Essay Sample on Ernst Cassirer's Political Mythology: An Anthropological Perspective Essay

Introduction

Ernst Cassirer's interest in political mythologizing focuses on an anthropological positioning grounded on neo-Kantian epistemology (Barash, 2000). Heller's concept of the fictionalization of politics is rooted in the application of myth uttered by political organizations for mass management. On the other hand, Ernst Cassirer's examinations of this aspect are centered on extensive anthropology of political myth established over several decades (Barash, 2000). The essay will highlight Ernst Cassirer's critique of modern political myth.

The topic which most explicitly draws the most audience into analyzing Cassirer's writing is the connection between the preliminary theory of myth in Mythical thought, focusing mainly with the myth of non-western cultures, and later the political theory of myth defined by him in the Myth of the State, that focuses with modernity. Ernst Cassirer also attempted to explain the radical politicization of the Machtstaat evident in the twentieth century (Barash, 2000). The fundamental element of Cassirer's notion of myth lies in his attempt to critique on the grounds of its general theory of myth, for the phenomenon efficacy of modern political myth (Barash, 2000).

Cassirer recognized that they "myth of politics in the twentieth century" (an ideology ostensibly extracted from *Der Mythos des Zwanzigsten Jahrhunderts* a german titled book by the Nazi ideologist Alfred Rosenberg) (Barash, 2000). He described the modern political mythology as a conscious fabrication established through its capability to mystify the masses and to serve as a weapon in political war (Barash, 2000). It is this aspect as a consciously fabricated tool that demonstrates the uniqueness of contemporary myths concerning other elements of mythmaking. However, the "myth of the twentieth century" stands out as the true sense of the word since its efficiency derives from a general anthropological source (Barash, 2000).

On the grounds of his attraction connecting the ancient and contemporary myths, accounting for the specific potency of myth-making as a general form of anthropological endeavor. He launched his sweeping analysis of modern myth-making and of the tendency among certain modern philosophical orientations to propel the recrudescence of myth in support of the Machtstaat. Cassirer's criticism is centered upon a profound conviction inspiring his work as a whole, his notion that the truth of a doctrine is closely associated with its ethical consequences.

In Chapter one of *The place of language and myth in the pattern of human culture*, Ernst Cassirer argues that mythology is inevitable, natural, and an inherent need of language (Cassirer, 1946). He further states that if humans acknowledge language as an outward form and manifestation of thought, they will realize that the dark shadow which language builds upon a thought, and that it can never disappear until the language becomes wholly comparable with the thought (Cassirer, 1992). Finally, Mythology is the highest sense of power and authority executed by language on thought in every possible sphere of mental activity (Cassirer, 1992).

Political Mythology Ernst Cassirer

Tim Stevens, Nicholas Michelsen

Political Mythology Ernst Cassirer:

The Myth of the State Ernst Cassirer, 1946 A great contemporary German philosopher attacks the explosive problem of political myth in our day and reveals how the myth of the state evolved from primitive times to prepare the way for the rise of the modern totalitarian state A brilliant survey of some of the major texts in the history of political theory Kenneth Burke *The Nation*

The Meaning of Political Myth in Ernst Cassirer Claudiu Baci, 2018-05-05 Myth founds human culture and Cassirer considers that our entire culture is penetrated by myth except in balanced epochs of history when mythical thought is tamed and lays in unity with other human faculties During an era of crisis mythical thought tends to occupy the foreground of the consciousness and imposes itself on these faculties or even overthrows all the value hierarchies that man has acquired in the course of his history Although Cassirer admits the real worth of myth as an expression of the first form of objectification of the human spirit for him the myth still remains a primitive undeveloped form of this objectification Because myth is closely related to human sensibility myth mythical thought and the type of imagination that is related to them represent true elemental forces of the human being forces which we cannot directly oppose Rather a pedagogical effort is needed to develop human capacity to avoid irrational fascination pertaining to those forces by means of a true knowledge of the structures and mechanisms of mythical thought

Symbol, Myth, and Culture Ernst Cassirer, 1979 The papers in this volume of Ernst Cassirer's unpublished works give insight into the major issues that engaged Cassirer's interest between 1935 and 1945 The book begins with his inaugural address at the University of Göteborg Sweden in the first years of his exile from Hitler's Germany and ends with a talk to the Columbia Philosophy Club The note that introduces this piece was written on the day of his death In his long and productive career Ernst Cassirer always tried to integrate his works of original philosophy and studies in intellectual history into a general understanding of the nature of myth culture and symbol These essays show that his interest persisted to the end His piece on Judaism and political myths is perhaps the most dramatic in this collection as it blends philosophical coolness with his deeply felt outrage at fascism Best known in this country for *The Myth of the State* *The Philosophy of Symbolic Forms* and *An Essay on Man* Ernst Cassirer has been read and studied by generations of students In this book they will find illuminations in a more informal voice of the major themes in Cassirer's work New readers will be introduced to the great issues that occupied the interest of one of the twentieth century's most widely read philosophers A genuine contribution to the history of modern philosophy and of special value to the informed general reader since it includes a number of valid attempts by Cassirer to translate his radical sometimes difficult concepts of culture into non technical terms The Booklist

Political Myth Roland Boer, 2009-03-25 A scholar of biblical studies and cultural theory develops a political myth for the Left based on foundational stories in the Bible's first six books from Genesis through Joshua

Pessimism in International Relations Tim Stevens, Nicholas Michelsen, 2019-06-29 This volume explores the past present and future of pessimism in International Relations It seeks to differentiate pessimism from cynicism

and fatalism and assess its possibilities as a respectable perspective on national and international politics The book traces the origins of pessimism in political thought from antiquity through to the present day illuminating its role in key schools of International Relations and in the work of important international political theorists The authors analyse the resurgence of pessimism in contemporary politics such as in the new populism attitudes to migration indigenous politics and the Anthropocene This edited volume provides the first collection of scholarly work on pessimism in International Relations theory and practice and offers fresh perspectives on an intellectual position often considered as disreputable as it is venerable

Mythistory Joseph Mali, 2003-05 Ever since Herodotus declared in *Histories* that to preserve the memories of the great achievements of the Greeks and other nations he would count on their own stories historians have debated whether and how they should deal with myth Most have sided with Thucydides who denounced myth as unscientific and banished it from historiography In *Mythistory* Joseph Mali revives this oldest controversy in historiography Contesting the conventional opposition between myth and history Mali advocates instead for a historiography that reconciles the two and recognizes the crucial role that myth plays in the construction of personal and communal identities The task of historiography he argues is to illuminate not eliminate these fictions by showing how they have passed into and shaped historical reality Drawing on the works of modern theorists and artists of myth such as Nietzsche and Wittgenstein Joyce and Eliot Mali redefines modern historiography and relates it to the older notion and tradition of mythistory Tracing the origins and transformations of this historiographical tradition from the ancient world to the modern Mali shows how Livy and Machiavelli sought to recover true history from uncertain myth and how Vico and Michelet then reversed this pattern of inquiry seeking instead to recover a deeper and truer myth from uncertain history In the heart of *Mythistory* Mali turns his attention to four thinkers who rediscovered myth in and for modern cultural history Jacob Burckhardt Aby Warburg Ernst Kantorowicz and Walter Benjamin His elaboration of the different biographical and historiographical routes by which all four sought to account for the persistence and significance of myth in Western civilization opens up new perspectives for an alternative intellectual history of modernity one that may better explain the proliferation of mythic imageries of redemption in our secular all too secular times

Baal and the Politics of Poetry Aaron Tugendhaft, 2017-11-01 *Baal and the Politics of Poetry* provides a thoroughly new interpretation of the Ugaritic Baal Cycle that simultaneously inaugurates an innovative approach to studying ancient Near Eastern literature within the political context of its production The book argues that the poem written in the last decades of the Bronze Age takes aim at the reigning political theological norms of its day and uses the depiction of a divine world to educate its audience about the nature of human politics By attuning ourselves to the specific historical context of this one poem we can develop more nuanced appreciation of how poetry politics and religion have interacted in antiquity and beyond

The Road to Socialism Lyubomir Pozharliev, 2023-07-10 The book is the first comprehensive empirical study of transport infrastructure in two socialist countries in the years 1945-1989 In the case study of Yugoslavia the construction of

roads was interrelated with building socialist and trans ethnic identities uniting all federal republics In practice the Brotherhood and Unity Highway was an artery linking the capitals of the most industrialized republics neglecting Kosovo Bosnia and Herzegovina Montenegro and parts of Macedonia In socialist Bulgaria existed a clear ideological link between transport and nation building Bulgarian roads disintegrative function was best seen in the example of the Highway Ring which constructed as an inner circle isolated the border regions and areas inhabited by Bulgarian Muslims and Turks

Political Mythology Ernst Cassirer Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Mythology Ernst Cassirer free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Mythology Ernst Cassirer free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Mythology Ernst Cassirer free PDF files is

convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Mythology Ernst Cassirer. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Mythology Ernst Cassirer any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Mythology Ernst Cassirer Books

1. Where can I buy Political Mythology Ernst Cassirer books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Mythology Ernst Cassirer book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Mythology Ernst Cassirer books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
