Policing A Pioneer Province The Bc Provincial Police 18581950:

J. F. Bosher, 2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover *Canadian State Trials, Volume V* Barry Wright, Susan Binnie, Eric Tucker, 2022-11-01 The fifth and final volume of the Canadian State Trials series examines political trials and national security measures during the period of 1939 to 1990 Essays by historians and legal scholars shed light on experiences during the Second World War and its immediate aftermath including uses of the War Measures Act and the Official Secrets Act with the unfolding of the Cold War and legal responses to the FLQ including the October Crisis labour strikes and Indigenous resistance and standoffs The volume critically examines the historical and social context of the trials and measures resulting from these events concluding the first comprehensive series on this important area of Canadian law and politics The fifth volume s exploration of state responses to real and perceived security threats is particularly timely as Canada faces new challenges to the established order ranging from Indigenous nations demanding a new constitutional framework to protestors challenging discriminatory policing and contesting public health measures Osgoode Society for Canadian Legal History The Vigilant Eye Greg Marquis, 2017-01-19T00:00:00Z In The Vigilant Eye Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada s simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities **A Global History of Gold Rushes** Benjamin Mountford, Stephen Tuffnell, 2018-10-16 Nothing set the world in motion like gold Between the discovery of California placer gold in 1848 and the rush to Alaska fifty years later the search for the precious yellow metal accelerated worldwide

circulations of people goods capital and technologies A Global History of Gold Rushes brings together historians of the United States Africa Australasia and the Pacific World to tell the rich story of these nineteenth century gold rushes from a global perspective Gold was central to the growth of capitalism it whetted the appetites of empire builders mobilized the integration of global markets and economies profoundly affected the environment and transformed large scale migration patterns Together these essays tell the story of fifty years that changed the world Police and Government Relations

Margaret E. Beare, Tonita Murray, 2007-04-28 Questions of police governance accountability and independence have been subjected to thorough research before That the issue still draws critical attention more than twenty years after the McDonald Commission of Inquiry into Certain Activities of the Royal Canadian Mounted Police suggests that understanding and a resolution to the issue still eludes us Despite the modifications to police practice that the Charter of Rights and Freedoms has brought there is still concern over the degree of independence the police exercise and debate over where the line between legitimate government direction of the police and illegitimate political interference should be drawn Police and Government Relations explores the question of police governance and independence from a number of different points of view Editors Margaret E Beare and Tonita Murray offer multi disciplinary comparative and case study methodologies written by scholars from law political science and criminology to illustrate the diversity of opinion that exists on the topic and to explore how the operating tension between police independence and democratic governance and accountability has played out both in Canada and other countries This book does not attempt to find final answers its goal is to provide a framework for a continuing discussion that may lead to helpful and workable recommendations for the future It serves as an academic and intellectual contribution to an important matter of public policy **The Lawman** Lynne Stonier-Newman, 2011-07-06

Keeping the peace in turn of the century B C Murderers thieves and drunks tested the will of Superintendent Fred Hussey the B C Provincial Police officer appointed to keep the peace in rough and tumble turn of the century B C But in his action packed and often risky career he always relied on the power of reason rather than force to set things right Even his prisoners seemed to like him it was said Hussey s work took him from formal dinners in elegant mansions to chilly breakfasts around campfires In a 20 year period that saw the province s population mushroom by 100 000 he knew the famous and the infamous from Judge Matthew Baillie Begbie to train robber Bill Miner and everyone in between Inspecting his vast territory on horseback by steamer and canoe this remarkable man set the tone for the peaceful development of the young province A glimpse into the ambience of a bygone era The Lawman is an engaging look at the life and adventures of a self possessed hero in turbulent times **Entryways to Criminal Justice** George Pavlich, Matthew P. Unger, 2019-03-20 How do societies decide whom to criminalize What does it mean to accuse someone of being an offender Entryways to Criminal Justice analyzes the thresholds that distinguish law abiding individuals from those who may be criminalized Contributors to the volume adopt social historical cultural and political perspectives to explore the accusatory process that place persons in

contact with the law Emphasizing the gateways to criminal justice truth telling and overcriminalization the authors provide important insights into often overlooked practices that admit persons to criminal justice It is essential reading for scholars students and policy makers in the fields of socio legal studies sociology criminology law and society and post colonial studies Contributors Dale A Ballucci Martin A French Aaron Henry Bryan R Hogeveen Dawn Moore George Pavlich Marcus A Sibley Rashmee Singh Amy Swiffen Matthew P Unger Elise Wohlbold Andrew Woolford *Policing Canada's Century* Greg Marquis,1993 This study examines the origins and development of the CACP an important but little studied non governmental organization reflecting the interests principally of municipal police administrators within the broader political and social context of the 20th century a period of dramatic changes in the r **Peter O'Reilly** Lynne Stonier-Newman,2011-07-06 Powerful and diligent Peter O Reilly played a role in shaping British Columbia in the last quarter of the 1800s An immigrant from Ireland O Reilly landed in Victoria during the height of the Cariboo Gold Rush and was appointed gold commissioner for BC He held the position of county court judge and sorted settler and Native disputes despite often having to function as an assistant land commissioner From 1880 to 1898 O Reilly was the federally appointed BC Indian Reserve Lands commissioner Many of his decisions about the location and size of Native reserves continue to be challenged in the courts to this day In Peter O Reilly we also see the private side of this industrious man a man who enjoyed the vast wilderness for years on horseback or by foot on snowshoes or in a canoe He had many acquaintances and two close friends Sir Matthew Baillie Begbie and Edward Dewdney He lived with his cherished wife Caroline Trutch O Reilly and their children at Point Ellice House in Victoria BC **Hobnobbing with a Countess and Other Okanagan Adventures** Alice Barrett Parke,2001 In 1889 Alice Barrett moved west from Ontario to the Okanagan Valley in British Columbia to keep house for her brother and uncle She soon married Harold Parke a former military officer and recorded her experiences in a series of notebooks Few women s diaries have survived from that time and Parke recalls a period of profound transformation in a region newly opened to white settlement by the railway She was an astute observer and an exceptional writer and her diaries provide valuable insights into work health religion race and gender relations and women s lives She was part of the circle of the Countess of Aberdeen who stayed at nearby Coldstream Ranch and became the first corresponding secretary of the Vernon chapter of the National Council of Women **Don't Never Tell Nobody Nothin' No How** Rick James,2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn t long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours

to the south Contrary to popular perception rum running along the Pacific coast wasn't dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don't Never Tell Nobody Nothin' No How sets out to explain what really went down along the West Coast during the American Noble Experiment The Notorious Georges Jonathan Swainger, 2023-10-15 Boozy and boisterous The Georges the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada's most dangerous city Is Prince George really such a bad lad The Notorious Georges explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community's identity It also sheds light on small town disaffection in modern Canada

International Books in Print, 1994 *At the end of the line* Georgina Sinclair, 2017-03-01 Colonial policing and the imperial endgame is the first comprehensive study of the colonial police and their complex role within Britain's long and turbulent process of decolonisation a time characterised by political upheaval and colonial conflict The Colonial Police Service was created in 1936 in order to standardise all imperial police forces and mould colonial policing to the British model From the British Caribbean to the Middle East the Mediterranean to British Colonial Africa and on to Southeast Asia colonial police forces struggled with the unrest and conflict that stemmed from Britain's withdrawal from its empire As the shadow of decolonisation grew ever longer so colonial police forces reverted back to their traditional role as a colony's first line of defence At the same time as tensions increased throughout the empire so too did the power of the police through the development of police intelligence systems and counter insurgency units Colonial policing and the imperial endgame controversially asserts that it was coercion rather than consent which was more commonly associated with the work of police forces during this period of political dislocation Georgina Sinclair's focussed study of colonial policing during this period facilitates a greater understanding of the processes of decolonisation **Call in Pinkerton's** David Ricardo Williams, 1998-09-01 Soon after Allan Pinkerton established his legendary detective agency in the United States Canadians began seeking their services Call in Pinkerton's is the history of the agency's work on behalf of Canadian governments and police forces During the late nineteenth century and early twentieth century Pinkerton's operatives hunted legendary train

robber Bill Miner in the woods of British Columbia infiltrated German spy rings during World War I and helped future prime minister John A Macdonald to fend off the Fenian raids They tracked down the Reno Brothers in Windsor Ontario and investigated labour unrest in Hamilton The agency's detectives countered crimes all over Canada particularly in the West and British Columbia Pinkerton's activities went as far north as the Yukon where fears were growing of an imminent invasion by a force of Americans from Alaska Call in Pinkerton's is the first book to chronicle the agency's work on behalf of Canadian governments and police forces This entertaining book provides accounts of actual Pinkerton's investigations while detailing the day to day activities of a private detective at work Call in Pinkerton's is a fascinating read for anyone with an interest in crime and espionage

Raising the Workers' Flag Stephen Endicott, 2012-09-07 During the Great Depression the conflicting interests of capital and labour became clearer than ever before Radical Canadian workers encouraged by the Red International of Labour Unions responded by building the Workers Unity League an organization that greatly advanced the cause of unions in Canada and boasted 40 000 members at its height In Raising the Workers Flag the first full length study of this robust group Stephen L Endicott brings its passionate efforts to light in memorable detail Raising the Workers Flag is based on newly available or previously untapped sources including documents from the Royal Canadian Mounted Police's Security Service and the Communist Party's archives Using these impressive finds Endicott gives an intimate sense of the raging debates of the labour movement of the 1930s A gripping account of the League's dreams and daring Raising the Workers Flag enlivens some of the most dramatic struggles of Canadian labour history

Bounty and Benevolence Arthur J. Ray, Jim Miller, Frank Tough, 2000-09-14 Arthur Ray Jim Miller and Frank Tough draw on a wide range of documentary sources to provide a rich and complex interpretation of the process that led to these historic agreements The authors explain how Saskatchewan treaties were shaped by long standing First Nations Hudson's Bay Company diplomatic and economic understandings treaty practices developed in eastern Canada before the 1870s and the changing economic and political realities of western Canada during the nineteenth and early twentieth centuries Ray Miller and Tough also show why these same forces were responsible for creating some of the misunderstandings and disputes that subsequently arose between the First Nations and government officials regarding the interpretation and implementation of the accords *Bounty and Benevolence* offers new insights into this crucial dimension of Canadian history making it of interest to the general reader as well as specialists in the field of First Nations history

Labour, 1995 Canadian Books in Print. Author and Title Index, 1975

Liberalism, Surveillance, and Resistance Keith Douglas Smith, 2009 Canada is regularly presented as a country where liberalism has ensured freedom and equality for all Yet as Canada expanded westward and colonized First Nations territories liberalism did not operate to advance freedom or equality for Indigenous people or protect their property In reality it had a markedly debilitating effect on virtually every aspect of their lives This book explores the operation of exclusionary liberalism between 1877 and 1927 in southern Alberta and the southern interior of British Columbia In order to facilitate and

justify liberal colonial expansion Canada relied extensively on surveillance which operated to exclude and reform Indigenous people By persisting in Anglo Canadian liberal capitalist values structures and interests as normal natural and beyond reproach it worked to exclude or restructure the economic political social and spiritual tenets of Indigenous cultures Further surveillance identified which previously reserved lands established on fragments of First Nations territory could be further reduced by a variety of dubious means While none of this preceded unchallenged surveillance served as well to mitigate against even if it could never completely neutralize opposition
