Political Life Why People Get Involved In Politics:

Political Life Robert Edwards Lane,1959 **Political Life** Robert E. Lane,1961 *The Political Culture of Japan* Bradley M. Richardson,2022-08-19 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 *Why Don't Americans Vote?* Bridgett A. King,Kathleen Hale,2016-07-11 This timely book provides a thought provoking discussion of issues that influence voter registration and turnout in contemporary America Elections not only determine who will fill an office they have a lot to say about how the democratic process works or doesn t work in 21st century America This fascinating book sheds light on that question by focusing on factors that currently shape elections and political participation in the United States It covers issues that are consistently in the media such as gerrymandering voter ID and rules pertaining to when where and how Americans register and vote But it also goes beyond the obvious to consider issues that are often overlooked civic education and engagement citizen apathy and political alienation for example The volume begins with an introduction to elections that includes a discussion of the history of voting in the United States Each subsequent chapter covers a different topic relative to registration and voting It addresses matters of education as well as socialization mobilization and the legal and political structures that shape U S political participation Ideal for readers who may be considering such concerns for the first time the work will foster an understanding of why political participation is important and of the causes and consequences of non voting **Young People's Political Participation in Western Europe** Gema Garcia Albacete,2014-10-10 Are young people today politically apathetic Or are they democratically mature citizens This book examines several types of involvement to reveal changes in young people s political participation in Europe in recent decades It uses various concepts of age to compare participation across countries and over time **The International Encyclopedia of Political Communication, 3 Volume Set** Gianpietro Mazzoleni,Kevin G. Barnhurst,Ken'ichi Ikeda,Rousiley C. M. Maia,Hartmut Wessler,2015-12-14 The International Encyclopedia of Political Communication is the definitive single source reference work on the subject with state of the art and in depth scholarly reflection on the key issues within political communication from leading international experts It is available both online and in print Explores pertinent salient topics within political science sociology psychology communication and many other disciplines Theory empirical research and academic as well as professional debate are widely covered in this truly international and comparative work Provides clear definitions and explanations which are both cross national and cross disciplinary by nature Offers an unprecedented level of authority accuracy and balance with contributions from leading international experts in their associated fields Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at

Wiley Online Library www.wiley.com Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association Sociologists, Economists, and Democracy Brian Barry, 1988-09-15 Rationalist theories of political behavior have recently risen in status to that of a new or more accurately rediscovered paradigm in the systematic study of politics Brian Barry's short provocative book played no small part in the debate that precipitated this shift Without reservation Barry's treatise is the most lucid and most influential critique of two important competing perspectives in political analysis the sociological school of Talcott Parsons Gabriel Almond and other so called functionalists and the economic school of Anthony Downs and Mancur Olson among others Dennis J Encarnation American Journal of Sociology **Understanding Inequality: Social Costs and Benefits** Amanda Machin, Nico Stehr, 2016-04-14 The contributions in this book highlight contextualize and analyze different aspects of social inequality What are the various cause and effects of inequality How have these changed over recent decades Which social policies might be best able to intervene Written by authors from a variety of disciplines and geographical regions these contributions provide a rich account of inequality within contemporary society The role of the state the media and the market in exacerbating and alleviating patterns of equality are all accessed alongside analysis of changing patterns of exclusion and hierarchy

Political Culture and Participation in Urban China Yang Zhong, 2017-10-04 This book discusses one of the most noticeable and significant transformations in China over the past three decades is the rapid and massive urbanization of the country which has brought shifts in political culture of Chinese urbanites This book is a systematic and empirical study of political culture in urban China The book covers various aspects of political culture such as political regime support political interest democratic values political trust and environmental attitudes and sub political culture of Chinese urban Christians This book will be of immense value to urban scholars sinologists and those wishing to get a closer look at the issues that affect the political future of a rising world power *Political Engagement of the Young in Europe* Peter Thijssen, Jessy Siongers, Jeroen Van Laer, Jacques Haers, Sara Mels, 2015-12-14 Although many scholars are convinced of the apparent civic disengagement of youth others suggest that civic participation of young people is stable and increasingly expressed through non institutionalized forms of practicing politics This book makes a key contribution to this discussion by asking whether the decline or shift paradigm is sufficient in understanding political participation of the youth It argues that we need to move beyond this framework and develop a renewed reflection on the meaning of civic and political engagement It asks crucial questions such as How can the young be educated into assuming civic and political responsibility Why and how do young people engage in social and political action How do the principal mediating institutions education media and the family contribute to new or different forms of youth civic engagement This text contains contributions from acknowledged specialists such as Constance Flanagan Mark Elchardus Marc Hooghe and Bert Klandermans and will be of key interest to students and scholars of youth and young citizens civic political involvement European politics youth studies sociology
