Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy

R Barnett

Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy:

Respecting Persons in Theory and Practice Jan Narveson, 2002 Respecting Persons in Theory and Practice is a collection of essays of the moral and political philosophy of Jan Narveson. The essays in this collection share a consistent theme running through much of Narveson's moral and political philosophy: namely that politics and morals stem from the interests of individual people and have no antecedent authority over us. Rather, the source of such authority lies in the way people are related to one another and most especially in the exigencies of cooperation. Humans have plenty of problems, Narveson argues, but we are perhaps unique among animals in that our worst enemies often enough are other humans. The rules of morals and the devices of politics in the view Narveson holds deal with these problems by identifying the potential for gain from cooperation and loss from the reverse. The essays express a collective antipathy for the ways in which modern political and moral philosophy has ridden roughshod over sane and efficient social restrictions, leaving us with a social scene devoted mainly to satisfying the cravings for power of the politically ambitious. Politics, Narveson argues, with distress has subverted morals. The essays in this collection in various ways and as applied to various aspects of the scene detail these charges, arguing that the ultimate and true point of politics and morals is to enable us to make our lives better according to our varied senses of what that might mean.

Respecting Persons in Theory and Practice is a collection of essays of the moral and political philosophy of Jan Narveson. The essays in this collection share a consistent theme running through much of Narveson's moral and political philosophy: namely that politics and morals stem from the interests of individual people and have no antecedent authority over us. Rather, the source of such authority lies in the way people are related to one another and most especially in the exigencies of cooperation. Humans have plenty of problems, Narveson argues, but we are perhaps unique among animals in that our worst enemies often enough are other humans. The rules of morals and the devices of politics in the view Narveson holds deal with these problems by identifying the potential for gain from cooperation and loss from the reverse. The essays express a collective antipathy for the ways in which modern political and moral philosophy has ridden roughshod over sane and efficient social restrictions, leaving us with a social scene devoted mainly to satisfying the cravings for power of the politically ambitious. Politics, Narveson argues, with distress has subverted morals. The essays in this collection in various ways and as applied to various aspects of the scene detail these charges, arguing that the ultimate and true point of politics and morals is to enable us to make our lives better according to our varied senses of what that might mean.

Liberty, Games and

Contracts Malcolm Murray, 2016-05-06 Jan Narveson is one of the most significant contemporary defenders of the libertarian political position. Unlike other libertarians who typically defend their view with reference to natural rights or an appeal to utilitarianism, Narveson's main contribution has been to offer a philosophical defence of libertarianism based on a Hobbesian individualist contractarian ethic. Critiques of Narveson's contractarian libertarianism fall into three categories:

those that reject contractarian moral theory those that reject any link between contractarianism and libertarianism and those that accuse libertarians of conflating liberty with property In this book Malcolm Murray brings together the most significant of Narveson's critics and presents their work alongside replies by Jan Narveson *Do All Persons Have Equal Moral Worth?* Uwe Steinhoff, 2015 In present day political and moral philosophy the idea that all persons are in some way moral equals is an almost universal premise with its defenders often claiming that philosophical positions that reject the principle of equal respect and concern do not deserve to be taken seriously This has led to relatively few attempts to clarify or indeed justify basic equality and the principle of equal respect and concern Such clarification and justification however would be direly needed After all the ideas for instance that Adolf Hitler and Nelson Mandela have equal moral worth or that a rape victim owes equal respect and concern to both her rapist and to her own caring brother seem to be utterly implausible Thus if someone insists on the truth of such ideas he or she owes his or her audience an explanation The authors in this volume which breaks new ground by engaging egalitarians and anti egalitarians in a genuine dialogue attempt to shed light into the dark They try to clarify the concepts of basic equality equal moral worth equal respect and concern dignity etc and they try to partially justify or to refute the resulting clarified doctrines The volume thus demonstrates that the claim that all persons have equal moral worth are owed equal concern and respect or have the same rights is anything but obvious This finding has not only significant philosophical but also political implications *Rwanda and the Moral Obligation of Humanitarian Intervention* Joshua James Kassner, 2014-08-21 A new approach to an issue of tremendous moral political and legal importance and explains why the international community should have intervened in Rwanda **Democratic Extremism in Theory and Practice** Paul Lucardie, 2013-12-04 Democracy and extremism are usually considered as opposites We assume that our system in the UK the USA the Netherlands etc is democratic and extremists try to destroy our system and introduce some kind of dictatorship if not chaos and anarchy Yet in many cases the extremists seem sincere in their attempt to construct a more democratic polity Hence they can be called democrats and yet also extremists in so far as they strive for a regime with characteristics that are more extreme in a significant sense This book analyses radical and extreme democratic theories and ideas in their historical context interlocked with critical descriptions of historical institutions and experiments that help to evaluate the theories Cases range from ancient Athens to recent experiments with citizen juries and citizen assemblies from the time honoured Swiss Landsgemeinde to contemporary and controversial workers councils in Venezuela and participatory budgeting in Porto Alegre Among the theorists discussed here are familiar names as well as relatively unknown persons Jean Jacques Rousseau and Karl Marx Murray Bookchin and John Burnheim William Godwin and Barbara Goodwin Anton Pannekoek and Heinz Dieterich Whereas the extreme ideas do not seem to work very well in practice they do indicate ways by which we could make existing political systems more democratic This book will be of interest to students of Politics and Current Affairs as well as inspiration to political activists and reformists **Pedophilia and Adult-Child Sex**

Stephen Kershner, 2015-05-20 This book provides a philosophical analysis of adult child sex and pedophilia. It looks at how the law should respond to such sex given the above analyses. Respect and Criminal Justice The Shaw Foundation Fellow in Law Gabrielle Watson, 2019-12-31 Respect and Criminal Justice offers the first sustained examination of respect in criminal justice in England and Wales where the value is elusive but of persisting significance. Advancing a critique of the respect deficit in policing and imprisonment, the book is concerned with the ways in which both institutions are merely constrained and not characterised by respect. It emerges that they appeal to the word respect relying on its inclusive ethos in official discourse when it is expedient to do so but rarely and only superficially address the prior question of what it is to respect and be respected. The result is that respect is more akin to a slogan than a foundational value of criminal justice practice. The book will be of interest to academics and students across the humanities and social sciences and especially in law, criminal justice and philosophy as well as criminal justice practitioners and policymakers. British Social Attitudes Alison Park, 2006-12-21 The British Social Attitudes survey series is carried out by Britain's largest independent social research institute, the National Centre for Social Research. It provides an indispensable guide to current political and social issues in contemporary Britain. This, the 23rd report, describes the results of the most recent nation-wide survey, including analysis of the following areas: Civil liberties, Social identities, Disability, Political Respect, Employment Relations, Euthanasia, Care in Old Age. The most comprehensive review of changing British social values available, the British Social Attitudes survey report is essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research. Between Cosmopolitan Ideals and State Sovereignty R. Tinnevelt, G. Verschraegen, 2006-10-26 Between Cosmopolitan Ideals and State Sovereignty explores how philosophers and political theorists have recast principles of justice and human rights in the light of challenges posed by globalization. It discusses ethical issues that arise at a global level and considers whether human rights and sovereignty can ever be reconciled. **Anarchy and the Law** Edward P. Stringham, 2017-07-05 Private property anarchism, also known as anarchist libertarianism, individualist anarchism, and anarcho-capitalism, is a political philosophy and set of economic and legal arguments that maintains that just as the markets and private institutions of civil society provide food, shelter, and other human needs, markets and contracts should provide law, and that the rule of law itself can only be understood as a private institution. To the libertarian, the state and its police powers are not benign societal forces but a system of conquest, authoritarianism, and occupation. But whereas limited government libertarians argue in favor of political constraints, anarchist libertarians argue that to check government against abuse, the state itself must be replaced by a social order of self-government based on contracts. Indeed, contemporary history has shown that limited government is untenable as it is inherently unstable and prone to corruption, being dependent on the interest-group politics of the state's current leadership. Anarchy and the Law presents the most important essays explaining, debating, and examining historical examples of stateless orders. Section I, Theory of Private Property Anarchism, presents articles that

criticize arguments for government law enforcement and discuss how the private sector can provide law In Section II Debate limited government libertarians argue with anarchist libertarians about the morality and viability of private sector law enforcement Section III History of Anarchist Thought contains a sampling of both classic anarchist works and modern studies of the history of anarchist thought and societies Section IV Historical Case Studies of Non Government Law Enforcement shows that the idea that markets can function without state coercion is an entirely viable concept Anarchy and the Law is a comprehensive reader on anarchist libertarian thought that will be welcomed by students of govern

Anarchism/Minarchism Roderick T. Long, 2016-04-08 It is well known that the radical libertarian philosopher Robert Nozick sharply distinguished his vision of the free society from egalitarian liberals such as John Rawls Less remarked upon is the distinction he drew between the free society governed by a strictly limited government commonly referred to as minarchism and the society without any government at all anarchism In this volume the editors Long an anarchist and Machan a minarchist have brought together a selection of specially commissioned essays from key theorists actively involved in this debate Each tackles the question of whether or not a government forms a legitimate part of a free society or whether anarchy minarchy is merely a distinction without a difference *How Do You Know?* Russell Hardin, 2014-01-05 How do ordinary people come to know or believe what they do We need an account of this process to help explain why people act as they do You might think I am acting irrationally against my interest or my purpose until you realize that what you know and what I know differ significantly My actions given my knowledge might make eminently good sense Of course this pushes our problem back one stage to assess why someone knows or believes what they do That is the focus of this book Russell Hardin supposes that people are not usually going to act knowingly against their interests or other purposes To try to understand how they have come to their knowledge or beliefs is therefore to be charitable in assessing their rationality Hardin insists on such a charitable stance in the effort to understand others and their sometimes objectively perverse actions Hardin presents an essentially economic account of what an individual can come to know and then applies this account to many areas of ordinary life political participation religious beliefs popular knowledge of science liberalism culture extremism moral beliefs and institutional knowledge All of these can be enlightened by the supposition that people are attempting reasonable actions under the severe constraints of acquiring better knowledge when they face demands that far outstretch their possibilities

Born Free and Equal? Kasper Lippert-Rasmussen, 2013-11-06 What is discrimination There are certain instances of differential treatment that almost anyone would describe as discriminatory yet upon deeper examination this near unanimity gives way to disagreement and difference For instance is it discrimination when hospitals hire non smokers only Not only do people differ on which cases of differential treatment they see as discriminatory they also disagree about when discrimination is morally wrong what makes it morally wrong and indeed about whether all forms of discrimination are morally wrong Finally many disagree over what should be done about wrongful discrimination especially about what the state

could permissibly do to eliminate wrongful discrimination e g in people s love lives This book addresses these issues It argues that there are different concepts of discrimination and that different purposes pertaining to different contexts determine which one is the most useful It gives special attention to a concept of discrimination that ties discrimination to differential treatment of people on the basis of their membership in socially salient groups Second it argues that when discrimination is wrong it is so first and foremost because of its harmful effects Third it takes issue with some of the standard devices used to counteract discrimination and submits that combating discrimination requires more than state actions Finally it argues that states may sometimes permissibly discriminate

A New Idea of India Harsh Madhusudan, Rajeiv Mantri, 2025-07-30 For the better part of seven decades after independence the Nehruvian idea of India held sway in India s polity even if it was not always in consonance with the views of Jawaharlal Nehru himself Three key features constituted the crux of the Nehruvian way socialism which in practice devolved to corruption and stagnation secularism which boxed citizens into group membership and diluted individual identity and non alignment which effectively placed India in the Communist camp In the early Nineties India began a gradual withdrawal from this path But it was only in 2019 with Narendra Modi s second successive win in the general elections that this philosophy is finally being replaced by a worldview that acknowledges India as an ancient civilization even if a young republic and that sees citizens as equal for developmental and other purposes A New Idea of India constructs and expounds on a new framework beyond the rough and tumble of partisan politics Lucid in its laying out of ideas and policies while taking a novel position this book is illuminated by years of research and the authors first hand experiences as citizens entrepreneurs and investors of the vagaries and challenges of India This revised edition builds on some of the arguments of the earlier edition and brings things up to date

Artistic License Darren Hudson Hick, 2017-04-26 The art scene today is one of appropriation of remixing reusing and recombining the works of other artists From the musical mash ups of Girl Talk to the pop culture borrowings of Damien Hirst and Jeff Koons it s clear that the artistic landscape is shifting which leads to some tricky legal and philosophical questions In this up to date thorough and accessible analysis of the right to copyright Darren Hudson Hick works to reconcile the growing practice of artistic appropriation with innovative views of artists rights both legal and moral Engaging with long standing debates about the nature of originality authorship and artists rights Hick examines the philosophical challenges presented by the role of intellectual property in the artworld and vice versa Using real life examples of artists who have incorporated copyrighted works into their art he explores issues of artistic creation and the nature of infringement as they are informed by analytical aesthetics and legal and critical theory Ultimately Artistic License provides a critical and systematic analysis of the key philosophical issues that underlie copyright policy rethinking the relationship between artist artwork and the law

John Rawls, 2003 a bibliography of the work of John Rawls and critical literature about his work

[Berkshire Encyclopedia of World History](#), 2005 A comprehensive encyclopedia of world history with 538 articles that trace the development of human

history with a focus on area studies global history anthropology geography science arts literature economics women s studies African American studies and cultural studies related to all regions of the world Provided by publisher

Hobbesian Applied Ethics and Public Policy Shane D. Courtland, 2017-07-20 Most philosophers and political scientists readily admit that Thomas Hobbes is a significant figure in the history of political thought His theory was arguably one of the first to provide a justification for political legitimacy from the perspective of each individual subject Many excellent books and articles have examined the justification and structure of Hobbes commonwealth ethical system and interpretation of Christianity What is troubling is that the Hobbesian project has been largely missing in the applied ethics and public policy literature We often find applications of Kantian deontology Bentham s or Mill s utilitarianism Rawls s contractualism the ethics of care and various iterations of virtue ethics Hobbesian accounts are routinely ignored and often derided This is unfortunate because Hobbes s project offers a unique perspective To ignore it when such a perspective would be fruitful to apply to another set of theoretical questions is a problem in need of a remedy This volume seeks to eliminate or at the very least partially fill this gap in the literature Not only will this volume appeal to those that are generally familiar with Hobbesian scholarship it will also appeal to a variety of readers that are largely unfamiliar with Hobbes

I Chose Liberty: Autobiographies of Contemporary Libertarians, 2010

Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Introduction

Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Offers a diverse range of free eBooks across various genres. Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy, especially related to Respecting Persons In Theory And Practice Essays On Moral And Political

Philosophy, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy books or magazines might include. Look for these in online stores or libraries. Remember that while Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy eBooks, including some popular titles.

FAQs About Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy is one of the best books in our library for free trial. We provide a copy of Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy in digital format, so the resources that you find are reliable. There are also many eBooks of related with Respecting Persons In Theory And Practice Essays On

Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy

Moral And Political Philosophy. Where to download Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy online for free? Are you looking for Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Respecting Persons In Theory And Practice Essays On Moral And Political Philosophy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
