Raging Of The Sea The:

The Deep Things of God Thomas Pulickal, 2020-03-03 This book unfolds the eternal truths about the kingdom of God through the eight parables described in the gospel of Matthew chapter 13 emphasising Christ as the person of the fulfilment of all the types shadows figures pictures symbols illustrations patterns events feasts ceremonies rituals sacrifices people promises prophecies and even the various laws of the old covenant These parables expose the three fold aspect of the judgement by which the old covenant remains completely abolished The first was when Christ crucified Adam in His body of flesh and separated Adam from Himself The second was when Christ as the Son of Man appeared in judgement over the nation of Israel and the temple in A D 70 through the Roman army destroying the entire old covenant system The third is the subjective experience of the objective reality of Christ s death to be manifested in each one of us personally through the new birth when we identify ourselves with Him by bearing His death and live by His life All the Parables concern themselves with the kingdom of God which is a spiritual kingdom formed within us when our created or soulish life is replaced with the divine life of God in Christ Jesus Since only Christ lives in His kingdom He invites us to live in and by Him who alone is the life thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam the living soul or the realm of death into Christ the life giving Spirit or the realm of life The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind irrespective of denomination caste colour creed and nationality live in and by the life of the One who died and rose for them establishing them in the Father

What does God want to say *The Leviathan Factor* Lawrence E. Burkholder, 2017-01-12 The Leviathan Factor tells the incredible story of how Satan created as Lucifer the morning star self transformed into Leviathan God s serpentine arch foe When he tried to achieve immortality by tweaking creation s lowest level laws a sophisticated computer automaton he created death instead As the serpent he reappeared in the Genesis tree of good and evil where he seduced humans to attempt immortality apart from covenant with God Leviathan is responsible for the false belief that we each have an inner

De Graaff,2025-06-20

Scripture's compelling message of love and justice is powerfully relevant for today. The implications of the Amsterdam way of interpreting Scripture are evident throughout the book. It is both a personal and timely way of speaking to our disintegrating society. The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible. As one of the founders of the Amsterdam way of interpretation, Karel Deurloo stated, "The opportunity to learn anew and understand the language of the Bible has been taken away. Often the focus is on the assumed origin and history of a text: a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches. Instead, Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today. This alternative is rooted in the Hebrew Scriptures. Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters. Hence the choice of subtitle: Rediscovering the Old Testament. It is a joyful journey of discovery finding new meaning in the Bible for our lives."

The Complete Concordance to Shakespeare Mary Cowden Clarke, 1886

Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25

Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture. James Resseguie suggests that this approach to reading the Bible treats the text as a self-contained unit and avoids complications raised by other critical methods of interpretation. Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text. He then devotes chapters to the principal rhetorical devices: setting, point of view, character, rhetoric, plot, and reader. Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible.

Dare to Be a Daniel Amos Olutola Fadiran, 2021-07-07

An awakening call to all Christians to prove the omnipotence of our God to the world as we manifest excellent wisdom, provide solutions to teething national and international problems and carry out spectacular exploits that would compel unbelievers to fear God, acknowledge His sovereignty, bow down to worship His majesty and come to the realization that the Most High God rules in the kingdom and affairs of men. This is the challenge that the life and ministry of Daniel pose to Christians today. Imagine a scenario where the king of the most powerful and dreadful nation of that time fell down prostrate before the young captive Daniel. The king literally idolized him, ordered that an offering of incense be made to Daniel and exclaimed reverently, "Truly your God is the God of gods, the Lord of kings and the Revealer of Secrets." All these happened because to the utter dismay of King Nebuchadnezzar, Daniel through prayer and God's gifts revealed and interpreted the king's untold dream. By this feat, Daniel and his friends were greatly promoted while God's name was highly glorified and honoured. God made them to excel far above their colleagues. This book further makes us appreciate that with an adequate knowledge of our God, a readiness to please Him by keeping ourselves pure, a rugged faith and an unwavering loyalty to Him, there is no limit to which God can use our lives and ministries to prove His majesty just as He did through Daniel and his companions. By manifesting these traits, the burning furnace was turned to an air.

conditioner and the mouths of dreadful lions were locked This book encourages Christians from all walks of life to prayerfully demonstrate these traits as Daniel did so that we can impact the world around us positively for God This book is an expository on how Christians can receive divine guidance regularly and specifically as it carefully unveils the requisite processes e g through God s Word by Spirit filled Counsellors and overwhelmingly by the Holy Spirit The author shares his own practical experiences in these regards It reveals how parents can develop intimacy with their children that would enhance winning them for Christ and help them to fulfil destiny This is an inevitable book for all who desire excellence in life and ministry as it systematically details the divine steps for the attainment and maintenance of excellence in these respects The book should be a hot cake for genuine result oriented intercessors as it uses Daniel s life to expound on how to become an excellent intercessor Through rugged faith in God coupled with unrelenting prayers a Christian can always emerge victorious over fierce trials and enemy gang ups to bring glory to God s Name This book can be rightly described as a handbook for Christian youths as well as an important guidebook for all Christians Through the help of the Holy Spirit it offers in depth details on how Christian youths can positively use their energy without manifesting youthful exuberance conduct themselves wisely in the fear of God do exercises towards righteousness be on fire for the Lord and yet be humble and obedient It shows how they can choose godly companions become responsible and respectable in the community and in the Church soar into prominence and fulfill their God ordained destinies in life A reviewer described it as a book that is conceived from the womb of the Holy Spirit timely apt and heart warming Another reviewer referred to it as an exquisite treasure a compendium of sorts from being a Bible study material a book replete with life cum personal experiences a prayer manual and a visibly recognized Holy Spirit inspired Ministry Instruction Manual The prayer box at the end of each chapter provides a set of prayers which if thoroughly applied would surely transform the reader into a Daniel in his or her operational base be it at home school work place church or the society at large Lessons from Heaven's Borderland Bill
