**Kevin D. Lam**

## Rainbow Of Gangs:

**A Rainbow of Gangs** James Diego Vigil, 2010-07-05 Winner Best Book on Ethnic and Racial Politics in a Local or Urban Setting Organized Section on Race Ethnicity and Politics of the American Political Science Association 2002 This cross cultural study of Los Angeles gangs identifies the social and economic factors that lead to gang membership and underscores their commonality across four ethnic groups Chicano African American Vietnamese and Salvadorian With nearly 1 000 gangs and 200 000 gang members Los Angeles holds the dubious distinction of being the youth gang capital of the United States The process of street socialization that leads to gang membership now cuts across all ethnic groups as evidenced by the growing numbers of gangs among recent immigrants from Asia and Latin America This cross cultural study of Los Angeles gangs identifies the social and economic factors that lead to gang membership and underscores their commonality across four ethnic groups Chicano African American Vietnamese and Salvadorian James Diego Vigil begins at the community level examining how destabilizing forces and marginalizing changes have disrupted the normal structures of parenting schooling and policing thereby compelling many youths to grow up on the streets He then turns to gang members life stories to show how societal forces play out in individual lives His findings provide a wealth of comparative data for scholars policymakers and law enforcement personnel seeking to respond to the complex problems associated with gangs Gangs in Garden City Sarah Garland, 2009-06-30 For the past five years journalist Sarah Garland has followed the lives of current and former gang members living in Hempstead on the border of Garden City Long Island Affiliated with Mara Salvatrucha and 18th Street their troubling personal stories expose the cruel realities of segregation racial income gaps and poverty that lie hidden behind suburban white picket fences As Garland travels from Los Angeles to El Salvador and back to the East Coast she reveals a disturbing cycle of poverty in which families fleeing from troubled Central American cities move into America s suburban backyards only to find the pattern of violence repeating itself Brilliantly reported and sensitively told *Gangs in Garden City* draws back the veil on a hidden troubling world *Gangs* Jennifer MacKay, 2010-11-08 According to the FBI 33 000 violent street gangs motorcycle gangs and prison gangs with nearly 1 4 million members are criminally active in the U S today One of the most notorious and dangerous gangs Mara Salvatrucha or MS 13 originated in Los Angeles and has as many as 50 000 members The Justice Department credits gangs with illegal smuggling transportation and distribution of large amounts of drugs in the United States This expansive volume explores the issues surrounding gangs The book tackles the history of gangs in America the relationship between gangs and culture and gangs as businesses *Youth Gangs, Racism, and Schooling* Kevin D. Lam, 2015-09-01 Winner of the American Educational Studies Association 2016 Critics Choice Book Award *Youth Gangs Racism and Schooling* examines the formation of Vietnamese American youth gangs in Southern California Lam addresses the particularities of racism violence and schooling in an era of anti youth legislation and frames gang members as post colonial subjects offering an alternative analysis toward humanization and decolonization Street

Gang Patterns and Policies Malcolm W. Klein, Cheryl L. Maxson, 2010-04-12 This text provides a crucial update and critical examination of our understanding of gangs and major gang control programs across the nation Dispelling the long standing assumptions that the public the media and law enforcement have about street gangs it presents a comprehensive overview of how gangs are organized and structured

**Juvenile Delinquency in a Diverse Society** Kristin A. Bates, Richelle S. Swan, 2023-05-12 Juvenile Delinquency in a Diverse Society Fourth Edition takes a critical approach to juvenile delinquency in the context of real communities and social policies focusing on the issues of race class and gender

**A World of Gangs** John Hagedorn, 2008 On the street with gangs in three world cities Chicago Rio de Janeiro and Capetown Hagedorn discovers that many of them have institutionalized as a strategy to confront a hopeless cycle of poverty racism and oppression The nihilistic appeal of gangsta rap and its ethic of survival by any means necessary he argues provides vital insights into the ideology and persistence of gangs around the world Proposing how gangs can be encouraged to overcome their violent tendencies Hagedorn appeals to community leaders to use the urgency outrage and resistance common to both gang life and hip hop to bring gangs into broader movements for social justice

**Gangs in America's Communities** James C. Howell, 2012 This book provides a comprehensive up to date and theoretically grounded approach to gangs and youth violence It covers significant topics of interest to gang scholars and practitioners and in doing so serves to prepare students to work with gang members develop and manage anti gang programs or engage in scholarly endeavors The book introduces readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs and the distinctions between these arguably different types national and international trends distinguishing features of serious street gangs what works with gangs and what doesn't and myths and realities James Howell's extensive experience in this area allows access to the most authoritative national survey data on gang trends providing insight into topics such as female gangs migration of gang members small town gangs versus the major adult gangs in large cities gang homicides and drug trafficking

**Critical and Intersectional Gang Studies** Jennifer M. Ortiz, 2023-04-13 This book offers a critical and empirical examination of gang life using an intersectional framework considering race class gender and other characteristics The book reexamines mainstream definitions of gangs identifies myths and misconceptions and presents the complex subcultural or countercultural realities of gang members and their associates Special attention is given to the importance of structural violence experienced by gang members and their communities This book also interrogates how mainstream gang research is complicit in the oppression of marginalized individuals who join gangs Assembling contributions from leading experts involved in gang research and the investigation of street gang culture this book provides a perspective often missing in the conversation around gangs Direct input from current and former gang members provides a window into the lived experiences of gang life a picture more accurate and useful than that afforded by the privileged lens often used in gang research Reliance on an intersectional approach fosters a non pathological and critical look at gangs and their members

Critical and Intersectional Gang Studies is intended for students and scholars involved in the study of gangs delinquency and subcultural theory and will serve as a reference for researchers who wish to utilize a progressive critical and intersectional approach to study the impacts of gangs

**No Boundaries** Tom Diaz, 2011-01-25 Tom Diaz has worn out some shoe leather much like a good detective in gathering facts not myths or urban legends As a result he has produced an accurate and comprehensive look at a grave and present danger to our society From the Foreword by Chris Swecker former Assistant Director of the FBI and former head of the FBI's Criminal Investigation Division No Boundaries is a disturbing account of what many consider the next Mafia Latino crime gangs Like the Mafia these gangs operate an international network consider violence a routine matter and defy U S law enforcement at every level Also the gangs spawn kingpins such as the notorious Nelson Varela Martinez Comandari who nearly became the first Latin godfather in the United States Focusing on the Los Angeles based Mara Salvatrucha MS 13 and the 18th Street Gang and the Chicago based Latin Kings Tom Diaz describes how neighborhood gangs evolved into extremely brutal sophisticated criminal enterprises and how local and federal authorities have struggled to suppress them As he makes clear the problem of transnational Latino gangs involves complex national and international issues such as racial tensions immigration policy conflict in Latin America and world economic pressures

**Mano Dura** Sonja Wolf, 2017-01-31 In 1992 at the end of a twelve year civil war El Salvador was poised for a transition to democracy Yet after longstanding dominance by a small oligarchy that continually used violence to repress popular resistance El Salvador's democracy has proven to be a fragile one as social ills poverty chief among them have given rise to neighborhoods where gang activity now thrives Mano Dura examines the ways in which the ruling ARENA party used gang violence to solidify political power in the hands of the elite culminating in draconian iron fist antigang policies that undermine human rights while ultimately doing little to address the roots of gang membership Drawing on extensive ethnographic fieldwork and policy analysis Mano Dura examines the activities of three nongovernmental organizations NGOs that have advocated for more nuanced policies to eradicate gangs and the societal issues that are both a cause and an effect of gang proliferation While other studies of street gangs have focused on relatively distant countries such as Colombia Argentina and Jamaica Sonja Wolf's research takes us to a country closer to the United States where forced deportation has brought with it US gang culture Charting the limited success of NGOs in influencing El Salvador's security policies the book brings to light key contextual aspects including myopic media coverage and the ironic populist support for ARENA despite the party's protection of the elite at the expense of the greater society

*European Street Gangs and Troublesome Youth Groups* Scott H. Decker, Frank M. Weerman, 2005 Although a well known phenomenon in the U S street gangs and other violent and criminal groups\_including racist groups\_exist also in European cities and countries and are of increasing concern in global law enforcement The eminent contributors to this volume present valuable new data on European youth gangs describing important characteristics of these groups and their similarities and differences to American gangs Their findings

from the Eurogang Research Program compare European and American gang interventions and highlight the impact of immigration and ethnicity urbanization national influences and local neighborhood circumstances on gang development in several European countries It is an important resource on crime delinquency and youth development for criminologists sociologists youth workers policy makers local governments and law enforcement professionals Routledge International Handbook of Critical Gang Studies David Brotherton,Rafael Gude,2021-07-28 Routledge International Handbook of Critical Gang Studies is rooted in the instability inequality and liquidity of the post industrial era It understands the gang as a complex and contradictory phenomenon a socio historical agent that reflects responds to and creates a certain structured environment in spaces which are always in flux International in scope and drawing on a range of sociological criminological and anthropological traditions it looks beyond pathological ahistorical and non transformative approaches and considers other important factors that produce the phenomenon whether the historically entrenched racialized power structure and segregation in Chicago the unconstrained state abandoned development of favelas in Brazil or the colonization displacement and dependency of people in Central America This handbook reflects and defines the new theoretical and empirical traditions of critical gang studies It offers a variety of perspectives including A view of gangs that takes into consideration the global context and appearance of the gang in its various forms and stages of development An appreciation of the gang as a socio cultural formation A race ethnic and class analysis of the gang that problematizes domain assumptions such as the underclass Gender variations of the gang phenomenon with a particular emphasis on their intersectional properties Relations between gangs and the political economy that address the dominant mode of production and exchange Treatments that demonstrate the historically contingent nature of gangs and their changes across time The contradictory impact of gang repressive policies institutions and practices as part of a broader discussion on the nature of the state in specific societies and Critical methodologies on gangs that involve discussions of visual and textual representations and the problematics of data collection and analysis Authoritative multi disciplinary and international this book will be of interest to criminologists sociologists and anthropologists alike particularly those engaged with critical criminology sociology youth crime delinquency and global social inequality The Handbook will also be of interest to policy makers and those in the peacebuilding field

*Adiós Niño* Deborah T. Levenson,2013-04-09 In *Adi s Ni o The Gangs of Guatemala City and the Politics of Death* Deborah T Levenson examines transformations in the Guatemalan gangs called Maras from their emergence in the 1980s to the early 2000s A historical study *Adi s Ni o* describes how fragile spaces of friendship and exploration turned into rigid and violent ones in which youth and especially young men came to employ death as a natural way of living for the short period that they expected to survive Levenson relates the stark changes in the Maras to global national and urban deterioration transregional gangs that intersect with the drug trade and the Guatemalan military s obliteration of radical popular movements and of social imaginaries of solidarity Part of Guatemala City s reconfigured social political and cultural milieu with their members

often trapped in Guatemala's growing prison system the gangs are used to justify remilitarization in Guatemala's contemporary postwar post peace era Portraying the Maras as microcosms of broader tragedies and pointing out the difficulties faced by those youth who seek to escape the gangs Levenson poses important questions about the relationship between trauma memory and historical agency **Gang Prevention** James C. Howell, 2011-05 This report presents an overview of gang research and programs in the United States and examines how gangs form and why youth join them It is based on information on research findings and prevention strategies disseminated by the Office of Juvenile Justice and Delinquency Prevention as part of its comprehensive anti gang initiative This report describes how community members can start assessing their gang problems and enhance prevention and intervention activities to help prevent delinquency and gang violence It identifies promising and effective programs for gang prevention Illustrations This is a print on demand edition of an important hard to find publication **Gangs** Scott Barbour, 2006 Presents a collection of articles and questions that debate a variety of topics on the subject of gangs **Abnormal Child and Adolescent Psychology** Linda Wilmschurst, 2017-03-03 Written from a developmental perspective Abnormal Child and Adolescent Psychology is organized around five prominent and recurring themes the course of normal development proceeds in an orderly and predictable direction maladaptive behaviors represent deviations from the normal path maladaptive behavior is represented by a continuum of severity symptoms syndromes disorders based on the degree to which behaviors deviate from the norm individual interpersonal contextual and cultural factors interact in a reciprocal way to influence normal development and abnormal deviations theoretical input from diverse perspectives can guide our understanding of underlying processes that precipitate and maintain behaviors and the different developmental pathways that might result The revision will be divided into 5 sections all integrating the DSM 5 and will include a new chapter on child maltreatment and self injurious behavior **Body Impossible** Ariel Osterweis, 2024 Body Impossible theorizes the concept of virtuosity in contemporary dance and performance through a study of the career of dancer Desmond Richardson Focusing on Richardson's creative insistence on improvisatory fun and excellence throughout the decades approaching the millennium shaped by Reaganism the Culture Wars the AIDS epidemic the New Jim Crow and MTV this book brings dance into conversation with paradigms of blackness queerness masculinity and class in order to generate a socio culturally attentive understanding of virtuosity **Exploring Dance Forms and Styles** Helene Scheff, Marty Sprague, Susan McGreevy-Nichols, 2010 This text and DVD package helps you to introduce students to a variety of dances without having to leave the classroom It includes 39 dance performances and resources for 21 more dance forms **Latinas in the United States, set** Vicki L. Ruiz, Virginia Sánchez Korrol, 2006-05-03 Latinas in the United States A Historical Encyclopedia records the contribution of women of Latin American birth or heritage to the economic and cultural development of the United States The encyclopedia edited by Vicki L Ruiz and Virginia S nchez Korrol is the first comprehensive gathering of scholarship on Latinas This encyclopedia will serve as an essential reference

for decades to come In more than 580 entries the historical and cultural narratives of Latinas come to life From mestizo settlement pioneer life and diasporic communities the encyclopedia details the contributions of women as settlers comadres and landowners as organizers and nuns More than 200 scholars explore the experiences of Latinas during and after EuroAmerican colonization and conquest the early 19th century migration of Puerto Ricans and Cubans 20th century issues of migration cultural tradition labor gender roles community organization and politics and much more Individual biographical entries profile women who have left their mark on the historical and cultural landscape With more than 300 photographs Latinas in the United States offers a mosaic of historical experiences detailing how Latinas have shaped their own lives cultures and communities through mutual assistance and collective action while confronting the pressures of colonialism racism discrimination sexism and poverty Meant for scholars and general readers this is a great resource on Latinas and historical topics connected with them [curledup.com](http://curledup.com)

As recognized, adventure as competently as experience approximately lesson, amusement, as skillfully as understanding can be gotten by just checking out a books **Rainbow Of Gangs** next it is not directly done, you could say yes even more all but this life, on the world.

We manage to pay for you this proper as well as simple way to acquire those all. We manage to pay for Rainbow Of Gangs and numerous books collections from fictions to scientific research in any way. among them is this Rainbow Of Gangs that can be your partner.
