contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton s operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton s Way in application This book discusses the death and resurrection of Patton s ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today Special Bibliography ,1977 *Marines Under Armor* Kenneth Estes,2013-04-11 In this story of men machines and missions Kenneth Estes tells how the U S Marine Corps came to acquire the armored fighting vehicle and what it tried to do with it The longtime Marine tank officer and noted military historian offers an insider s view of the Corps s acquisition and use of armored fighting vehicles over the course of several generations a view that illustrates the characteristics of the Corps as a military institution and of the men who have guided its development His book examines the planning acquisition and employment of tanks amphibian tractors and armored cars and explores the ideas that led to the fielding of these weapons systems along with the doctrines and tactics intended for them and their actual use in combat Drawing on archival resources previously untouched by researchers and interviews of both past and serving crewmen Estes presents a unique and unheralded story that is filled with new information and analysis of the armored vehicles their leaders and the men who drove these steel chariots into battle Such authoritative detail and documentation of the decisions to acquire develop and organize armored units in the U S Marine Corps assures the book s acknowledgement as a definitive reference **Military Deception and Strategic Surprise!** John Gooch,Amos Perlmutter,2012-11-12 Published in 2004 **Library of Congress Catalog** Library of Congress,1974-10 A cumulative list of works represented by Library of Congress printed cards **Bookseller and the Stationery Trades' Journal** ,1972 **Divided and Conquered** Jeffery A.
