Polite Lies On Being A Woman Caught Between Cultures:

Polite Lies Kyoko Mori,1999-04-06 In this powerful exquisitely crafted book Kyoko Mori delves into her dual heritage with a rare honesty that is both graceful and stirring From her unhappy childhood in Japan weighted by a troubled family and a constricting culture to the American Midwest where she found herself free to speak as a strong minded independent woman though still an outsider Mori explores the different codes of silence deference and expression that govern Japanese and American women s lives the ties that bind us to family and the lies that keep us apart the rituals of mourning that give us the courage to accept death the images of the body that make sex seem foreign to Japanese women and second nature to Americans In the sensitive hands of this compelling writer one woman s life becomes the mirror of two profoundly different societies

Migrant Maternal: Birthing New Lives Abroad Schultes Anna Kuroczycka, 2016-10-01 This edited volume explores how and why immigrant refugee mothers experiences differ due to the challenges posed by the migration process but also what commonalities underline immigrant refugee mothers lived experiences This book will add to the field of women s studies the much needed discussion of how immigrant and refugee mothers lives are dependent on cultural environmental and socio economic circumstances The collection offers multiple perspectives on migrant mothering by including ethnographic and theoretical submissions along with mothers personal narratives and literary analyses from diverse locales New Zealand Japan Canada The United States Turkey Italy and the Netherlands among others The first section of the volume focuses on mothers roles in the family institution and the pressures and responsibilities they face in creating and reproducing families physically and socially The second section shifts its attention to children and highlights mothers continued roles in the development of their children abroad along with the gendered generational dynamics in the settlement process and the resultant effects on motherhood responsibilities In all chapters readers will find how women negotiate their traditional roles in a new sociocultural milieu and how mothering processes are critical in creating connections with traditions and homelands

Transnational Ties Desley Deacon, Penny Russell, Angela Woollacott, 2008-12-01 Australian lives are intricately enmeshed with the world bound by ties of allegiance and affinity intellect and imagination In *Transnational Ties Australian Lives in the World* an eclectic mix of scholars historians literary critics and museologists trace the flow of people that helped shape Australia s distinctive character and the flow of ideas that connected Australians to a global community of thought It shows how biography and the study of life stories can contribute greatly to our understanding of such patterns of connection and explores how transnationalism can test biography s limits as an intellectual professional and commercial practice

Language and Ethnicity Carmen Fought, 2006-08-31 What is ethnicity Is there a white way of speaking Why do people sometimes borrow features of another ethnic group s language Why do we sometimes hear an accent that isn t there This lively overview first published in 2006 reveals the fascinating relationship between language and ethnic identity exploring the crucial role it plays in both revealing a speaker s ethnicity and helping to construct it Drawing on research from a range of ethnic groups around the world it shows how language contributes to the social and psychological processes involved in the formation of ethnic identity exploring both the linguistic features of ethnic language varieties and also the ways in which language is used by different ethnic groups Complete with discussion questions and a glossary *Language and Ethnicity* will

be welcomed by students and researchers in sociolinguistics as well as anybody interested in ethnic issues language and education inter ethnic communication and the relationship between language and identity Japanese New York Olga Kanzaki Sooudi, 2014-10-31 Spend time in New York City and soon enough you will encounter some of the Japanese nationals who live and work there young English students office workers painters and hairstylists New York City one of the world's most vibrant and creative cities is also home to one of the largest overseas Japanese populations in the world Among them are artists and designers who produce cutting edge work in fields such as design fashion music and art Part of the so called creative class and a growing segment of the neoliberal economy they are usually middle class and college educated They move to New York for anywhere from a few years to several decades in the hope of realizing dreams and aspirations unavailable to them in Japan Yet the creative careers they desire are competitive and many end up working illegally in precarious low paying jobs Though they often migrate without fixed plans for return nearly all eventually do and their migrant trajectories are punctuated by visits home Japanese New York offers an intimate ethnographic portrait of these Japanese creative migrants living and working in NYC At its heart is a universal question how do adults reinvent their lives In the absence of any material or social need what makes it worthwhile for people to abandon middle class comfort and home for an unfamiliar and insecure life Author Olga Sooudi explores these questions in four different venues patronized by New York's Japanese a grocery store and restaurant where hopeful migrants work part time as they pursue their ambitions a fashion designer's atelier and an art gallery both sites of migrant aspirations As Sooudi's migrant artists toil and network biding time until they make it in their chosen industries their optimism is complicated by the material and social limitations of their lives The story of Japanese migrants in NYC is both a story about Japan and a way of examining Japan from beyond its borders The Japanese presence abroad a dynamic process involving the moving settling and return to Japan of people and their cultural products is still underexplored Sooudi's work will help fill this lacuna and will contribute to international migration studies to the study of contemporary Japanese culture and society and to the study of Japanese youth while shedding light on what it means to be a creative migrant worker in the global city today **Communicating Beyond**

Language Betsy Rymes, 2014-01-03 This new book offers a timely and lively appraisal of the concept of communicative repertoires resources we use to express who we are when in dialogue with others Each chapter describes and illustrates the communicative resources humans deploy daily but rarely think about not only the multiple languages we use but how we dress or gesture how we greet each other or tell stories the nicknames we coin and the mass media references we make and how these resources combine in infinitely varied performances of identity Rymes also discusses how our repertoires shift and grow over the course of a lifetime as well how a repertoire perspective can lead to a rethinking of cultural diversity and human interaction from categorizing people's differences to understanding how our repertoires can expand and overlap with other thereby helping us to find common ground and communicate in increasingly multicultural schools workplaces markets

and social spheres Rymes affirms the importance of the communicative repertoires concept with highly engaging discussions and contemporary examples from mass media popular culture and everyday life The result is a fresh and exciting work that will resonate with students and scholars in sociolinguistics intercultural communication applied linguistics and education
