The Polish Canadians William Kurelek,1981 **Polish Canadians** T. W. Krychowski,1969 *Polish as a Heritage Language Around the World* Piotr Romanowski,Anna Seretny,2024-07-31 Polish as a Heritage Language Around the World provides a timely insight into Polish diaspora communities around the world and their endeavours in heritage language maintenance and education This edited collection depicts and analyses the unique challenges associated with the intergenerational transmission of Polish as a language that has not had high visibility and status in the surrounding society Chapters within the volume examine how these circumstances impact the maintenance of the heritage language and affect the capacity to support biliteracy development among younger generations of speakers Offering an overview of key concepts and theoretical issues practical pedagogical guidance and field advancing suggestions for further research Polish as a Heritage Language Around the World will be of interest to researchers and instructors of Polish around the world as well as those interested in second language acquisition and heritage language studies **Folk music of Canada's oldest Polish community / La musique traditionnelle de la plus ancienne communauté polonaise du Canada** John Michael Glofcheskie,1980-01-01 A field collection of the repertoire of song and dance music of the Polish Canadians of Renfrew County Ontario and a discussion of its function in their daily lives Bilingual Edition *The Polish People in Canada* William Makowski,1987 [Polish-Canadian Profiles](#) Olgierd Budrewicz,1981 *The Handbook of Ethnic Media in Canada* Daniel Ahadi,Sherry S. Yu,Ahmed Al-Rawi,2023-12-15 Ethnic minority groups in Canada have set up their own communication infrastructure that has evolved over time from the analog to the digital age and continues to remain relevant across generations Offering a reassessment of contemporary media outlets The Handbook of Ethnic Media in Canada asks how ethnic media have changed why they continue to be relevant and what impact this media sector has on ethnocultural communities as well as broader society Building on past studies that highlight particular functions of ethnic media publishing information that is vital to settlement and civic engagement and providing an alternative to mainstream media among others this volume generates insights on new dynamics of the ethnic media sector that are prevalent in the digital age Contributors re examine theoretical and methodological approaches to ethnic media research explore the practices of ethnic media along cultural linguistic and religious lines and interrogate the policies that affect ethnic media production and consumption At its core the question of how Canadians engage with ethnic media is a question about what this media sector means for the sociocultural economic and political integration of Canadians both majority and minority and Canada s race relations The Handbook of Ethnic Media in Canada provides a rich resource for anyone concerned about the role media plays in the complex relationship between ethnicity race belonging and marginality [The Polish American Encyclopedia](#) James S. Pula,2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more

Poles came to the United States than any other national group except Italians. Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity's rise to prominence. This encyclopedia features three types of entries: thematic essays, topical entries, and biographical profiles. The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience. The topical entries discuss in detail specific places, events, or organizations such as the Polish National Alliance, Polish American Saturday Schools, and the Latimer Massacre among others. The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia.
