Resistance To The Shah Landowners And The Ulama In Iran

Afshon Ostovar

Resistance To The Shah Landowners And The Ulama In Iran:

Resistance to the Shah Mohammad Gholi Majd, 2000 Mohammad Gholi Majd examines land policy in Iran under the two Pahlavi shahs from 1925 to 1979 the social and economic consequences of the policies and their impact on the popular uprisings of 1962-63 which many scholars regard as the beginning of the Islamic revolution Contrary to widely held views much of Iran's agricultural land up to 1960 was owned by 1-3 million small landowners Majd points out that traditional Islamic practices of matrimony and inheritance resulted in a continuous redistribution of landownership and these customs included a system of sharecropping that fulfilled a vital social and economic function Tenants enjoyed secure rights to the land and the water could not be easily evicted and were thus practically owners themselves In short conditions in Iran were entirely different from those assumed in most Western theories of land policy and reform Pressured by the United States in the 1950s to inaugurate land reform the shah in his initial attempts met with stiff resistance from parliament and the Islamic leadership The result Majd argues was an effective alliance between landowners and the fundamentalist Islamic ulama in particular Ayatollah Khomeini who emerged as the principal leader of the religious opposition In addition to photos of the secular and religious opposition leaders the book contains many rare photos of rural Iran during the periods 1890-1911 and 1930-60 For students of Iran and the Middle East as well as those interested in agrarian change and reform this work offers a provocative and revisionist perspective on important events in Iran's recent history

Soldiers, Shahs and Subalterns in Iran S. Cronin, 2010-10-27 Against conventional views of the unchallenged hegemony of a modernizing monarchy this book argues that power was continuously contested in Riza Shah's Iran Cronin excavates the successive challenges to Riza Shah's regime posed by a range of subaltern social groups and seeks to restore to these groups a sense of their historical agency

The Shah Abbas Milani, 2011-01-04 The definitive biography of the last Shah of Iran tracing his dramatic rise and fall and his role in the creation of the contemporary Islamic Republic Though his monarchy was toppled in 1979 and he died in 1980 the life of Mohammad Reza Shah Pahlavi the last Shah of Iran continues to resonate today Here internationally respected author Abbas Milani gives us the definitive biography more than ten years in the making of the monarch who shaped Iran's modern age and with it the contemporary politics of the Middle East The Shah's was a life filled with contradiction as a social reformer he built schools increased equality for women and greatly reduced the power of the Shia clergy He made Iran a global power courting Western leaders from Churchill to Carter and nationalized his country's many natural resources But he was deeply conflicted and insecure in his powerful role Intolerant of political dissent he was eventually overthrown by the very people whose loyalty he so desperately sought This comprehensive and gripping account shows us how Iran went from politically moderate monarchy to totalitarian Islamic republic Milani reveals the complex and sweeping road that would bring the U.S. and Iran to where they are today

The Carter Administration and the Fall of Iran's Pahlavi Dynasty Javier Gil Guerrero, 2016-04-08 This book is a tale of loss the loss of Iran as America's main ally and

agent in the Middle East and the downfall of the short lived Pahlavi monarchy and America's inability and unwillingness to prevent its demise Khomeini's triumph altered America's perception of Islam and fundamentally changed its relationship with Iran

Nomadism in Iran Daniel T. Potts, 2014 Potts examines the development of nomadism in Iran over the course of three millennia Evidence of nomadism in prehistory is examined and found insufficient to justify claims of its great antiquity The background of the earliest nomadic groups identified as Persian tribes by Herodotus is examined within the context of the migration of Iranian speakers onto the Iranian plateau in the late second or early first millennium B C Thereafter evidence of nomadic groups in Late Antiquity and early Islamic times is reviewed *State, Religion, and Revolution in Iran, 1796 to the Present* B. Moazami, 2013-11-07 Two basic assumptions have shaped understanding of recent Iranian history One is that Shi'ism is an integral part of Iran's religious and cultural landscape The other is that the ulama religious scholars have always played a crucial role This book challenges these assumptions and constructs a new synthesis of the history of state and religion in Iran from 1796 to the present while challenging existing theories of large scale political transformation Arguing that the 1979 revolution has not ended Behrooz Moazami relates political and religious transformations in Iran to the larger instability of the Middle East region and concludes that turmoil will continue until a new regional configuration evolves

Land Law in Middle Eastern Countries Oleg Igorevich Krassov, 2022 The monograph focuses on the basic features of the legal systems of the Middle Eastern countries land law in force in these countries Islamic land and water law Bedouin tribal land ownership customary water rights The monograph contains a description of the regime of property and land in Jewish law The author analyzes the current state of land law in the Middle Eastern countries including title to land title to other natural resources types of rights to land correlation of formal law and conventional land tenure systems For students graduate students and teachers of law schools employees of legislative executive and judicial authorities as well as for all those interested in issues of land civil law and comparative jurisprudence

The Conceptualization of Guardianship in Iranian Intellectual History (1800-1989) Leila Chamankhah, 2019-09-03 This book is a study of the concept of wil'ya and its developments among Sh' scholars from the eighteenth to twentieth century Leila Chamankhah addresses a number of issues by delving into the conceptualizations of wil'ya through the examination and interpretation of key texts She focuses on the influence of Ibn Arabi's mysticism with regard to the conception of wil'ya on his Sh'a successors and expositors in later centuries She also discusses the development and transformation of the conception of wil'ya over two hundred years from the esoteric school of Shaykhism to the politicization of wil'ya in the theory of wil'ayat al-faqih

Tribal Politics in Iran Stephanie Cronin, 2007-01-24 Placing Iran's tribal problem in its historical context this innovative and important work provides an overall assessment of tribal politics in the Riza Shah period challenging conventional political and scholarly approaches to tribal politics

A Companion to the History of the Middle East Youssef M. Choueiri, 2008-04-15 A Companion to the History of the Middle East offers a fresh account of the multifaceted and multi-layered history of this

region A fresh account of the multifaceted and multi layered history of the Middle East Comprises 26 newly commissioned essays by leading international scholars Primarily focused on the modern and contemporary periods Covers religious social cultural economic political and military history Treats the region as four differentiated political units Iran Turkey Israel and the Arab world Includes a section on current issues such as oil urban growth the role of women and democratic human rights

Seeds of Stability Ethan B. Kapstein, 2017-05-18 An original analysis of American interventions in the developing world asking what can be done to reduce their economic and human cost Kapstein shows the conditions under which American policies are most likely to produce political stability and when they are most likely to fail

Revolutionary Bodies K. S. Batmanghelichi, 2020-12-10 Gender and sexuality in modern Iran is frequently examined through the prism of nationalist symbols and religious discourse from the late nineteenth and early twentieth centuries In this book Kristin Soraya Batmanghelichi takes a different approach by interrogating how normative ideas of women s bodies in state religious and public health discourses have resulted in the female body being deemed as immodest and taboo Through a diverse blend of sources a popular cultural women s journal a red light district cases studies of temporary marriages iconic public statues and an HIV AIDS advocacy organization in Tehran this work argues that conceptions of gender and sexuality have been mediated in public discourse and experienced and modified by women themselves over the past thirty years of the Islamic Republic Expanding upon existing philosophical theory technological research and scholarship on gender and sexuality in Iran this book focuses much needed attention on under studied marginalized communities such as widows living with HIV This work interrogates how bodily technologies are constructed discursively and socially in Iran and the values and perspectives which are incorporated in them

Subalterns and Social Protest Stephanie Cronin, 2012-09-10 The articles in this collection provide an alternative view of Middle Eastern history by focusing on the oppressed and the excluded offering a challenge to the usual elite narratives The collection is unique in its historical depth ranging from the medieval period to the present and its geographical reach including Iran the Ottoman Empire Turkey the Balkans the Arab Middle East and North Africa The first to focus on the oppressed and the excluded and their differing strategies of survival of negotiation and of protest and resistance the book covers both major social classes and sectors the working class the peasantry the urban poor women marginal groups such as gypsies and slaves Based on perspectives drawn from the work of the great European social historians and particularly inspired by Antonio Gramsci the collection seeks to restore a sense of historical agency to subaltern classes in the region and to uncover the politics of the people

Persian Literature and Modernity Hamid Rezaei Yazdi, Arshavez Mozafari, 2018-12-07 Persian Literature and Modernity recasts the history of modern literature in Iran by elucidating the bonds between the classical tradition and modernity and exploring textual generic and discursive formations through heterodoxical investigations This is first done through the rehabilitation of concepts embedded in tradition including the mun zirah debate Ahr man the demonic tajarrud radical aloneness and n riz yat discontent Following

this are broader structural and processual treatments including the emergence of the genre of the social novel the international dimension of Persian and Persianate canon formation and the development of salvage ethnography and anthropological discourse in Iran Covering literary experiments from the twelfth to the twentieth centuries the chapters in this volume make a case for stepping outside the bounds of orthodox literary scholarship in Iranian studies with its associated political and orientalist determinants in order to provide a more nuanced conception of literary modernity in Iran Offering an alternative reading of modernity in Persian literature this book is an invaluable resource for scholars and students interested in the history of modern Iran and Persian Literature *Iran's Reconstruction Jihad* Eric Lob, 2020-02-27 The first full length study to examine the significance of the critical but neglected Iranian organization and ministry Reconstruction Jihad A History of Social Justice and Political Power in the Middle East Linda T. Darling, 2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government's justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people's political culture and expectations of government The book demonstrates the Circle's relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism **International Seminar On Nuclear War And Planetary Emergencies - 32nd Session: The 32nd Session Of International Seminars And International Collaboration** Richard C Ragaini, 2005-06-20 This volume contains the proceedings of the 32nd International Seminar on Nuclear War and Planetary Emergencies which was attended by global leaders in their scientific fields advisors to presidents defence secretaries and high level diplomats Readers are invited to participate in the fascinating debate on the wide range of subjects covered including migration global warming pollution the cultural planetary emergency AIDS and infectious diseases water conflicts and energy The proceedings have been selected for coverage in Index to Scientific Technical Proceedings ISTP ISI Proceedings Index to Scientific Technical Proceedings ISTP CDROM version ISI Proceedings Index to Social Sciences Humanities Proceedings ISSHP ISI Proceedings Index to Social Sciences Humanities Proceedings ISSHP CDROM version ISI Proceedings CC Proceedings Engineering Physical Sciences CC Proceedings Biomedical Biological Agricultural Sciences **Homogenization, Gender and Everyday Life in Pre- and Trans-modern Iran** Leila

Papoli-Yazdi, Maryam Dezhm Khooy, 2021 *Homogenization Gender and Everyday Life in Pre and Trans modern Iran An Archaeological Reading* is actually an effort to investigate the interaction of power structure and gender in the context of everyday life in Iran in the 19th and early 20th centuries. The book pursues two main goals: situating gender in Iranian archaeology and calling for more consideration to daily life in archaeological gender researches. Drawing on a wide range of material culture, textual evidence, statistics, and oral accounts, all chapters render the destruction of the everyday life of ordinary people. Events like parties and ceremonies, marriage and kinship, sexual practices, dress codes, and even eating and drinking were gently regulated by the surveillance state. Accordingly, the term homogenization in the book's title refers to the policies of the Pahlavi government, the first Iranian modern centralized state. In this way, the book seeks to understand the process of gender and sexual transformation of Iranian society, the process which resulted in the production of deviants and negative gender and sexual lives. Being the first archaeological research on gender by native archaeologists, the authors state the fact that this book investigates the politics of gender while many other aspects of gender remain still uninvestigated. Leila Papoli Yazdi, Researcher, Department of Historical Studies at the University of Gothenburg, Sweden. *Vanguard of the Imam*

Afshon Ostovar, 2016-03-03 Iran's Revolutionary Guards are one of the most important forces in the Middle East today. As the appointed defender of Iran's revolution, the Guards have evolved into a pillar of the Islamic Republic and the spearhead of its influence. Their sway has spread across the Middle East where the Guards have overseen loyalist support to Bashar al Assad in Syria and been a staunch backer in Iraq's war against ISIS, bringing its own troops, Lebanon's Hezbollah, and Shiite militias to the fight. Links to terrorism, human rights abuses, and the suppression of popular democracy have shrouded the Revolutionary Guards in controversy. In spite of their prominence, the Guards remain poorly understood to outside observers. In *Vanguard of the Imam*, Afshon Ostovar has written the first comprehensive history of the organization. Situating the rise of the Guards in the larger contexts of Shiite Islam, modern Iranian history, and international affairs, Ostovar takes a multifaceted approach in demystifying the organization and detailing its evolution since 1979. Politics, power, and religion collide in this story wherein the Revolutionary Guards transform from a rag tag militia established in the midst of revolutionary upheaval into a military and covert force with a global reach. The Guards have been fundamental to the success of the Islamic revolution. The symbiotic relationship between them and Iran's clerical rulers underpins the regime's nearly unshakeable system of power. The Guards have used their privileged position at home to export Iran's revolution beyond its borders, establishing client armies in their image and extending Iran's strategic footprint in the process. Ostovar tenaciously documents the Guards' transformation into a power player and explores why the group matters now more than ever to regional and global affairs. The book simultaneously serves as a history of modern Iran and provides a crucial and engrossing entryway into the complex world of war, politics, and identity in the Middle East. *Hard Times in the Lands of Plenty*

Benjamin Smith, 2011-05-02 That natural resources can be a curse as well as a blessing is almost a truism in political analysis.

In many late developing countries the resource curse theory predicts the exploitation of valuable resources will not result in stable prosperous states but rather in their opposite. Petroleum deposits for example may generate so much income that rulers will have little need to establish efficient tax extracting bureaucracies leading to shallow poorly functioning administrations that remain at the mercy of the world market for oil. Alternatively resources may be geographically concentrated thereby intensifying regional ethnic or other divisive tensions. In *Hard Times in the Land of Plenty* Benjamin Smith deciphers the paradox of the resource curse and questions its inevitability through an innovative comparison of the experiences of Iran and Indonesia. These two populous oil rich countries saw profoundly different changes in their fortunes in the period 1960-1980. Focusing on the roles of state actors and organized opposition in using oil revenues, Smith finds that the effects of oil wealth on politics and on regime durability vary according to the circumstances under which oil exports became a major part of a country's economy. The presence of natural resources, he argues, is a political opportunity rather than simply a structural variable. Drawing on extensive primary research in Iran and Indonesia and quantitative research on nineteen other oil rich developing countries, Smith challenges us to reconsider resource wealth in late developing countries not as a simple curse or blessing but instead as a tremendously flexible source of both political resources and potential complications.

When people should go to the book stores, search creation by shop, shelf by shelf, it is really problematic. This is why we present the book compilations in this website. It will extremely ease you to see guide **Resistance To The Shah Landowners And The Ulama In Iran** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. Resistance To The Shah Landowners And The Ulama In Iran Introduction

In today's digital age, the availability of Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Resistance To The Shah Landowners And The Ulama In Iran versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Resistance To The Shah Landowners And The Ulama In Iran books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Resistance To The Shah Landowners And The

Ulama In Iran books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Resistance To The Shah Landowners And The Ulama In Iran books and manuals for download and embark on your journey of knowledge?

FAQs About Resistance To The Shah Landowners And The Ulama In Iran Books

What is a Resistance To The Shah Landowners And The Ulama In Iran PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Resistance To The Shah Landowners And The Ulama In Iran PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Resistance To The Shah Landowners And The Ulama In Iran PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Resistance To The Shah Landowners And The Ulama In Iran PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft

Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Resistance To The Shah Landowners And The Ulama In Iran PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
