Points of View William Somerset Maugham,1968 **Marxism And The Moral Point Of View** Kai Nielsen,2021-11-28
Marxism and the Moral Point of View attempts to say what consistent Marxists working within the parameters of the canonical conceptions of Marxism should say about morality This includes what they should say about the function of morality in society about the extent of moral comment they can justifiably make and about freedom equality and justice including the justice of whole social formations Karl Marx and most Marxists follow him was opposed *Five Essays* Stig Strömholm,1989 Ludwig Wittgenstein - A Cultural Point of View William J. DeAngelis,2016-05-13 In the preface to his *Philosophical Investigations* Ludwig Wittgenstein expresses pessimism about the culture of his time and doubts as to whether his ideas would be understood in such a time I make them public with doubtful feelings It is not impossible that it should fall to the lot of this work in its poverty and in the darkness of this time to bring light into one brain or another but of course it is not likely In this book William James DeAngelis develops a deeper understanding of Wittgenstein s remark and argues that it is an expression of a significant cultural component in Wittgenstein s later thought which while latent is very much intended DeAngelis focuses on the fascinating connection between Wittgenstein and Oswald Spengler and in particular the acknowledged influence of Spengler s *Decline of the West* His book shows in meticulous detail how Spengler s dark conception of an ongoing cultural decline resonated deeply for Wittgenstein and influenced his later work In so doing the work takes into account discussions of these matters by major commentators such as Malcolm Von Wright Cavell Winch and Clack among others A noteworthy feature of this book is its attempt to link Wittgenstein s cultural concerns with his views on religion and religious language DeAngelis offers a fresh and original interpretation of the latter **The Oxford Point of View** ,1902 **Environmental Control & Safety Management** ,1912 Insurance Engineering ,1912 **The Influence of Religion on the Development of International Law** Mark W.
