**Hew Strachan**

## **Ragtime Soldiers The Rhodesian Experience In The First World War:**

*Ragtime Soldiers* Peter McLaughlin, 1980      **The Outbreak of the First World War** Hew Strachan, 2004 Professor Strachan brings his trademark clarity of thought and lucid expository style to bear on the long contested ground of the causes of the First World War      **Black Soldiers in the Rhodesian Army** M. T. Howard, 2024-02-08 During Zimbabwe's war of liberation 1965-80 fought between Zimbabwean nationalists and the minority white Rhodesian settler colonial regime thousands of black soldiers volunteered for and served in the Rhodesian Army This seeming paradox has often been noted by scholars and military researchers yet little has been heard from black Rhodesian veterans themselves Drawing from original interviews with black Rhodesian veterans and extensive archival research M T Howard tackles the question of why so many black soldiers fought steadfastly and effectively for the Rhodesian Army demonstrating that they felt loyalty to their comrades and regiments and not the Smith regime Howard also shows that units in which black soldiers served particularly the Rhodesian African Rifles were fundamental to the Rhodesian counter insurgency campaign Highlighting the pivotal role black Rhodesian veterans played during both the war and the tumultuous early years of independence this is a crucial contribution to the study of Zimbabwean decolonisation      The First World War Hew Strachan, 2003-02-06 This is the first truly definitive history of the First World War the war that has done most to shape the twentieth century The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events More recent approaches have embraced cultural diplomatic economic and social history In Hew Strachan's authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative The result is an account that breaks the bounds of national preoccupations to become both global and comparative To Arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it It provides full and pioneering accounts of the war's finances of the war in Africa and of the Central Powers bid to widen the war outside Europe      **Decolonisation, Identity and Nation in Rhodesia, 1964-1979** David Kenrick, 2019-11-02 This book explores concepts of decolonisation identity and nation in the white settler society of Rhodesia now Zimbabwe between 1964 and 1979 It considers how white settlers used the past to make claims of authority in the present It investigates the white Rhodesian state's attempts to assert its independence from Britain and develop a Rhodesian national identity by changing Rhodesia's old colonial symbols and examines how the meaning of these national symbols changed over time Finally the book offers insights into the role of race in Rhodesian national identity showing how portrayals of a timeless black population were highly dependent upon circumstance and reflective of white settler anxieties Using a comparative approach the book shows parallels between Rhodesia and other settler societies as well as other post colonial nation states and even metropolises as themes and narratives of decolonisation travelled around the world      **The First World War: To arms** Hew Strachan, 2001 Contents

Vol 1 To arms     The First World War in Africa Hew Strachan,2004-10-14 To Arms is Hew Strachan s most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a new introduction by the author The First World War was not just fought in the trenches of the western front It embraced all of Africa Many of those who fought this white man s war were black The dangers they confronted went beyond those of the battlefield They fell prey to malaria and dysentery and they were attacked by lions and crocodiles But it was a vast and spectacular theatre of operations in which great personalities thrusting German officers like Paul von Lettow Vorbeck or big game hunters like Peter Pretorius could impose themselves Embracing the perspectives of all the nations who fought there this is the first ever full account of the Great War in Africa

**Britain, Northern Rhodesia and the First World War** Edmund James Yorke,2016-01-12 An insightful account of the devastating impact of the Great War upon the already fragile British colonial African state of Northern Rhodesia Deploying extensive archival and rare evidence from surviving African veterans it investigates African resistance at this time     **The Great War** Ian F. W. Beckett,2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States     *Indigenous Peoples of the British Dominions and the First World War* Timothy C. Winegard,2011-11-03 The first comprehensive examination and comparison of the indigenous peoples of the five British dominions during the First World War     **Soldiers and Settlers in Africa** Stephen M. Miller,2009 This book revisits some of the most significant guerrilla struggles of the late 19th century all set in Africa and remind readers in light of current events the difficulties involved in engaging in this type of conflict     Daily Lives of Civilians in Wartime Africa John Paul Clow Laband Ph.D.,2006-11-30 In most accounts of warfare civilians suffer cruelties and make sacrifices silently and anonymously This volume details the dismal impact war has had on the African people over the past five hundred years from slavery days the Zulu War World Wars I and II to the horrific civil wars following decolonization and the genocide in Rwanda In most accounts of warfare civilians suffer cruelties and make sacrifices silently and anonymously Finally historians turn their attention to those who are usually caught up in events beyond their control or understanding This volume details the dismal impact war has had on the African people over the past five hundred years from slavery days the Zulu War World

Wars I and II to the horrific civil wars following decolonization and the genocide in Rwanda Chapters provide a representative range of civilian experiences during wartime in Africa extending from the late eighteenth century to the present representing every region of Africa except North Africa Timelines glossaries suggested further readings and maps are included and the work is fully indexed The book begins with Paul E Lovejoy s study of the ubiquitous experience of African slavery which has so profoundly affected the development of the continent and the lives of its people John Laband then examines the rise of the Zulu kingdom in the early nineteenth century and its subsequent conquest by Britain thus charting the fate of civilians during the formation of an African kingdom and their experiences during colonial conquest The Anglo Boer War is situated at a crucial crossroads between colonial and modern warfare and the concentration camps the British set up for Boer and African civilians pioneered a new form of modern savagery Bill Nasson examines this war s complex effects on various categories of non combatants in South Africa Because it was under colonial rule Africa was dragged into the two World Wars Tim Stapleton shows in the fourth chapter that while the African civilian response to the war of 1914 1918 was often contradictory and ranged from collaboration to revolt the effect of the conflict was only to confirm colonial rule In the following chapter David Killingray explains how and why the impact of the Second World War on African civilians was rather different from that of the First in that it undid colonial rule and paved the way for the future independence of Africa under modernized African leadership The Portuguese held on to their African empire long after the other colonial empires had relinquished theirs in the 1960s Angola the subject of Chapter six passed seamlessly out of an independence struggle against Portuguese rule into civil war that soon involved Cold War rivalries and interventions Inge Brinkman describes the dismal sufferings and displacement of Angolan civilians during four decades of interminable fighting Liberia and Sierra Leone declined from relative stability and prosperity into horrific civil war and in Chapter seven Lansana Gberie traces the deadly consequences for civilians and the efforts to stabilize society once peace was tentatively restored The Sudan has suffered decades of ethnic and religious strife between the government and the people of the southern and western periphery and in Chapter eight Jane Kani Edward and Amir Idris analyze what this has meant and still means for the myriad civilian victims Chapter nine concludes the book with the most horrific single episode of recent African history the Rwandan genocide Alhaji Bah explains its genesis and canvasses the subsequent search for reconciliation The chapter ends with his discussion of African mechanisms that should and even might be put in place to ensure effective peacekeeping in Africa and so save civilians in future from the swarm of war s horrors

#### **Africa and the First World War** Melvin E

Page,1987-09-22      **The Rhodesian War** Paul L. Moorcraft,Peter McLaughlin,2008-09-22 A military history of the former British colony of Southern Rhodesia now Zimbabwe spanning from 1890 to the 1970s In this exciting book authors Paul Moorcroft and Peter McLaughlin examine the military history of Southern Rhodesia from the first resistance to colonial rule through the period of UDI by the Smith government to the Lancaster House agreement that transferred power They recount

the Rhodesian security forces operations against the Black nationalist guerillas and the intensity of the fighting and courage of the participants will surprise and enthrall readers Atrocities were committed by both sides but equally the protagonists were playing for very high stakes But this is more than just a book on military operations The authors provide expert analysis of the historical situation and examine events up to the present day including Mugabe s operations against rival tribes and white farmers For a thorough work on its subject this book cannot be bettered It is essential reading for those wishing to learn more about a counter insurgency campaign The ingenuity of the Rhodesian military fighting against overwhelming odds and restricted by sanctions is impressive but the outcome culminating in the Lancaster House Agreement was inevitable Praise for The Rhodesian War An outstanding exception to most accounts of the Rhodesian civil war achieved impressive objectivity in concentrating on operational issues Anthony Verrier author of The Road to Zimbabwe The book is full of intrigue and plots South African intelligence wanted to assassinate Mugabe but there might also have been plans afoot to kill of Britain s Prince Charles during his visit to Harare Heidi Kingstone The Star South Africa

**A Guide to British Military History** Ian F. W. Beckett, 2016-06-30 What exactly is military history Forty years ago it meant battles campaigns great commanders drums and trumpets It was largely the preserve of military professionals and was used to support national history and nationalism Now though the study of war has been transformed by the war and society approach by the examination of identity memory and gender and a less Euro centric and more global perspective Generally it is recognised that war and conflict must be integrated into the wider narrative of historical development and this is why Ian Becketts research guide is such a useful tool for anyone working in this growing field It introduces students to all the key debates issues and resources While European and global perspectives are not neglected there is an emphasis on the British experience of war since 1500 This survey of British military history will be essential reading and reference for anyone who has a professional or amateur interest in the subject and it will be a valuable introduction for newcomers to it

African Police and Soldiers in Colonial Zimbabwe, 1923-80 Timothy Joseph Stapleton, 2011 Recruiting and motivations for enlistment Perceptions of African security force members Education and upward mobility Camp life African women and the security forces Objections and reforms Travel and danger Demobilization and veterans

**No Insignificant Part** Timothy J. Stapleton, 2006-04-21 No Insignificant Part The Rhodesia Native Regiment and the East Africa Campaign of the First World War is the first history of the only primarily African military unit from Zimbabwe to fight in the First World War Recruited from the migrant labour network most African soldiers in the RNR were originally miners or farm workers from what are now Zimbabwe Zambia Mozambique and Malawi Like others across the world they joined the army for a variety of reason chief among them a desire to escape low pay and horrible working conditions The RNR participated in some of the key engagements of the German East Africa campaign s later phase subsisting on extremely meager rations and suffering from tropical diseases and exhaustion Because they were commanded by a small group of European officers most of whom were

seconded from the Native Affairs Department and the British South Africa Police the regiment was dominated by racism. It was not unusual for black soldiers but never white ones to be publicly flogged for alleged theft or insubordination. Although it remained in the field longer than all white units and some of its members received some of Britain's highest decorations, the Rhodesia Native Regiment was quickly disbanded after the war and conveniently forgotten by the colonial establishment. Southern Rhodesia's white settler minority, partly on the strength of its wartime sacrifice, was given political control of the territory through a racially exclusive form of self-government, but black RNR veterans received little support or recognition.

No Insignificant Part takes a new look at an old campaign and will appeal to scholars of African or military history interested in the First World War.

**The Last Great Safari** Corey W. Reigel, 2015-04-22

In *The Last Great Safari: East Africa in World War I*, military historian Corey W. Reigel explores a fascinating and misunderstood theater of operations in the history of the First World War. Unprepared for the Great War, colonial units combined modern industrial weapons and equipment with traditional African methods to produce a hybrid force. Throughout *The Last Great Safari*, Reigel challenges myth after myth. Were there really one million Allied soldiers pulled up from Europe to toil in the tropical sun, only to fall victim to local diseases? Did the Germans truly become masters of guerrilla warfare and humiliate the British Empire in what appeared a David versus Goliath conflict? Reigel brings together traditional military studies and African history to explore the myths, fables, and stereotypes that have long characterized examinations of this topic. From questions as to how German East Africa contributed to the fate of the war to claims respecting significant diversion of resources, racism played a significant role in then prevalent definitions of what constituted military success and in how Africans and Indians were recruited, holding more sway in the minds of white armies as a success factor than differences in weapons. Reigel points out how modern methods of medicine and transportation ultimately failed, only to be replaced by a hybrid of industrial Europe and traditional African solutions for dealing with an especially difficult climate. In the end, when necessity came to outweigh then-current ideas of professionalism, did German forces outfight their opponents?

*The Last Great Safari: East Africa in World War I* will interest students of military history, African studies, and World War I, as this tale of colonial warfare within a war of attrition shaped part of Africa's colonial future.

*War and Society: Participation and Remembrance* Albert Grundlingh, 2014-12-01

The centenary of the First World War presents historians with an opportunity to reflect anew upon South African participation in that war and particularly the role played by South African black and coloured participants in the conflict. Drawing upon a wide range of sources, the author analyses the interplay between war and society, the expectations of different groupings at the outbreak of war, the concerns and constraints which circumscribed the role of black and coloured troops, the nature of the recruiting process, and the reasons why men enlisted, the realities of service in what was South West Africa and East Africa, as well as in France and Palestine, and the socio-political ramifications of war service.

**Church and Settler in Colonial Zimbabwe** Pamela Welch, 2008-08-31

This book examines the history of the Anglican Diocese of Mashonaland, Southern Rhodesia.

virtually co extensive with modern Zimbabwe in the period 1890 1925 when its institutions took shape and its religious character was formed While work among indigenous communities is outlined the primary subject is the church s work with white settlers A fresh general narrative is provided and an examination of clergy recruitment and finance relates events in Mashonaland to developments in global Anglicanism Among the questions addressed are those of religion and empire church and state and the complexities of relationship between the Church of England and her overseas extensions particularly those covering areas of white settlement Local developments in religious practice are also explored most striking of these was the settler apprehension of the vast landscapes of South Central Africa as a locus of the sacred and their custom of veld burial

### **Ragtime Soldiers The Rhodesian Experience In The First World War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ragtime Soldiers The Rhodesian Experience In The First World War PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ragtime Soldiers The Rhodesian Experience In The First World War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ragtime Soldiers The Rhodesian Experience In The First World War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Ragtime Soldiers The Rhodesian Experience In The First World War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ragtime Soldiers The Rhodesian Experience In The First World War is one of the best book in our library for free trial. We provide copy of Ragtime Soldiers The Rhodesian Experience In The First World War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ragtime Soldiers The Rhodesian Experience In The First World War. Where to download Ragtime Soldiers The Rhodesian Experience In The First World War online for free? Are you looking for Ragtime Soldiers The Rhodesian Experience In The First World War PDF? This is definitely going to save you time and cash in something you should think about.
