Local and State Political Campaign Management Scott Wilcox, 1996

Political Strategy and Tactics Laure Paquette, 2002 This book aims to bridge a broadly applicable and validated theory and the practical challenges that face any individual acting in the face of a power imbalance It underpins the practical advice with a detailed sociology of action of the phenomenon known as strategy The only thing required to use this strategy is some capacity for abstract thought for planning a strategy and some self awareness and discipline for implementing it This book provides a comprehensive overview of the possibilities available to the strategist and provides a simple method of developing a strategy
