OXFORD CLASSICAL MONOGRAPHS

Pindar And The Cult Of Heroes

Joan Breton Connelly

Pindar And The Cult Of Heroes:

Pindar and the Cult of Heroes Bruno Currie, 2010-04-29 Pindar and the Cult of Heroes combines a study of Greek culture and religion hero cult with a literary critical study of Pindar's epinician poetry. It looks at hero cult generally but focuses especially on heroization in the 5th century BC. There are individual chapters on the heroization of war dead of athletes and on the religious treatment of the living in the 5th century. Hero cult Bruno Currie argues could be anticipated in different ways in a person's lifetime. Epinician poetry too should be interpreted in the light of this cultural context. fundamentally this genre explores the patron's religious status. The book features extensive studies of Pindar's Pythians 2, 3, 5, Isthmian 7 and Nemean 7.

Greek Notions of the Past in the Archaic and Classical Eras John Marincola, 2012-07-23 This volume in The Edinburgh Leventis Studies series collects the papers presented at the sixth A G Leventis conference organised under the auspices of the Department of Classics at the University of Edinburgh. As with earlier volumes it engages with new research and new approaches to the Greek past and brings the fruits of that research to a wider audience. Although Greek historians were fundamental in the enterprise of preserving the memory of great deeds in antiquity they were not alone in their interest in the past. The Greeks themselves quite apart from their historians and in a variety of non historiographical media were constantly creating pasts for themselves that answered to the needs political social moral and even religious of their society. In this volume eighteen scholars discuss the variety of ways in which the Greeks constructed de constructed engaged with alluded to and relied on their pasts whether it was in the poetry of Homer in the victory odes of Pindar in tragedy and comedy on the Athenian stage in their pictorial art in their political assemblies or in their religious practices. What emerges is a comprehensive overview of the importance of and presence of the past at every level of Greek society. In the final chapter the three discussants present at the conference Simon Goldhill Christopher Pelling and Suzanne Said survey the contributions to the volume summarise its overall contributions as well as indicate new directions that further scholarship might follow.

Pindar's Library Tom Phillips, 2016 Pindar's Library is the first volume to analyse the role played by Pindar's literary cultic and scholarly reception in affecting readers engagement with his poetry considering the continuities between reading and attending performances and highlighting elements of readers experiences which were distinctive to Hellenistic culture.

Deification in Classical Greek Philosophy and the Bible James Bernard Murphy, 2024-06-27 The goal of human life according to Plato Aristotle and the Bible is to become as much like god as possible. This book written in vivid and lucid English illuminates Greek philosophy by showing how it grows out of ancient Greek religion and how it compares to biblical religion.

Oral Performance and Its Context Chris Mackie, 2017-07-31 This volume is concerned with aspects of orality and literacy in the ancient world. It arises from the tremendous contemporary interest among scholars in questions of how literacy and orality co exist and interact in the ancient world. The contents of the book are refereed papers originally presented at the fifth biennial Orality and Literacy in ancient Greece held

at The University of Melbourne in 2002 Papers are offered by scholars from Britain the USA Canada and Australia which deal with a range of periods and genres in antiquity from Homer through to Roman literature The book will be of great interest to students and scholars of the ancient world

Pindar's Eyes David Fearn, 2017-09-15 Pindar's Eyes is a ground breaking interdisciplinary exploration of the interactions between Greek lyric poetry and visual and material culture in the early fifth century BCE Its aim is to open up analysis of lyric to the wider theme of aesthetic experience in early classical Greece with particular focus on the poetic mechanisms through which Pindar's victory odes use visual and material culture to engage their audiences Complete readings of Nemean 5 Nemean 8 and Pythian 1 reveal the poet's deep interest in the relations between lyric poetry and commemorative and religious sculpture as well as other significant visual phenomena while literary studies of his evocation of cultural attitudes through elaborate use of the lyric first person are combined with art historical treatments of ecphrasis of image and text and of art's framing of ritual experience in ancient Greece This specific aesthetic approach is expanded through fresh treatments of Simonides and Bacchylides own engagements with material culture as well as an account of Pindaric themes in the Aeginetan logoi of Herodotus Histories These come together to offer not just a novel perspective on the relationship between art and text in Pindaric poetry but to give rise to new claims about the nature of classical Greek visuality and ritual subjectivity and to foster a richer understanding of the ways in which classical poetry and art shaped the lives and experiences of their consumers

Teaching Through Song in Antiquity Matthew E. Gordley, 2011 While scholars of antiquity have long spoken of didactic hymns no single volume has defined or explored this phenomenon across cultural boundaries in antiquity In this monograph Matthew E Gordley provides a broad definition of didactic hymnody and examines how didactic hymns functioned at the intersection of historical circumstances and the needs of a given community to perceive itself and its place in the cosmos and to respond accordingly Comparing the use of didactic hymnody in a variety of traditions this study illuminates the multifaceted ways that ancient hymns and psalms contributed to processes of communal formation among the human audiences that participated in the praise either as hearers or active participants The author finds that in Greek Roman Jewish and Christian contexts many hymns and prayers served a didactic role fostering the ongoing development of a sense of identity within particular communities

Sport and Spectacle in the Ancient World Donald G. Kyle, 2014-11-05 The second edition of Sport and Spectacle in the Ancient World updates Donald G Kyle's award winning introduction to this topic covering the Ancient Near East up to the late Roman Empire Challenges traditional scholarship on sport and spectacle in the Ancient World and debunks claims that there were no sports before the ancient Greeks Explores the cultural exchange of Greek sport and Roman spectacle and how each culture responded to the other's entertainment Features a new chapter on sport and spectacle during the Late Roman Empire including Christian opposition to pagan games and the Roman response Covers topics including violence professionalism in sport class gender and eroticism and the relationship of spectacle to political structures

The Oxford Classical Dictionary Simon

Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English **Theseus and Athens** Henry John

Walker, 1995-01-19 Theseus is celebrated as the greatest of Athenian heroes This work explores what he meant to the Athenians at the height of their city state in the fifth century B C Assembling material that has been scattered in scholarly works Henry Walker examines the evidence for the development of the myth and cult of Theseus in the archaic age He then looks to major works of classical literature in which Theseus figures exploring the contradictions between the archaic primitive side of his character and his refurbished image as the patron of democracy His ambiguous nature as outsider flouting accepted standards of behavior while at the same time being a hero king and a representative of higher ideals is analyzed through his representations in the work of Bacchylides Euripides and Sophocles This is the only work of scholarship that examines the literary representation of Theseus so thoroughly It brings to life a literary character whose virtues flaws and contradictions belong in no less a degree to his creators the people of Athens **Pindar's Metaphors** Glenn

Patten, 2009 Pindar's victory odes have suffered from a curious lack of interest on the part of poststructuralism Even a first relatively superficial reading of the surviving corpus however reveals an intense interest in and exploitation of rhetorical figures and tropes and an element of autoreferential self questioning that throughout the history of Pindaric scholarship has attracted much comment In view of the radical discontinuity within language postulated by Walter Benjamin Jacques Derrida and Paul de Man between what is meant and the mode of meaning we can on this basis alone ask what effects the rich figurality of the epinicians might have on what they intend to say Are expression and intention in these poems always simply co extensive Or do the odes read in the context of a series of concerns addressed in recent decades by deconstructive literary theory reveal instead a level of reflection on the nature of literary language itself to which the hermeneutical assumption of such co extension does not entirely do justice **The Heroic Ideal** M. Gregory Kendrick, 2014-01-10 The word hero seems in

its present usage an all purpose moniker applied to everyone from Medal of Honor recipients to celebrities to comic book characters This book explores the Western idea of the hero from its initial use in ancient Greece where it identified demigods or aristocratic mortal warriors through today Sections examine the concept of the hero as presented in the ancient medieval and modern worlds Special attention is paid to particular heroic types such as warriors martyrs athletes knights saints scientists rebels secret servicemen and even anti heroes This book also reconstructs how definitions of heroism have been inextricably linked to shifts in Western thinking about religion social relations political authority and ethical conduct

Instructors considering this book for use in a course may request an examination copy here **Early Greek Ethics** David Wolfsdorf, 2020 Early Greek Ethics is the first volume devoted to philosophical ethics in its formative period It explores contributions from the Presocratics figures of the early Pythagorean tradition sophists and anonymous texts as well as topics

influential to ethical philosophical thought such as Greek medicine music friendship and justice Pindar's Poetry, Patrons, and Festivals Simon Hornblower, Catherine Morgan, 2007-02-22 Ancient sport made a huge if indirect contribution to the literature of ancient Greece since some sixty poems by Pindar and Bacchylides epinikian odes written to commemorate victories survive from the Classical period This book is a collection of essays about that literature and about the social and physical context for which it was written The editors assembled an internationally distinguished team of speakers for the original 2002 seminar series held in London and these papers form the backbone of the book But to ensure coherence and comprehensive coverage they have commissioned three further papers and have themselves written a long thematic Introduction The result is a stellar team of authors and a book which looks at an important literary phenomenon in light of the latest archaeological and sociological insights as well as evaluating the poetry both as poetry and as a performance genre with distinctive characteristics

Time, Tradition and Society in Greek Archaeology Nigel Spencer, 2013-04-15 Time Tradition and Society in Greek Archaeology is an innovative volume which examines the relevance of archaeological theory to classical archaeology It offers a wideranging overview of classical archaeology from the Bronze Age to the Classical period and from mainland Greece to Cyprus Within this framework Spencer examines many of the issues which have become important in the study of archaeology in recent years time the past gender ideology social structure and group identity The papers in this collection cover such diverse topics as the rural landscape classical art and scientific methodologies Over the last century the study of classical archaeology has been orthodox and static The essays in this collection examine it in the light of current theoretical archaeology and anthropology making it more relevant and valuable to the study of archaeology in the 1990s This is a diverse and topical collection of great value to classicists ancient historians anthropologists and everyone interested in new approaches to archaeology

Performances and Audiences in Pindar's Sicilian Victory Odes A. D. Morrison, 2007 Pindar's fifteen victory odes for Sicilian victors include some of Pindar's most impressive and widely admired poems such as the first two Olympians and first three Pythians The majority of the Sicilian odes date from between about 476 to 466 BC and were composed to celebrate the victories of the great tyrants of Sicily Hieron of Syracuse and Theron of Akragas or their families or courtiers at the crown games The Sicilian tyrants made spectacular use of their wealth and power in competing in equestrian events at the games and in commissioning Pindar and Bacchylides to celebrate their victories in song This book examines the Sicilian odes of Pindar as a group investigating the ways in which they interact and exploit their overlapping and intersecting audiences It studies the different performances of Pindar's odes including reperformances subsequent to the first performance and the audiences of these performances and argues that these have important consequences for our view of the role victory odes played in the self display of the Sicilian tyrannies to one another and the wider Greek world the intertexts between the odes the conventional material in Pindar and the ways in which Pindar fulfils his promise of lasting fame for his patrons

The Parthenon Enigma Joan Breton Connelly, 2014-01-28 Built in the

fifth century b c the Parthenon has been venerated for more than two millennia as the West's ultimate paragon of beauty and proportion. Since the Enlightenment it has also come to represent our political ideals, the lavish temple to the goddess Athena serving as the model for our most hallowed civic architecture. But how much do the values of those who built the Parthenon truly correspond with our own? And apart from the significance with which we have invested it, what exactly did this marvel of human hands mean to those who made it? In this revolutionary book Joan Breton Connelly challenges our most basic assumptions about the Parthenon and the ancient Athenians. Beginning with the natural environment and its rich mythic associations, she re-creates the development of the Acropolis, the Sacred Rock at the heart of the city-state, from its prehistoric origins to its Periklean glory days as a constellation of temples among which the Parthenon stood supreme. In particular, she probes the Parthenon's legendary frieze, the 525-foot-long relief sculpture that originally encircled the upper reaches before it was partially destroyed by Venetian cannon fire in the seventeenth century and most of what remained was shipped off to Britain in the nineteenth century among the Elgin marbles. The frieze's vast enigmatic procession, a dazzling pageant of cavalymen and elders, musicians and maidens, has for more than two hundred years been thought to represent a scene of annual civic celebration in the birthplace of democracy. But thanks to a once-lost play by Euripides, the discovery of which in the wrappings of a Hellenistic Egyptian mummy is only one of this book's intriguing adventures, Connelly has uncovered a long-buried meaning: a story of human sacrifice set during the city's mythic founding. In a society startlingly preoccupied with cult ritual, this story was at the core of what it meant to be Athenian. Connelly reveals a world that beggars our popular notions of Athens as a city of staid philosophers, rationalists, and rhetoricians, a world in which our modern secular conception of democracy would have been simply incomprehensible. The Parthenon's full significance has been obscured until now, owing in no small part, Connelly argues, to the frieze's dismemberment. And so her investigation concludes with a call to reunite the pieces in order that what is perhaps the greatest single work of art surviving from antiquity may be viewed more nearly as its makers intended. Marshalling a breathtaking range of textual and visual evidence, full of fresh insights woven into a thrilling narrative that brings the distant past to life, *The Parthenon Enigma* is sure to become a landmark in our understanding of the civilization from which we claim cultural descent. — *Pindar's Songs for Young Athletes of Aigina* Anne Pippin

Burnett, 2005-09-15 Consisting of individual studies of the poet Pindar's 11 odes for the victors of the athletic contests on Aigina, the author addresses questions of mythic self-presentation in this book as well as Pindar's techniques for unifying his audience and leading it into a shared experience of inspired success. — **Greek Athletic Sports and Festivals** Edward

Norman Gardiner, 1910 — **The Poetics of Colonization** Carol Dougherty, 1993-10-14 Tales of archaic Greek city foundations continue to be told and retold long after the colonies themselves were settled, and this book explores how the ancient Greeks constructed their memory of founding new cities overseas. Greek stories about colonizing Sicily or the Black Sea in the seventh century B.C.E. are no more transparent, no less culturally constructed, than nineteenth-century British tales

of empire in India or Africa they are every bit as much about power language and cultural appropriation This book brings anthropological and literary theory to bear on the narratives that later Greeks tell about founding colonies and the processes through which the colonized are assimilated into the familiar story lines metaphors and rituals of the colonizers The distinctiveness and the universality of the Greek colonial representations are explored through explicit comparison with later European narratives of new world settlement

Getting the books **Pindar And The Cult Of Heroes** now is not type of challenging means. You could not solitary going subsequent to ebook collection or library or borrowing from your contacts to admittance them. This is an entirely simple means to specifically acquire lead by on-line. Pindar And The Cult Of Heroes Introduction

In today's digital age, the availability of Pindar And The Cult Of Heroes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pindar And The Cult Of Heroes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pindar And The Cult Of Heroes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pindar And The Cult Of Heroes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pindar And The Cult Of Heroes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pindar And The Cult Of Heroes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pindar And The Cult Of Heroes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pindar And The Cult Of Heroes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pindar And The Cult Of Heroes books and manuals for download and embark on your journey of knowledge?

FAQs About Pindar And The Cult Of Heroes Books

1. Where can I buy Pindar And The Cult Of Heroes books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pindar And The Cult Of Heroes book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pindar And The Cult Of Heroes books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Pindar And The Cult Of Heroes audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pindar And The Cult Of Heroes books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
