Lady

Ragged Lady

William Dean Howells

Ragged Lady:

Ragged Lady William Dean Howells, 1908 Ragged Lady William Dean Howells, 2020-07-28 Reproduction of the original *Ragged Lady* by William Dean Howells **Ragged Lady** William Dean Howells, 1899 **The Ragged Lady** William Dean Howells, 2015-01-08 William Dean Howells 1837 1920 was an American realist author and literary critic He wrote his first novel *Their Wedding Journey* in 1871 but his literary reputation really took off with the realist novel *A Modern Instance* published in 1882 which describes the decay of a marriage His 1885 novel *The Rise of Silas Lapham* is perhaps his best known describing the rise and fall of an American entrepreneur in the paint business His social views were also strongly reflected in the novels *Annie Kilburn* 1888 and *A Hazard of New Fortunes* 1890 While known primarily as a novelist his short story *Editha* 1905 included in the collection *Between the Dark and the Daylight* 1907 appears in many anthologies of American literature Howells also wrote plays criticism and essays about contemporary literary figures such as Ibsen Zola Verga and especially Tolstoy which helped establish their reputations in the United States He also wrote critically in support of many American writers It is perhaps in this role that he had his greatest influence **Ragged Lady** William D. Howells, 2006 **The Disagreeable Woman: A Social Mystery** Horatio Jr. Alger, 2021-05-20 In *The Disagreeable Woman A Social Mystery* Horatio Jr Alger intricately weaves a tale set against the backdrop of 19th century American society delving into themes of class struggle gender roles and societal expectations The narrative features a protagonist whose unconventional disposition challenges the norms of her time embodying a literary style reminiscent of Alger's contemporaries in realism with vivid characterizations and a keen observational eye Through engaging dialogue and cleverly constructed plots the novel explores the tension between individual desires and societal constraints prompting readers to ponder the complexities of social interactions and personal identity Horatio Alger known for his works that often glorify the rags to riches narrative utilizes his own experiences and social awareness to shed light on the less favorable aspects of societal behavior With a penchant for advocating for the marginalized Alger's insights into the struggles of women during his era reveal his sensitivity to gender inequities a reflection of a rapidly changing America His unique perspective as a chronicler of social mores allows him to tackle issues of morality and resilience in an increasingly industrialized landscape For readers seeking a discerning exploration of societal dynamics through the lens of a strong female character *The Disagreeable Woman* is a compelling read It encourages reflection on the tensions between personal freedom and social obligation compelling readers to engage with Alger's thoughtful critique of their own cultural paradigms **Ragged Lady** William Dean HOWELLS, 1899 *The Odd Women* George Gissing, 2019-11-21 In George Gissing's seminal novel *The Odd Women* the author deftly explores the complex social dynamics surrounding women's independence in late Victorian England Through a narrative rich in psychological depth and vivid characterizations Gissing delves into the lives of a group of unmarried women grappling with societal expectations and their personal aspirations The text stands out for its critical examination of gender

roles and its pioneering perspective on feminism showcasing Gissing's masterful command of realism infused with an empathetic understanding of his characters' struggles. The intricate interplay between individual desires and societal mores renders this work both poignant and prescient in its commentary on the evolving role of women. George Gissing, an influential but often underappreciated figure of the 19th-century literary landscape, was deeply affected by his own experiences with poverty and education, which informed his portrayal of marginalized individuals. His keen observations of the socio-economic conditions of the time are encapsulated in *The Odd Women*, where he advocates for women's autonomy and critiques the rigid structures of matrimony. Gissing's background as a literary critic and his personal encounters with the challenges faced by women provided him with a unique lens through which to explore these themes. I highly recommend *The Odd Women* for readers seeking a thought-provoking narrative that combines literary elegance with social critique. Gissing's exploration of female agency and his empathetic storytelling will resonate with contemporary audiences, offering a compelling reflection on the enduring complexities of gender and identity. This novel is not just a historical artifact but a vibrant discussion that remains remarkably relevant today.

Ragged Lady William Dean Howells, 2015-06-26 Excerpt from *Ragged Lady* A Novel
It was their first summer at Middlemount and the Landers did not know the roads. When they came to a place where they had a choice of two, she said that now he must get out of the carry-all and ask at the house standing a little back in the edge of the pine woods which road they ought to take for South Middlemount. She alleged many cases in which they had met trouble through his perverse reluctance to find out where they were before he pushed rashly forward in their drives. Whilst she urged the facts, she reached forward from the back seat where she sat and held her hand upon the reins to prevent his starting the horse, which was impartially cropping first the sweet fern on one side and then the blueberry bushes on the other side of the narrow wheel track. She declared at last that if he would not get out and ask, she would do it herself, and at this the dry little man jerked the reins in spite of her, and the horse suddenly pulled the carry-all to the right and seemed about to upset it.

About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. Ragged Lady William Dean Howells, 2017-12-04 Excerpt from *Ragged Lady* A Novel
Thank you, said Mrs. Lander, and she pushed her husband to make him say something too, but he remained silently intent upon the child's prettiness, which her blue eyes seemed to illumine with a light of their own. She had got hold of the door now and was using it as if it was a piece of drapery to hide not only the tear in her gown but somehow both her bare feet. She leaned out beyond the edge of it and then at moments she vanished altogether behind it.
