Rainbows From Revelation How To Understand The Apocalypse:

Rainbows from Revelation Jim Combs,1994-05-01

The Revelation Rainbow Charles Walter Doughty,2016-07-19

This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion

Apocalyptic Terrorism Frances L. Flannery,2015-08-20 This book explores a cross cultural worldview called radical apocalypticism that underlies the majority of terrorist movements in the twenty first century Although not all apocalypticism is violent in its extreme forms radical apocalypticism gives rise to terrorists as varied as members of Al Qaeda Anders Behring Breivik or Timothy McVeigh In its secular variations it also motivates ideological terrorists such as the eco terrorists Earth Liberation Front or The Unabomber Ted Kaczynski This book provides an original paradigm for distinguishing between peaceful and violent or radical forms of apocalypticism and analyses the history major transformations and characteristics of the apocalyptic thought system Using an inter disciplinary and cross cultural approach this book discusses the mechanisms of radicalization and dynamics of perceived oppression and violence to clarify anew the self identities motivations and goals of a broad swath of terrorists As conventional counter terrorism approaches have so far failed to stem the cycle of terrorism this approach suggests a comprehensive cultural method to combating terrorism that addresses the appeal of radical apocalyptic terrorist ideology itself This book will be of much interest to students of apocalypticism political violence terrorism and counter terrorism intelligence studies religious studies and security studies

The Pith of the Apocalypse

Paul A. Rainbow,2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism

of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding

The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1890 *John among the Apocalypses* Benjamin E. Reynolds,2020-10-22 The Gospel of John has long been recognized as being distinct from the Synoptic Gospels John among the Apocalypses explains John s distinctive narrative of Jesus s life by comparing it to Jewish apocalypses and highlighting the central place of revelation in the Gospel While some scholars have noted a connection between the Gospel of John and Jewish apocalypses Reynolds makes the first extensive comparison of the Gospel with the standard definition of the apocalypse genre Engaging with modern genre theory this comparison indicates surprising similarities of form content and function between John s Gospel and Jewish apocalypses Even though the Gospel of John reflects similarities with the genre of apocalypse John is not an apocalypse but in genre theory terms John may be described as a gospel in kind and an apocalypse in mode John s narrative of Jesus s life has been qualified and shaped by the genre of apocalypse such that it may be called an apocalyptic gospel In the final two chapters Reynolds explores the implications of this conclusion for Johannine Studies and New Testament scholarship more broadly John among the Apocalypses considers how viewing the Fourth Gospel as apocalyptic Gospel aids in the interpretation of John s appeal to Israel s Scriptures and Mosaic authority and examines the Gospel s relationship with the book of Revelation and the history of reception concerning their writing An examination of Byzantine iconographic traditions highlights how reception history may offer a possible explanation for reading John as apocalyptic Gospel

The Scroll , *The Expositor's Bible: The Book of Revelation* William Milligan,2017-02-06 Going over the theological and historical information for this book Milligan gives a comprehensive look at the book of Revelation and the mysteries that have made many people over many generations wonder at its meaning There has always been renewed interest in this Biblical book but until the prophecies have started to happen it will always be a mystery to all of us

The Visions of the Apocalypse and Their Lessons ,1893 **The Acts, the Epistles and the Revelation** James Glentworth Butler,1889 *Jeanne Guyon's Apocalyptic Universe* Jeanne de la Mothe Guyon,2019-03-14 In seventeenth century France Jeanne Guyon 1648 1717 writes about the suffering of the apocalypse followed by the consummation of the second coming Guyon believed that in our earthly

pilgrimage we may find the way to union with our Savior Jesus Christ To read her commentary on Revelation translated into English here for the first time is to be caught up in her conversation with the living Lord We experience the wonder and passion of this conversation which is her authenticity at its highest level As Guyon expresses her love to Jesus Christ the words carry the attentive reader into the heart of God while deepening our own interior being In her commentary on Revelation Guyon interprets Jesus Christ s grace needed for living faithfully during the time of suffering in the apocalypse before the advent of the new heaven and new earth in which believers experience eternal union with God Guyon writes It is your universal reign that I desire O God and about which I am passionate So come Lord Jesus Let the grace of the Lord Jesus prepare us all for the second coming Amen **The Apocalypse Explained: Chapters I-IV** Emanuel Swedenborg,1928
