showcasing a new wave of research that examines the dynamics of same sex parenting and addresses questions about newly emerging concerns such as the consequences of different routes to same sex parenthood and the effects of social perceptions on gay and lesbian family life

Cool Men and the Second Sex Susan Fraiman, 2003-10-22 Academic superstars Andrew Ross Edward Said and Henry Louis Gates Jr Bad boy filmmakers Quentin Tarantino Spike Lee and Brian de Palma What do these influential contemporary figures have in common In Cool Men and the Second Sex Susan Fraiman identifies them all with cool masculinity and boldly unpacks the gender politics of their work According to Fraiman cool men rebel against a mainstream defined as maternal Bad boys resist the authority of women and banish mothers to the realm of the uncool As a result despite their hipness or because of it these men too often feel free to ignore the insights of feminist thinkers Through subtle close readings Fraiman shows that even Gates champion of black women's writing and even queer theorists bent on undoing gender binaries at times end up devaluing women in favor of men and masculinity A wide ranging and fair minded analysis Cool Men acknowledges the invaluable contributions of its subjects while also deciphering the gender codes and baring the contradictions implicit in their work Affirming the legacy of second wave feminist scholars and drawing as well on the intersectional work of third wavers Cool Men helps to reinvent feminist critique for the twenty first century

Queering Public Address Charles E. Morris, 2007 Ten noted rhetorical critics disrupt the silence regarding nonnormative sexualities in the study of American historical discourse and upend the heteronormativity that governs much of rhetorical history Enacting both political and radical visions these scholars articulate the promises of gay lesbian bisexual and transgender public address The contributors consider figures such as Abraham Lincoln Eleanor Roosevelt Harvey Milk Marlon Riggs and

Lorraine Hansberry and issues as diverse as collective identity nineteenth century semiotics of gender and sexuality the sexual politics of the Harlem Renaissance psychiatric productions of the queer and violence induced traumatic styles

Queering Families Tamara Lea Spira, 2025-04-08 Envisioning queer futures where we lovingly wager everything for the world's children the planet and all living beings against all odds and in increasingly precarious times *Queering Families* traces the shifting dominant meanings of queer family from the late twentieth century to today With this book Tamara Lea Spira highlights the growing embrace of normative family structures by LGBTQ movements calling into question how many queers once deemed unfit to parent have become contradictory agents within the US empire's racial and colonial agendas Simultaneously *Queering Families* celebrates the rich history of queer reproductive justice from the radical movements of the 1970s through the present led by Black decolonial and queer of color feminist activists Ultimately Spira argues that queering reproductive justice impels us to build communities of care to cherish and uphold the lives of those who defying normativity's violent stranglehold are deemed to be unworthy of life She issues the call to lovingly wager a future for the world's children the planet and all living beings against all odds and in increasingly perilous times *Refiguring Motherhood Beyond Biology*

Valerie Renegar, Kirsti Cole, 2023-01-31 This book unpacks and interrogates dominant constructions of mothering making use of interdisciplinary ideological and theoretical perspectives to investigate how new rhetorics of mothering can expand the realm of maternal care givers beyond the biological definitions of motherhood This diverse collection is at the cutting edge of rhetoric feminism and motherhood studies and the chapters challenge the confines of biological parenting as heteronormative within the neo liberal nuclear family The contributors examine how despite the diversity of parental relationships many are excluded by the understanding of mothers biologically tied to their children The volume seeks to expose the underpinnings of biological primacy and argues that 21st century families and familial circumstances are ill served by biological ideology Topics include Re Imagining Queer Black Motherhood Chicana Feminist approaches to reproductive justice the commercialization and medicalization of infertility and ableism and motherhood This is a unique and fascinating book suitable for students and scholars in gender studies sexuality studies communication studies sociology and cultural studies

Marriage and Health Hui Liu, Corinne Reczek, Lindsey Wilkinson, 2020-03-13 Evidence shows that married couples have better overall health than unmarried people Scholars and policy makers contend that same sex marriage provide similar benefits as well *Marriage and Health* represents the forefront of marriage and health research on same sex couples This collection of essays presents new perspectives that address the challenges faced by same sex couples in multiple domains of well being *Mother-Scholar* Yvette V. Lapayese, 2012-10-21 *Mother Scholar* presents another way of knowing The book illuminates the narratives of prominent mother scholars in the discipline of education who are determined to re imagine a different educational space not only for their own children but for all children Today's schools are male centered institutions in which standardized testing rational mind and emotionless space prevent children from realizing their

full potential as creative intelligent and soulful beings Mother scholars in the discipline of education assert that when motherhood and intellect confront and inform each other a new thinking emerges to capture the possibility of humanizing education beyond the private relationships between mothers and children **The Gender of Psychology** Tamara Shefer, Floretta Boonzaier, Peace Kiguwa, 2006 Psychology as a discipline has been criticised for perpetuating sexism reproducing gender inequality and neglecting marginalised perspectives
