Political Economy Of Stalinism Evidence From The Soviet Secret Archives

Paul R. Gregory

Political Economy Of Stalinism Evidence From The Soviet Secret Archives:

The Political Economy of Stalinism Paul R. Gregory, 2004 This book uses the formerly secret Soviet state and Communist Party archives to describe the creation and operations of the Soviet administrative command system It concludes that the system failed not because of the jockey i e Stalin and later leaders but because of the horse the economic system Although Stalin was the system s prime architect the system was managed by thousands of Stalins in a nested dictatorship The core values of the Bolshevik Party dictated the choice of the administrative command system and the system dictated the political victory of a Stalin like figure This study pinpoints the reasons for the failure of the system poor planning unreliable supplies the preferential treatment of indigenous enterprises the lack of knowledge of planners etc but also focuses on the basic principal agent conflict between planners and producers which created a sixty year reform stalemate

Behind the Facade of Stalin's Command Economy Paul Gregory, 2001-07-01 The red files revealed Examining the period from the early 1930s through Stalin s death in 1953 the height of the Stalinist regime this enlightening book reveals what we have learned from the archives what has surprised us and what has confirmed what we already knew Most of the authors have worked with these archives since they were opened

The Political Economy of Russia Neil Robinson, 2012-07-13 This timely book explores Russia s political development since the collapse of the USSR and how inextricably it has been bound up with economic change Tracing the evolution of Russia s political economy leading scholars consider how it may continue to develop going forward They assess the historical legacies of the Soviet period showing how despite policies implemented after the USSR dissolved in 1991 there are ongoing bitter battles over property and state revenues over land and over welfare The book puts these domestic issues in international and comparative perspective by considering Russia s position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy Contributions by Andrew Barnes Paul T Christensen Linda J Cook Gerald M Easter Neil Robinson Richard Sakwa and Stephen K Wegren

The Soviet Century Karl Schlögel, 2023-03-14 An encyclopedic and richly detailed history of everyday life in the Soviet Union The Soviet Union is gone but its ghostly traces remain not least in the material vestiges left behind in its turbulent wake What was it really like to live in the USSR What did it look feel smell and sound like In *The Soviet Century* Karl Schlögel one of the world s leading historians of the Soviet Union presents a spellbinding epic that brings to life the everyday world of a unique lost civilization A museum of and travel guide to the Soviet past *The Soviet Century* explores in evocative detail both the largest and smallest aspects of life in the USSR from the Gulag the planned economy the railway system and the steel city of Magnitogorsk to cookbooks military medals prison camp tattoos and the ubiquitous perfume Red Moscow The book examines iconic aspects of Soviet life including long queues outside shops cramped communal apartments parades and the Lenin mausoleum as well as less famous but important parts of the USSR

including the Great Soviet Encyclopedia the voice of Radio Moscow graffiti and even the typical toilet which became a pervasive social and cultural topic Throughout the book shows how Soviet life simultaneously combined utopian fantasies humdrum routine and a pervasive terror symbolized by the Lubyanka then as now the headquarters of the secret police Drawing on Schlegel's decades of travel in the Soviet and post Soviet world and featuring more than eighty illustrations The Soviet Century is vivid immediate and grounded in firsthand encounters with the places and objects it describes The result is an unforgettable account of the Soviet Century

Stalin's Curse Robert Gellately, 2013-03-07 The Second World War almost destroyed Stalin's Soviet Union But victory over Nazi Germany provided the dictator with his great opportunity to expand Soviet power way beyond the borders of the Soviet state Well before the shooting stopped in 1945 the Soviet leader methodically set about the unprecedented task of creating a Red Empire that would soon stretch into the heart of Europe and Asia displaying a supreme realism and ruthlessness that Machiavelli would surely have envied By the time of his death in 1953 his new imperium was firmly in place defining the contours of a Cold War world that was seemingly permanent and indestructible and would last until the collapse of the Berlin Wall in 1989 But what were Stalin's motives in this spectacular power grab Was he no more than a latter day Russian tsar for whom Communist ideology was little more than a smoke screen Or was he simply a psychopathic killer In Stalin's Curse best selling historian Robert Gellately firmly rejects both these simplifications of the man and his motives Using a wealth of previously unavailable documentation Gellately shows instead how Stalin's crimes are more accurately understood as the deeds of a ruthless and life long Leninist revolutionary Far from being a latter day Red Tsar intent simply upon imperial expansion for its own sake Stalin was in fact deeply inspired by the rhetoric of the Russian revolution and what Lenin had accomplished during the Great War As Gellately convincingly shows Stalin remained throughout these years steadfastly committed to a boundless faith in Communism and saw the Second World War as his chance to take up once again the old revolutionary mission to carry the Red Flag to the world Stalinism

Alter L. Litvin, John L. H. Keep, 2005 This volume the fruit of co operation between a British and Russian historian seeks to review comparatively the progress made in recent years largely thanks to the opening of the Russian archives in enlarging our understanding of Stalin and

Ideas in the History of Economic Development Estrella Trincado, Andrés Lazzarini, Denis Melnik, 2019-08-05 This edited volume examines the relationship between economic ideas economic policies and development institutions analysing the cases of 11 peripheral countries in Europe Latin America and Asia across the nineteenth and twentieth centuries It sheds light on the obstacles that have prevented the sustained economic growth of these countries and examines the origins of national and regional approaches to development The chapters present a fascinating insight into the ideas and visions in the different locations with the overarching categories of economic nationalism and economic liberalism and how they have influenced development outcomes This book will be valuable reading for advanced students and researchers of development economics the history of economic thought and economic history

Ruling Russia William Zimmerman, 2016-03-22 The first book to trace the evolution of Russian politics from the Bolsheviks to Putin When the Soviet Union collapsed many hoped that Russia's centuries long history of autocratic rule might finally end Yet today's Russia appears to be retreating from democracy not progressing toward it Ruling Russia is the only book of its kind to trace the history of modern Russian politics from the Bolshevik Revolution to the presidency of Vladimir Putin It examines the complex evolution of communist and post Soviet leadership in light of the latest research in political science explaining why the democratization of Russia has all but failed William Zimmerman argues that in the 1930s the USSR was totalitarian but gradually evolved into a normal authoritarian system while the post Soviet Russian Federation evolved from a competitive authoritarian to a normal authoritarian system in the first decade of the twenty first century He traces how the selectorate those empowered to choose the decision makers has changed across different regimes since the end of tsarist rule The selectorate was limited in the period after the revolution and contracted still further during Joseph Stalin's dictatorship only to expand somewhat after his death Zimmerman also assesses Russia's political prospects in future elections He predicts that while a return to totalitarianism in the coming decade is unlikely so too is democracy Rich in historical detail Ruling Russia is the first book to cover the entire period of the regime changes from the Bolsheviks to Putin and is essential reading for anyone seeking to understand why Russia still struggles to implement lasting democratic reforms

Abolition Seymour Drescher, 2009-07-27 In one form or another slavery has existed throughout the world for millennia It helped to change the world and the world transformed the institution In the 1450s when Europeans from the small corner of the globe least enmeshed in the institution first interacted with peoples of other continents they created in the Americas the most dynamic productive and exploitative system of coerced labor in human history Three centuries later these same intercontinental actions produced a movement that successfully challenged the institution at the peak of its dynamism Within another century a new surge of European expansion constructed Old World empires under the banner of antislavery However twentieth century Europe itself was inundated by a new system of slavery larger and more deadly than its earlier system of New World slavery This book examines these dramatic expansions and contractions of the institution of slavery and the impact of violence economics and civil society in the ebb and flow of slavery and antislavery during the last five centuries

Socialism as a Secular Creed Andrei Znamenski, 2021-01-29 Andrei Znamenski argues that socialism arose out of activities of secularized apocalyptic sects the Enlightenment tradition and dislocations produced by the Industrial Revolution He examines how by the 1850s Marx and Engels made the socialist creed scientific by linking it to history laws and inventing the proletariat the chosen people that were to redeem the world from oppression Focusing on the fractions between social democracy and communism Znamenski explores why historically socialism became associated with social engineering and centralized planning He explains the rise of the New Left in the 1960s and its role in fostering the cultural left that came to privilege race and identity over class Exploring the global retreat of the left in the 1980s 1990s and the great neoliberalism

scare Znamenski also analyzes the subsequent renaissance of socialism in wake of the 2007 2008 crisis

Whispering the Secrets of Language: An Emotional Journey through **Political Economy Of Stalinism Evidence From The Soviet Secret Archives**

In a digitally-driven earth wherever displays reign great and immediate communication drowns out the subtleties of language, the profound secrets and mental subtleties hidden within phrases frequently go unheard. However, located within the pages of **Political Economy Of Stalinism Evidence From The Soviet Secret Archives** a captivating literary prize blinking with organic emotions, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, that enchanting opus attracts viewers on an introspective trip, softly unraveling the veiled truths and profound impact resonating within the very fabric of each word. Political Economy Of Stalinism Evidence From The Soviet Secret Archives Introduction

In today's digital age, the availability of Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Economy Of Stalinism Evidence From The Soviet Secret Archives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

Political Economy Of Stalinism Evidence From The Soviet Secret Archives

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of Stalinism Evidence From The Soviet Secret Archives books and manuals for download and embark on your journey of knowledge?
