eroded national sovereignty in favour of a stronger role for the Commission and more power for Europe's regions. The first part of the book probes into the policy dynamics at the European level. In the second part, eight country studies evaluate the impact of uniform EU policy on territorial relations by comparing policy making before and after the reform. The concluding section explains persistent variation in EU cohesion decision making and implementation.

SME Policy Index: Eastern Partner Countries 2024 Building Resilience in Challenging Times OECD, European Bank for Reconstruction and Development, 2023-12-13. The SME Policy Index Eastern Partner Countries 2024 Building resilience in challenging times is a unique benchmarking tool to assess and monitor progress in the design and implementation of SME policies against EU and international best practice.

Building Successful Partnerships Sebastian Buckup, 2012-05-20. Hailed by some as a fundamental pillar of global governance and criticized by others as a manifestation of top-down globalism, multi-stakeholder partnerships have become the new mantra of policy makers around the globe. However, our understanding of what drives success and failure in these hybrid institutions remains sketchy and incomplete. This book will introduce a production theory of partnering which describes how the contributions actors add to a partnership are translated into results. The objective of this new perspective on collaboration is to make sense of the complex dynamics partnerships face and to derive fundamental propositions on how governance structures should be designed to make partnerships succeed.

SME Policy Index: Western Balkans and Turkey 2019 Assessing the Implementation of the Small Business Act for Europe OECD, European Training Foundation, European Union, European Bank for Reconstruction and Development, 2019-05-06. Robust SME sectors are critical to the prosperity of the six Western Balkan economies and Turkey, accounting for over 70% of those employed in the business sector and generating 65% of value added in these seven economies. Yet their potential remains untapped as SMEs across the region grapple.
