Dorgan,2015-06-09 Our trade deficit increases by 2 billion a day Pharmaceutical companies and their lobbyists have such influence in Washington that Medicare by current law is not allowed to negotiate lower drug prices We import oil on an ever increasing scale putting ourselves into debt with the Saudis the Kuwaitis and other Middle Eastern nations With their windfall profits they continue to buy American assets China's booming economy and

abundance of cheap labor are threatening our economic survival We have mortgaged our fortunes our principles and our way of life In this comprehensive look at the real human toll of America's unsound trade policy Senator Byron Dorgan exposes the myth of free trade Indeed free trade is not free it is something that is slowly but surely draining away American prosperity Sure Chinese labor can drive down prices at Wal Mart at the same time however those saved wages dollars that would have gone to buy these cheaper goods are gone Too soon it will all come crashing down Major U S corporations continue to ship jobs overseas by the millions and because of their influence in Washington avoid paying a king's ransom in taxes Many billions of dollars that these companies fleece from the government and the American people go overwhelmingly to investments in expanding production capabilities overseas In short our government is in the grip of corporate and foreign interests and the American worker has borne the brunt of this culture of corruption How can we stem the tide of outsourcing Why has the White House done nothing Will the middle class survive From describing corporate profiteering to calling to action a lethargic inactive government Byron Dorgan exposes the truth about the destructive relationship between corporations and Congress and proposes strategies for what can really be done to preserve America's preeminence in the world

Good Comes First S. Chris Edmonds, Mark S. Babbitt, 2021-09-28 Discover the practical step by step guide to creating a workplace culture that's better for employees customers and stakeholders and your company's bottom line For decades talented people have tolerated old school leaders who put results before respect toxic company cultures and workplaces that suck But those days are over and if leaders want to attract and retain the best employees while improving productivity customer service employee satisfaction and profits it's time for them to create work cultures where good comes first The problem is that because the corporate world has too often been driven primarily by results we seldom ask leaders to change their work cultures Even if we did most leaders don't know how This book provides the actionable inspiration and practical direction needed to make that change happen In Good Comes First S Chris Edmonds and Mark S Babbitt go beyond theoretical advice using their combined 50 years of experience to present proven strategies for creating purposeful positive

and productive work cultures Cultures where good comes first for employees customers leaders and stakeholders and where improved business outcomes quickly follow In these pages readers will learn to Appreciate why a good comes first culture is a business imperative especially for younger generations Distance yourself from the competition that maintains its undefined work culture one that most likely sucks Identify what good means for your company in today s business climate and in the future of work Define your uncompromising work culture as you build a foundation of respect AND results Formalize your team s servant purpose so that everyone understands how what your team does improves lives and communities Specify respectful behaviors so your desired values are observable tangible and measurable Align your entire organization to your desired work culture where good comes first every day Assess the quality of your current work culture by measuring and monitoring how well your leaders and your executive team demonstrate your servant purpose valued behaviors strategies and goals Hold everyone accountable for both respect and results through modeling celebrating measuring coaching and mentoring leaders and team members Implement real needed change and quit thinking and talking about change but never really get change started Become a change champion while creating a lasting legacy as a business leader Build a team of good people doing good work in a good company What s more Good Comes First shows you where potential barriers to success hide and how to push through them and illuminates the moments when you ll feel the most satisfaction and gain the most traction After reading this book you will see that when done right change is not only possible it s practical powerful and profitable And you will realize that you are the right person at the right time to make that change happen

New York Magazine ,1992-03-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

I Hated, Hated, Hated This Movie Roger Ebert,2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert s most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting

moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you re sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don t know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you ll want to distance yourself from but Roger Ebert s creative and comical musings on those films make for a book no movie fan should miss **New York Magazine** ,1992-03-09 New York magazine was born in 1968
