Playing With The Big Boys And Girls In Real Estate:

Playing With The Big Boys & Girls In Real Estate Debra Pestrak, 2005 Playing with the Big Boys and Girls in Real Estate provides a potent and concentrated look into the minds of the country's top residential professionals. Whether the reader is a novice or a master of real estate sales, the secrets revealed here will inspire and help take business to a bigger suite with a better view. Both an advanced course for beginners and a master class for experts, the interviewees tell exactly what they would have liked someone to have told them. *The Best Damn Commercial Real Estate Investing Book Ever Written!* Monica Villasenor, 2007 This tell it like it is book will teach readers everything they should know about building wealth with commercial real estate. **American Book Publishing Record**, 2005 Realtor Magazine, 2007 I Don't Care What Mom Says, "Life Sucks" Craig A. Brand, 2013-07 If you bought this book thinking you would read a series of humorous vignettes, guess again. This book is about Life, real life, not those fairy tales our mothers share with us as we grow up. Mommy wants her children happy and visited by Mickey Mouse, not those caped in evil. However, boys and girls, Mickey Mouse only lives in Disney, and we must be prepared for the Big Bad Wolf who lives in the real world and all of his huffing and puffing. Hopefully, after reading this, you will fortify your house with Craig Brand's advice and hard-learned experiences. This book is about survival in today's world. A rule book, so to speak, about living, and a must-read. Craig Brand provides his audience with not only a strong dose of reality but offers positive solutions to surviving the reality we must all endure, called Life. You will read this book from cover to cover and then do it again, hopefully re-purchasing the book as you re-read it. Yeah, Yeah, but that's Life. Craig Brand doesn't hold back his thoughts, comments, and concerns regarding our survival while living, existing, and just trying to get by in this world we were all born into. He doesn't discriminate as he drags the good, the bad, and the ugly through the mud. Have you wondered why bad things are happening to you? Well, read this book, and not only will you understand why, but know what to do about it, and be assured that survival is not just limited to you. Staying thoroughly entertained, the reader shall gain a new perspective on Life and our reason to keep on living or not. This book captures what everyone thinks, truly knows, but doesn't want to say. It is brilliantly put together in a way that life's realities make you want to cry or laugh or both. M. Norman Pardo, Managing Member of TCI Films LLC. **"Okay, Girls-- Man Your Bunks!"** Helen Gilbert, 2006 No Girls in the Clubhouse Marilyn Cohen, 2009-04-22 Even though teenaged girl Jackie Mitchell once struck out Babe Ruth and Lou Gehrig, women are still striking out on the hardball diamond. This book builds on recently published histories of women as amateur and professional players, umpires, sports commentators, and fans to analyze the cultural and historical contexts for excluding females from America's pastime. Drawing on anthropological and feminist perspectives, the book examines the ways that constructions of women's bodies and normative social roles have pushed them toward softball instead of baseball. Sportswriter accounts, Title IX sex discrimination suits, and interviews with players explore the obstacles and the social isolation of females who join all-male baseball teams while also discussing policies that inhibit the practice.
