Canadian Geography Thomas A. Rumney, 2009-12-10 *Canadian Geography A Scholarly Bibliography* is a compendium of published works on geographical studies of Canada and its various provinces. It includes works on geographical studies of Canada as a whole, on multiple provinces, and on individual provinces. Works covered include books, monographs, atlases, book chapters, scholarly articles, dissertations, and theses. The contents are organized first by region into main chapters, and then each chapter is divided into sections: General Studies, Cultural and Social Geography, Economic Geography, Historical Geography, Physical Geography, Political Geography, and Urban Geography. Each section is further subdivided into specific topics within each main subject. All known publications on the geographical studies of Canada in English, French, and other languages covering all types of geography are included in this bibliography. It is an essential resource for all researchers, students, teachers, and government officials needing information and references on the varied aspects of the environments and human geographies of Canada.

State and Society in Transition J. Little, 1997-02-24 Using a variety of documentary sources including hundreds of petitions, letters, and reports to the government, Little traces the complex relationship between community life and government regulation. He reveals that at the same time development of responsible government was leading to increasingly centralized authority at the provincial level, a persistent sense of localism was forcing the state to decentralize its new institutions at the community level. The local population of this largely American settled corner of Quebec, Little shows, clearly exerted an important influence on the evolution of the education, legal, social welfare, and municipal systems. *State and Society in Transition* makes a major contribution to the study of state formation in the recently unified province of Canada by taking into account not only the dialectical process between the centre and periphery but also the impact of institutional reform on social and economic development in general.

Railways of Southern Quebec John Derek Booth, 2008-08 *Railways of Southern Quebec Volume II* continues the study begun in *Railways of Southern Quebec Volume I* of various railway companies that operated in Quebec south of the St. Lawrence River. The featured railways illustrate the many diverse elements of 19th century railway construction. Also covered are aspects of the railway network rationalization resulting from railways having lost their transportation primacy to cars and trucks. Volume I dealt with the earliest railways in southern Quebec, including the St. Lawrence and Atlantic, later Canadian National's Grand Trunk, New England line to Portland, as well as railways lying west of the Richelieu River in southern Quebec. Volume II focuses on the central Eastern Townships with the histories of the Waterloo and Magog Railway, the Missisquoi and Black Rivers Valley Railway, and the Orford Mountain Railway. Also covered are other associated lines, including the Canadian Pacific Railway's Short Line, which continued from Megantic, Quebec, to Saint John, New Brunswick, through Maine. There are overviews of several other railway companies, all of which together formed the extensive network of railways that lay south of the St. Lawrence River in Quebec. Volume III examined the history of the Quebec Central Railway, operating in the eastern and

northern margins of the Eastern Townships the QCR primarily a resource railway emerged as the largest regional carrier in Quebec by the beginning of the twentieth century **Fashioning the Canadian Landscape** J.I. Little, 2018-01-01 In his book *Fashioning the Canadian Landscape* J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to America Canada's image was strongly influenced by the picturesque convention favoured by British travel writers **Railroad History**, 1997 *Summary Report of the Department of Mines, Geological Survey for the Calendar Year ...* Geological Survey of Canada, 1914 **Summary Report of the Geological Survey Department ...** Geological Survey of Canada, 1914 **Sessional Papers of the Dominion of Canada** Canada.
