**Spectacular Blackness** Amy Abugo Ongiri, 2010 Exploring the interface between the cultural politics of the Black Power and the Black Arts movements and the production of postwar African American popular culture Amy Ongiri shows how the reliance of Black politics on an oppositional image of African Americans was the formative moment in the construction of authentic blackness as a cultural identity While other books have adopted either a literary approach to the language poetry and arts of these movements or a historical analysis of them Ongiri's captures the cultural and political interconnections of the postwar period by using an interdisciplinary methodology drawn from cinema studies and music theory She traces the emergence of this Black aesthetic from its origin in the Black Power movement's emphasis on the creation of visual icons and the Black Arts movement's celebration of urban vernacular culture

*Norman Podhoretz* Thomas L. Jeffers, 2010-06-14 This is the first biography of the Jewish American intellectual Norman Podhoretz longtime editor of the influential magazine *Commentary* As both an editor and a writer he spearheaded the countercultural revolution of the 1960s and after he broke ranks the neoconservative response For years he defined what was at stake in the struggle against communism recently he has nerved America for a new struggle against jihadist Islam always he has given substance to debates over the function of religion ethics and the arts in our society The turning point of his life occurred at the age of forty near a farmhouse in upstate New York in a mystic clarification It compelled him to unlearn much that he had earlier been taught to value and it also made him enemies Revealing the private as well as the public man Thomas L. Jeffers chronicles a heroically coherent life

*True Prep* Lisa Birnbach, 2011-11-01 The author of *The Official Preppy Handbook* evaluates the world of preppies thirty years later tracing how this generation has adapted to such modern challenges as the Internet cell phones and political correctness

**Chicano Politics and Society in the Late Twentieth Century** David Montejano, 1999 The various protest movements that together constituted the Chicano Movement of the 1960s and 1970s urged a politics of inclusion to bring Mexican Americans into the mainstream of United States political and social life This volume of ten specially commissioned essays assesses the post movement years asking what went wrong what went right and where are we now Collectively the essays offer a wide ranging portrayal of the complex situation of Mexican Americans as the twenty first century begins The essays are grouped into community institutional and general studies with an introduction by editor Montejano Geographically they point to the importance of Hispanic politics in the Southwest as well as in Chicago wards and in the U S Congress with ramifications in Mexico and Central America Thematically they discuss non traditional politics stemming from gender identity environmental issues theatre production labor organizing university policymaking along with the more traditional politics revolving around state and city government the Congressional Hispanic Caucus and various advocacy organizations

Exploring the City Ulf Hannerz, 1980 A bold attempt to provide a coherent and unified theoretical understanding of urbanism that draws upon history sociology and geography to bring intellectual unity to the history and development of

urban anthropology      **The American Popular Novel After World War II** David Willbern, 2013-04-05 Through the perspectives of selected best selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye* *To Kill a Mockingbird* *The Godfather* *Jaws* *Beloved* *The Silence of the Lambs* and *Jurassic Park* this book examines the crucial issues the U S was experiencing during those decades These novels represent the voices of popular conversations as Americans considered issues of family class racism and sexism feminism economic ambition sexual violence war law religion and science Through the windows of fiction the book surveys the Cold War and anti communism the prefeminist era of the 1950s and the sexual revolution of the 1970s forms of corporate power in the 1960s and 1980s the traumatic legacies of slavery and Vietnam the American fascination with lawyers cops and criminals alternate styles of romance in the era of late capitalism our abiding distrust of science and our steadfast wonder about the Great Mysteries      *Beyond* Fred M. Frohock, 2010-03-03 Is death the final event in human life or does another existence follow What are the signs and possible proofs of such continuity Such questions have sparked speculation in philosophy religion art and science throughout human history and remain a familiar concern for even the most casual observer of the human condition In his provocative new book Fred Frohock explores the possibility that our existence is neither defined by nor limited to the purely physical nor is it terminated at death Fearlessly pursuing such a sensitive subject Frohock suggests that death's domain may not be quite the undiscovered country lamented by Hamlet He wades boldly into the debates between hardcore materialists and devout spiritualists provides glimpses of recent findings in brain research the so called mind body problem and consciousness studies and in general offers an idiosyncratic introduction to some of the most provocative and least understood aspects of what we call conscious life In the process he provides fresh insights into the narratives claims and conundrums associated with life after death near death and out of body experiences reincarnation and a host of psychic phenomena that continue to puzzle the experts Demonstrating a keen grasp of subjects ranging from neurochemistry to popular culture Frohock is a sure footed tour guide through a richly diverse field of research He considers what past life regression therapy suggests about reincarnation assessing the credibility of pioneering research by Brian Weiss and Ian Stevenson He introduces readers to the work of the University of Virginia's Near Death Experience Project with reports stretching back 35 years and the Human Consciousness Project's study of 1 500 survivors of cardiac arrest And he contemplates whether people in permanent vegetative states like Terri Schiavo and Sunny von Blow are alive or not and what these transitional states tell us about death Leavened with humor and a Renaissance style intellect that draws in Tolstoy and Hemingway along with films like *Solaris* and *Blade Runner* Frohock's deep meditations are deftly interposed with brief fictional interludes that humanize his book's more abstract dimensions while exploring claims about the supernatural Approaching the world's most baffling subjects with a critical eye an open mind and an agnostic's heart *Beyond* looks beyond the last threshold and points the way toward a better understanding of human existence      *The Multicultural Mystique* H. E. Baber, 2010-12 Argues that anyone who favors

the expansion of individual liberty should reject a multiculturalism that restricts personal freedom by classifying and identifying people on the basis of unchosen characteristics such as ancestry and appearance **New York Magazine**, 1993-04-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Opacity of Narrative** Peter Lamarque, 2014-03-25 What is narrative What is distinctive about the great literary narratives In virtue of what is a narrative fictional or non fictional In this important new book Peter Lamarque one of the leading philosophers of literature at work today explores these and related questions to bring new clarity and insight to debates about narrative in philosophy critical theory and narratology He highlights opacity as a feature of literary narratives and examines the implications for our understanding of fictional worlds and fictional characters Throughout he challenges received views about narrative questioning the indispensability of narrative in an individual's self conception and the importance of both truth and emotion as measures of literary greatness He reflects on the non fiction novel arguing that it does not weaken the distinction between fiction and non fiction The book offers a compelling and original account of these and other issues making a critical contribution to topical and wide ranging debates *Goodbye Mexico* Phillip Jennings, 2017-12-04 Remember when our alphabet agencies CIA DIA NSA FBI were actually competent Are you sure Maybe they were just better at burying their mistakes *Relations in Public* Erving Goffman, 2017-07-28 Until recently to be in a public place meant to feel safe That has changed especially in cities Urban dwellers sense the need to quickly react to gestural cues from persons in their immediate presence in order to establish their relationship to each other Through this communication they hope to detect potential danger before it is too late for self defense or flight The ability to read accurately the informing signs by which strangers indicate their relationship to one another in public or semi public places without speaking has become as important as understanding the official written and spoken language of the country In *Relations in Public* Erving Goffman provides a grammar of the unspoken language used in public places He shows that the way strangers relate in public is part of a design by which friends and acquaintances manage their relationship in the presence of bystanders He argues that taken together this forms part of a new domain of inquiry into the rules for comingling or public order Most people give little thought to how elaborate and complex our everyday behavior in public actually is For example we adhere to the rules of pedestrian traffic on a busy thoroughfare accept the usual ways of acting in a crowded elevator or subway car grasp the delicate nuances of conversational behavior and respond to the rich vocabulary of body gestures We behave differently at weddings at meals in crowds in couples and when alone Such everyday behavior though generally below the level of awareness embodies unspoken codes of social understandings necessary for the orderly

conduct of society      *The Vanishing American Dream* Gene Ludwig, 2020-09-22 As we remap our economy we have an opportunity to rebuild the American Dream for the long term The gap between low and moderate income Americans and their wealthier counterparts has become unconscionably wide A post pandemic economic recovery presents an opportunity to address this deeper troubling challenge and to rectify the economic injustice that threatens so many Americans In 2019 founder and CEO of Promontory Financial Group Gene Ludwig gathered a bipartisan group of the nation's foremost economic thinkers academics and politicians CEOs and former presidential advisors to break with convention and candidly discuss that widening gap *The Vanishing American Dream A Frank Look at the Economic Realities Facing Middle and Lower Income Americans* comes from their insights The opportunity to rebuild our economy should inspire the most important conversations and ideas of our time The dialogue captured in this book provides broad and experienced perspectives on inequality and policy shortcomings along with examples of ideas that have successfully narrowed the wealth gap from government investment to the role of the private sector Combining expertise with optimism *The Vanishing American Dream* invites readers to take a seat at the table for a bracing look at the road back to widespread opportunity security and prosperity With Contributions By Sarah Bloom Raskin Glenn Hubbard Deval Patrick Robert Shiller Larry Summers Luke Bronin Daryl Byrd Oren Cass Jacob Hacker Heather Gerken Susan Krause Bell Andrea Levere Zachary Liscow Jonathan Macey Daniel Markovits Mary Miller Michael Moskow David Neville Steven Pearlstein Isabel Sawhill Jay Shambaugh Anika Singh Lemar and Andrew Tisch      **Your Life as Story** Tristine Rainer, 1998-04-13 In *Your Life As Story* autobiography expert Tristine Rainer explains how we can all find the important messages in our lives Like Mary Karr or Frank McCourt we can shape those stories into dramatic narratives that are compelling to others Blending literary scholarship with practical coaching Rainer shares her remarkable techniques for finding the essentials of story structure within your life's scattered experiences Most important she explains how to treasure the struggles in your past and discover the meaning within those experiences to capture the unique myth at work in your life      *Colonial Inscriptions* Carolyn Martin Shaw, 1995

**Subculture** Dick Hebdige, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies *New Accents* is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study      **In Search of the Black Panther Party** Jama Lazerow, Yohuru Williams, 2006-10-31 Interdisciplinary essays reevaluate the Black Panthers and their legacy in relation to revolutionary violence radical ideology urban politics popular culture and the media      **A Woman of the Times** Marilyn S.
