Policing And The Media Facts Fictions And Factions Policing And Society Series:

Policing and the Media Frank Leishman, Paul Mason, 2003 An understanding of the dynamics of news construction and a critical awareness of popular media representations of policing is central to an understanding of the history and development of policing in the UK At the same time it provides a fascinating media case study of the complex interaction of representation and reality in the key criminal justice agency This book provides an accessible account of the relationship between policing and the media It focuses on the interplay between policing realities public perception and media reflections with particular emphasis on debates on such subjects as news management and the implications for the police and wider criminal justice system of televised coverage of court proceedings

Policing and Social Media Christopher J. Schneider, 2016-04-04 This book investigates various public aspects of the management use and control of social media by police agencies in Canada This book aims to illustrate the process by which new information technology namely social media and related changes in communication formats have affected the public face of policing and police work Schneider argues that police use of social media has altered institutional public police practices in a manner that is consistent with the logic of social media platforms Policing is changing to include new ways of conditioning the public cultivating self promotion and expanding social control While each case study presented here focuses on a different social media platform or format his concern is less with the particular format per se as these will undoubtedly change and more with developing suitable analytical and methodological approaches to understanding contemporary policing practices on social media sites

Handbook of Criminal Investigation Tim Newburn, Tom Williamson, Alan Wright, 2012-08-21 This book provides the most comprehensive and authoritative book yet published on the subject of criminal investigation a rapidly developing area within the police and other law enforcement agencies and an important sub discipline within police studies The subject is rarely out of the headlines and there is widespread media interest in criminal investigation Within the police rapid strides are being made in the direction of professionalizing the criminal investigation process and it has been a particular focus as a means of improving police performance A number of important reports have been published in the last few years highlighting the importance of the criminal investigation process not only to the work of the police but to public confidence in this Each of these reports has identified shortcomings in the way criminal investigations have been conducted and has made recommendations for improvement The Handbook of Criminal Investigation provides a rigorous and critical approach to not only the process of criminal investigation but also the context in which this takes place the theory underlying it and the variety of factors which influence approaches to it It will be an indispensable source of reference for anybody with an interest in and needing to know about criminal investigation Contributors to the book are drawn from both practitioners in the field and academics

Contemporary Television Series Silvia Branea, Bianca Mitu, 2014-06-19 Contemporary Television Series Narrative Structures and Audience Perception proposes an interdisciplinary and multicultural approach of old concepts like fiction

reality and narrativity applied to actual worldwide television series The authors that have contributed to this volume analyze the almost invisible barriers between fiction and reality in television series from different perspectives The results of their studies are extremely interesting and revealing The new perspectives offered by this volume will be of great interest to any scholar of European and international studies because they bring to light new ideas new methodologies and results that could be further developed This volume allows readers to explore these unique insights even if they are not senior researchers and to easily digest the content and also to acknowledge the impact of the viewing of television series on reality and on their own lives

Media and Crime Yvonne Jewkes, 2015-02-16 This book critically examines the complex interactions between media and crime Written with an engaging and authoritative voice it guides you through all the key issues ranging from news reporting of crime media constructions of children and women moral panics and media and the police to reality crime shows surveillance and social control This third edition Explores innovations in technology and forms of reporting including citizen journalism Examines the impact of new media including mobile Internet and digital technologies and social networking sites Features chapters dedicated to the issues around cybercrime and crime film along with new content on terrorism and the media Shows you how to research media and crime Includes discussion questions further reading and a glossary Now features a companion website complete with links to journal articles relevant websites and blogs This is essential reading for your studies in criminology media studies cultural studies and sociology The Key Approaches to Criminology series celebrates the removal of traditional barriers between disciplines and specifically reflects criminology's interdisciplinary nature and focus It brings together some of the leading scholars working at the intersections of criminology and related subjects Each book in the series helps readers to make intellectual connections between criminology and other discourses and to understand the importance of studying crime and criminal justice within the context of broader debates The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas

Criminal Visions Paul Mason, 2012-12-06 Despite being an increasingly high profile subject few publications address media representations of law and order head on This book aims to meet this need by bringing together an important range of papers from leading researchers in the field addressing issues of fictional factual and hybrid representations of crime in the media
