German Reparations and the Jewish World Ronald W. Zweig, 2001 German Reparations and the Jewish World has become a standard reference work since it was first published Based extensively on archival sources the author examines the difficult debate within the Jewish world whether it was possible to reach a material settlement with Germany so soon after Auschwitz Concentrating on how the money was spent in rebuilding Jewish life he also analyzes how the reparations payments transformed the relations between Israel and the diaspora and between different Jewish political and ideological groups This revised and expanded edition includes material on sensitive relief programmes from archives that have only recently been opened to researchers In a new extensive introductory essay the author reexamines the reparations restitution and indemnification processes from the perspective of 50 years later

My Struggle for Peace, Volume 3 (1956) Moshe Sharett, 2019-03-19 The third volume of the former Israeli prime minister's journals from the nation's early years My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of

more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the third volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review **Called and Accountable 52-Week Devotional** Henry T. Blackaby, 2011-06-01 Every believer is called by God and His call is life transforming When this truth grips a person's heart he or she is never the same again Immediately there comes into that life a deep sense of meaning and purpose and a devoted sense of accountability to God Authors Henry Blackaby and Norman Blackaby lead men and women to explore the life transforming world changing call that God gives every follower of Christ Just as He did throughout the Bible God is still calling His people at this very hour to accomplish His eternal purposes in redeeming the lost God has a unique plan for each of His followers to be a part of His mission Called and Accountable thoughtfully explores these questions Why does God call us What is a call Who are the called How am I called When am I called How do I live out the call **Report of the President of the Board of Education**, 1908 Annual Report Chicago (Ill.).
