interesting because of its big parties The realm took the art of partying very seriously and came up with new ways to do it As each event got closer there was a buzz of excitement in the air which gave the realm an electric energy Residents of Eldoria who are known for having positive attitudes put their hearts and minds into making beautiful decorations delicious foods and amazing performances The celebrations in Eldoria were a lot to take in When the wind moved the flags they spread a variety of colors across the streets The smell of delicious foods wafted through the air luring people to try the culinary treats of the realm Musicians played happy songs and their works made a joyful symphony that could be heard all over Eldoria The beautiful parties showed how much the realm values life s pleasures and how strong it is when people work together The people of Eldoria knew it was important to appreciate the beauty of nature the bonds of friendship and the successes of the human spirit They knew that even when life was hard celebrating could give people hope bring people together and light the spark of magic that lives in each person Eldoria was full of wonder and magic because it had beautiful scenery magical animals and big events It was a lesson that beauty can be found in every part of the world and that celebration is a global language that can be understood by people from all over the world In Eldoria celebrating life was an art form and a way to show appreciation for the great things around them When people left Eldoria they would remember its amazing beauty the fascinating creatures they met and the joyful celebrations that had moved them They would always remember how much they liked Eldoria It would be a call to come back and get lost in the realm s enchanting embrace once more The wonderful parties in Eldoria became stories that people whispered to each other and storytellers told People far and wide heard about the colorful celebrations in the realm which made them want to see it for themselves People came to Eldoria excited and ready to see the magic it had to give The people who lived there were very proud of their ability to plan really great celebrations They saw each event as a chance to honor their ancestors show off their talent and bring the community closer together The partygoers wore elaborate outfits each of which told a story or showed a certain theme Every detail from the beautifully carved masks to the carefully made decorations was carefully thought out to make a feast for the eyes Music and dancing were part of Eldoria s events There were pleasant sounds in the air that made people want to move to the beat Skilled musicians played traditional instruments adding rhythm and happiness to the atmosphere Dancers twirled and spun with perfect beauty their moves matching the magic of the realm But what made Eldoria s parties stand out was how they made people feel The people who lived there had a welcoming and open society and they invited people from all over the world to join in the fun People who had never met before became friends as they laughed danced and told stories under the stars The realm became a place where people of different races and backgrounds came together because they all loved the wonders of life

RT Book Reviews *Happy at Any Cost* Kirsten Grind, Katherine Sayre, 2022-03-15 From award winning Wall Street Journal reporters a startling portrait of one of our greatest tech visionaries Zappos CEO Tony Hsieh. Robert Kolker author of *Hidden Valley Road* reporting on his short life and untimely death and what they mean for our culture's pursuit of happiness. Tony Hsieh CEO of Zappos Las Vegas developer and all around beloved entrepreneur was famous for spreading happiness. He lived and breathed this philosophy instilling an ethos of joy at his company and outlining his vision for a better workplace in his New York Times bestseller *Delivering Happiness*. He promoted a workplace where bosses treated employees like family members where stress was replaced by playfulness and where hierarchies were replaced with equality and collaboration. His outlook shaped Silicon Valley and the larger business world. Hsieh used his position at work to integrate levity into a normally competitive environment. He aspired to build his own utopian cities pouring millions of dollars into real estate and small businesses first in downtown Las Vegas Nevada where Zappos was

headquartered and then in Park City Utah He gave generously to his employees and close friends including throwing infamous Zappos parties and organizing gatherings at his home an Airstream trailer park When Hsieh died suddenly in November of 2020 the news shook the business and tech world Wall Street Journal reporters Kirsten Grind and Katherine Sayre quickly realized the importance of the story because of Hsieh s stature in the industry but as they dug into the details of his final months they realized there was a bigger story to tell They found that Hsieh s obsession with happiness masked his darker struggles with addiction mental health and loneliness In the last year of his life he spiraled out of control cycling out of rehab and into the waiting arms of friends who enabled his worst behavior even as he bankrolled them from his billion dollar fortune Happy at Any Cost sheds light on one of the most venerated yet vulnerable business leaders of our time It s about our culture s intense need to find happiness at all costs our misguided worship of entrepreneurs the stigmas still surrounding mental health and how the trappings of fame can mask all types of deeper problems In turn it reveals how we conceptualize success and define happiness in our modern age
