Raglan From The Peninsula To The Crimea:

Raglan John Sweetman, 1993-01-01 **The Charge of the Light Brigade** John Grehan, 2017-03-30 A compelling portrait of the fateful Crimean War cavalry charge told through the soldiers own words Historical Novels Review The most notorious and most contentious cavalry charge in history still remains an enigma Though numerous books have been written about the charge all claiming to reveal the truth or to understand the reason why exactly what happened at Balaklava on October 25 1854 continues to be fiercely debated Voices from the Past The Charge of the Light Brigade relives that fateful day not through the opinions of historians but from the words of those that were there This is the story of the charge told by the soldiers of both sides in the most detailed description of the Battle of Balaklava yet written Gallop with the light dragoons and lancers into the mouths of the Russian cannon as the shells and cannonballs decimate their ranks Read of the desperate efforts to return down the Valley of Death as the enemy pressed around the remnants of the Light Brigade and of the nine Victoria Crosses won that day Possibly more significant are the accusations and counter arguments that followed the loss of the Light Brigade Just who was responsible for that terrible blunder The leading figures all defended their own positions leading to presentations in Parliament and legal action Yet one of those senior figures made an astonishing admission immediately after the battle only to change his story when the charge became headline news Just who was it that made the fatal error that cost the British Army its Light Brigade Quotations from contemporary sources skillfully woven together How literate those Victorians were even the private soldiers Historical Novels Review **Wellington's Men Remembered**

Volume 2 Janet Bromley, David Bromley, 2020-01-31 Wellington s Men Remembered is a reference work which has been compiled on behalf of the Association of Friends of the Waterloo Committee and contains over 3 000 memorials to soldiers who fought in the Peninsular War and at Waterloo between 1808 and 1815 together with 150 battlefield and regimental memorials in 24 countries worldwide **General Sir James Scarlett** Martin Sheppard, 2022-02-03 The morning of the Battle of Balaklava on 25 October 1854 saw a desperate charge against a greatly superior Russian force Epitomised by the reckless courage of the British cavalry in the face of heavy odds the charge was a complete success putting the Russians to flight This charge was not that of the Light Brigade which took place later the same day but that of the Heavy Brigade under the command of General James Scarlett Caught by surprise Scarlett dressed the three hundred men nearest to him placed himself well ahead of them and charged uphill to an extraordinary and unlikely victory The Charge of the Heavy Brigade a resounding success has unjustly been overshadowed by the blunders that led to the heroic defeat of the Charge of the Light Brigade James Scarlett himself has also been unfairly ignored due the focus on the enmity between the Earls of Cardigan and Lucan The strategic significance of the Heavy Brigade s victory preventing the Russians capturing the key British base the port of Balaklava has been overlooked as has General Scarlett s decisive part in thwarting Russia s best chance of winning the Crimean War Although his heroic leadership at Balaklava was undoubtedly the most important event in James Scarlett s

life he had a long and distinguished military career before and after the Crimean War Based on his own previously unpublished letters including a long description of his day at Balaklava General Sir James Scarlett is the first book focused on a remarkable soldier *British Military Intelligence in the Crimean War, 1854-1856* Stephen M. Harris,2018-12-07 This is a study of the British military intelligence operations during the Crimean War It details the beginnings of the intelligence operations as a result of the British Commander Lord Raglan s need for information on the enemy and traces the subsequent development of the system International Encyclopedia of Military History James C. Bradford,2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history Professional Journal of the United States Army ,2008 The Popular History of England from the Earliest Times to the Year 1848 Philip Smith,1883 **The First VCs** John Grehan,2016-10-31 Officers led and men followed all were expected to do their duty without thought of reward Enlisted men rarely penetrated the officer ranks and promotion owed more to money than merit Then came the Crimean War The incompetence and ineffectiveness of the senior officers contrasted sharply with the bravery of the lower ranks Fuelled by the reports from the first ever war correspondents which were read by an increasingly literate public the mumblings of discontent rapidly grew into a national outcry Questions were asked in Parliament answers were demanded by the press why were the heroes of the Alma Inkerman and the Charge of the Light Brigade not being recognised Something had be done That something was the introduction of an award that would be of such prestige it would be sought by all men from the private to the Field Marshal It would be the highest possible award for valour in the face of the enemy and it bore the name of the Queen for whom the men fought This is the story of how the first Victoria Crosses were attained in the heat of the most deadly conflict of the nineteenth century It is also an examination of how the definition of courage as recognised by the awarding of VCs evolved from saving the regimental colours at the Alma to saving a comrade in the No Mans Land before Sevastopol The Crimean War Hugh Small,2018-03-19 The Crimean War was the most destructive conflict of Queen Victoria s reign the outcome of which was indecisive most historians regard it as an irrelevant and unnecessary conflict despite its fame for Florence Nightingale and the Charge of the Light Brigade Here Hugh Small shows how the history of the Crimean War has been manipulated to conceal Britain s and Europe s failure The war governments and early historians combined to withhold the truth from an already disappointed nation in a deception that lasted over a century Accounts of battles still widely believed gave fictitious leadership roles to senior officers Careful analysis of the fighting shows that most of Britain s military successes in the war were achieved by the common soldiers who understood tactics far better than the officer class and who acted usually without

orders and often in contravention of them Hugh Small's mixture of politics and battlefield narrative identifies a turning point in history and raises disturbing questions about the utility of war The Life and Times of Queen Victoria, with which is Incorporated "The Domestic Life of the Queen" by Mrs Oliphant ; Illustrated with Numerous Portraits, Views, and Historical Pictures Robert Wilson,1901 The Life and Times of Queen Victoria Robert Wilson,1887 Military Review ,2008

Ireland and the Crimean War David Murphy,2002 Murphy's is the first book to evaluate all levels of Irish involvement in the Crimean War 1854-6 In this assessment Murphy shows that the Irish formed a large part of the British army and the Royal Navy during that war He explores the role of Irish men and women in the support services and other capacities such as chaplains engineers navvies and medical personnel and he discusses the level of Irish public interest in the war and the impact of the Crimean War on Irish society in the 1850s Murphy is a graduate of U College Dublin and Trinity College Dublin and is currently working on the Royal Irish Academy's Dictionary of Irish Biography The book is distributed by ISBS
