Resources And Population Natural Institutional And Demographic Dimensions Of Development:

Resources and Population Bernardo Colombo, Paul Demeny, M. F. Perutz, 2023 Sharply diverging rates of population growth in the 20th century have been accompanied by increasing disparities in income and quality of life These papers examine the relationship between physical and human resources and population within a context of mass poverty and environmental deterioration Demography and National Security Myron Weiner, Sharon Stanton Russell, 2001-08 Includes statistics *The Environmental Implications of Population Dynamics* Lori M. Hunter, 2000 This report discusses the relationship between population and environmental change the forces that mediate this relationship and how population dynamics specifically affect climate change and land use change *Resources, Production and Structural Dynamics* Mauro L. Baranzini, Claudia Rotondi, Roberto Scazzieri, 2015-04-30 Economists since the First Industrial Revolution have been interested in the links between economic growth and resources often pointing to resource scarcities as a hindrance to growth Offering a counter perspective this volume highlights the positive role that scarcities can play in inducing technical progress and economic growth It outlines a structural framework for the political economy of scarcity and rents and offers a novel way of organizing the evidence concerning the role of resources in industrial growth This book proposes a major shift in the treatment of scarcity issues by focusing on bottlenecks and opportunities arising within the production system and will appeal to economists and policy makers interested in the role of resources as triggers of structural change **Resources and Population** Bernardo Colombo, 1996 **The Cambridge Economic History of the Greco-Roman World** Walter Scheidel, Ian Morris, Richard P. Saller, 2007-11-29 In this the first comprehensive survey of the economies of classical antiquity twenty eight chapters summarise the current state of scholarship in their specialised fields and sketch new directions for research They reflect a new interest in economic growth in antiquity and develop new methods for measuring economic development often combining textual and archaeological data that have previously been treated separately *Luigi L. Pasinetti: An Intellectual Biography* Mauro L. Baranzini, Amalia Mirante, 2018-03-18 Luigi L Pasinetti born 1930 is arguably the most influential of the second generation of the Cambridge Keynesian School of Economics both because of his achievements and his early involvement with the direct pupils of John Maynard Keynes This comprehensive intellectual biography traces his research from his early groundbreaking contribution in the field of structural economic dynamics to the Pasinetti Theorem With scientific outputs spanning more than six decades 1955 2017 Baranzini and Mirante analyse the impact of his research work and roles at Cambridge the Catholic University of Milan and at the new University of Lugano Pasinetti's whole scientific life has been driven by the desire to provide new frameworks to explain the mechanisms of modern economic systems and this book assesses how far this has been achieved The Palgrave Handbook of Political Economy Ivano Cardinale, Roberto Scazzieri, 2018-08-16 This book is a major contribution to the study of political economy With chapters ranging from the origins of political economy to its most exciting research fields this handbook provides a

reassessment of political economy as it stands today whilst boldly gesturing to where it might head in the future This handbook transcends the received dichotomy between political economy as an application of rational choice theory or as the study of the causes of societies material welfare outlining a broader field of study that encompasses those traditions This book will be essential reading for academics researchers students and anyone looking for a comprehensive reassessment of political economy

African Families in a Global Context Göran Therborn,2004 The family is one of the most important institutions of African societies Where is it going today How is it affected by global processes cultural and political as well as economic How does it compare with family developments in other parts of the world These are questions which this book addresses The contributors deal with the African family in a comparative global context focusing on patriarchy sexuality and marriage and fertility biological and social reproduction in Ghana under conditions of globalization and structural adjustment Nigerian marriage relations under the impact of current conditions and family changes in the North Britain from a family perspective of the South South Africa

Annual Report Population Council,1995 **The Journal of Social, Political and Economic Studies** ,1997 **Poverty, Education and Development** Francis Godwyll,So Young Kang,2008 This book addresses the state of poverty and its effects on education and development It is organised into two sections Poverty socio economics poverty and gender Section one focuses on the state of the lives of the peoples in Africa as a result of poverty These chapters raise arguments to challenge the status quo as unacceptable The second section of the book focuses on poverty in relation to gender It explores how lack of education and inequality of females in the society can impact poverty of the nation in general These chapters discuss the influential factors of poverty in Asia and Africa and how it enriches the section by looking into Appalachian single mothers lived experiences from the South eastern portion of the US
