Residential Life With Children Library Of Social Work:

Social Work in Child Care Elisabeth Pugh,2023-02-13 In the late 1960s the child care service had undergone considerable change and was to change again after the Seeborn Committee had reported Yet its central tasks had become clear preventive work the reception of children into care work with them and their parents during the period of care the selection of foster parents work with foster parents and with residential staff and adoption Originally published in 1968 the present work devotes a chapter to each of these important tasks and examines the role of the child care staff within the local authority department at the time though many of the arguments of the book will also be applicable to the work of the voluntary child care organisations of the day *The New Criminology* Ian Taylor,Ian Taylor, M.B,Paul Walton,Jock Young,2002-11 A major contribution to criminology in which Taylor Walton and Young provide a framework for a fully social theory of crime Library Work with Children Alice Isabel Hazeltine,1917 Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1967 First multi year cumulation covers six years 1965 70 **The Woman Citizen's Library:** **The woman citizen and the home** ,1914 *Children in and Out of Care* Claire Wendelken,1983 The American Woman's Library for the Woman who Would Keep Abreast of the Times: The woman citizen and the home Shailer Mathews,1914 *Papers and Proceedings* American Library Association. Residential Care Ronald G. Walton,Dorren Elliott,2014-05-19 Residential Care A Reader in Current Theory and Practice is a collection of papers that tackles the various issues and concerns in residential care The title examines the practice and theory in relation to different client groups and models of working The text first presents papers about the task in residential care such as criticisms and positive aspects of residential care and the social work task in residential care In Part II the selection covers the social work process in residential care Part III deals with ethical concerns in residential care while Part IV talks about education and training for residential work The book will be of great interest to social workers psychiatrists psychologists and teachers Back of the Yards Robert A. Slayton,1988-04-15 Robert A Slayton s Back of the Yards is one of the finest accounts I have ever read on an urban working class neighborhood in twentieth century America Its focus on family politics and worklife is penetrating and its conclusions reinforce an emerging scholarly picture of ordinary people exercising unique forms of power John Bodnar author of The Transplanted A History of Immigrants in Urban America *The Woman Citizen's Library: The woman citizen and the home* Shailer Mathews,1914 The underlying theme of these essays by reformers such as Jane Addams and Florence Kelly is women s civic responsibility to play a vital role in public affairs **Routledge**
Library Editions: Special Educational Needs Various,2021-07-29 This set of 62 volumes originally published between 1951 and 1999 amalgamates a wide breadth of literature on Special Educational Needs with a particular focus on inclusivity

class management and curriculum theory This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of Education and those undertaking teaching qualifications The Social Worker Speaks David Burnham,2016-02-24 The Social Worker Speaks charts the motivations work activities and attitudes of social workers across the country from 1904 to 1989 The book is about workers in the public sector from Poor Law to Social Services Departments probation and workers in the voluntary field including early century philanthropic visiting societies as well as specialist societies such as the Children s Society and the NSPCC Where possible accounts by and the words and thoughts of social workers themselves are used Since the war histories of social work have concentrated on practice theory and methods developments instigated by legislation university training and professional status but there has been little attention paid to who social workers were what they believed what they actually did and what they thought of what they did Also individual social workers appearing in nearly all histories have been leaders managers teachers or academics with people who did the job on the front line accorded barely a mention If part of the aim of this book is to remedy this partial coverage another aim is to offer a more human history of social workers There is too little celebration or humour in what has been published about the history of social workers The Social Worker Speaks deliberately includes stories of how social workers behaved their frustrations and triumphs passions and occasional sins So this is deliberately not a history of social work but a history of social workers the first of its kind
