Responsible Freedom Guidelines To Christian Action:

Responsible Freedom Lotan Harold DeWolf,1971 **Responsible Freedom** L. Harold DeWolf,1971-02-01 **Christian Ethics in the Protestant Tradition** Waldo Beach,1988-01-01 With Christian Ethics in the Protestant Tradition Waldo Beach provides a basic introductory text on Christian ethics He has designed a challenging work that grapples with the ethical questions surrounding modern day problems from the perspective of Protestant theology and tradition His two part format is especially helpful for study *Social Ethics in the Making* Gary Dorrien,2010-12-13 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 *Christians in Active Politics* Yokoniah Mvula,2022-09-16 Some Christians may be uncomfortable to think of Jesus as being political since the word politics or political has evolved to have negative overtones and connotations in our world today particularly in Africa where this monograph from the Department of Theology and Religious Studies of the University of Malawi has originated Christians often argue that their commission or job description does not include the political process which is the way a society conducts its public affairs However Jesus beginning with his temptation as in the gospels of Matthew and Luke showed the people who would follow him what it means to do God s will The third temptation conceived of in this study as a political temptation for power is the rational behind the arguments made in this study which begins by positing that the message of Jesus was not politically neutral and therefore Christianity as a super culture must be active in all sectors affecting social concerns if it is to truly be the change agent who Christ believes it to be It goes on to define and describe what it means to say that the message of Jesus was political and lays out the biblical theological ethical and experiential rationale for Christians active participation in the secular political arena **Against Us, But for Us** Michael G. Long,2002 The unforgettable love story that brought us the Academy Award winning song Falling Slowly is now a hit Broadway musical The songs of Glen Hansard and Mark ta Irglov are brought to life anew in a soaring musical theatre setting based on John Carney s smash film This official sheet music companion folio to the stage version allows music makers to apply their own talent to the beloved score of Once The 12 selections are based on the renditions from the Original Broadway Cast Recording

arranged for piano and voice with basic chord fingering grids included for guitarists Titles Leave Falling Slowly The Moon If You Want Me Broken Hearted Hoover Fixer Sucker Guy Say It to Me Now Gold Sleeping When Your Mind s Made Up The Hill Gold a cappella Falling Slowly reprise The Making of American Liberal Theology Gary J. Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom *Perspectives on Applied Christianity* William M. Tillman,1986 *God and Human Dignity* Rufus Burrow Jr.,1992-01-31 Although countless books have been devoted to the life and work of Martin Luther King Jr few if any have focused on King s appropriation of and contribution to the intellectual tradition of personalism Emerging as a philosophical movement in the early 1900s personalism is a type of philosophical idealism that has a number of affinities with Christianity such as a focus on a personal God and the sanctity of persons Burrow points to similarities and dissimilarities between personalism and the social gospel movement with its call to churchgoers to involve themselves in the welfare of both individuals and society He argues that King s adoption of personalism represented the fusion of his black Christian faith and his commitment not only to the social gospel of Rauschenbusch but most especially to the social gospelism practiced by his grandfather father and black preacher scholars at Morehouse College Burrow devotes much needed attention both to King s conviction that the universe is value infused and to the implications of this ideology for King s views on human dignity and his concept of the Beloved Community Burrow also sheds light on King s doctrine of God He contends that King s view of God has been uncritically and erroneously relegated by black liberation theologians to the general category of theistic absolutism and he offers corrections to what he believes are misinterpretations of this and other aspects of King s thought He concludes with an application of King s personalism to present day social problems particularly as they pertain to violence in the black community This book is a useful and fresh contribution to our understanding of the life and thought of Martin Luther King Jr It will be read with interest by ethicists theologians philosophers and social historians *Is It Too Late?* John B. Cobb Jr.,2021-04-20 In the fifty years since its initial publication *Is It Too Late* has proven its prescience in ways both significant and dire As the first book length philosophical and theological analysis of the environmental crisis this work introduced a generation to the key elements of crisis while suggesting ways that religion can be a force for hope rather than an instrument

of despair Covering an ambitious range of issues from deforestation to abortion from religious views of the natural world to the need for technological innovation to avoid nature's destruction John Cobb moves deftly from philosophical to theological to scientific learning and integrates these interdisciplinary insights into a compelling vision for what he calls a new Christianity Comprehensive in scope non technical in expression and concise in length *Is It Too Late* provides the scholar and the student alike with a readable and compelling orientation to the philosophical and theological stakes of ecology This Fortress edition includes a new preface in which Cobb reflects on the current situation the specific promises and perils we now face and how his own thinking on matters theological and ecological has evolved in the last half century *Faith and Fragmentation* J. Philip Wogaman,2004-01-01 In this classic reissue scholar pastor and author J Philip Wogaman addresses people who wonder whether Christian Faith makes sense in light of the sweeping changes of our age changes that have created at the same time a pluralistic world a technologically sophisticated world a dangerous world a world of great prosperity and yet great suffering What are we to make of this time we live in Can the Christian faith really provide a stable foundation Wogaman wrestles with these and other questions as he investigates the true meaning of a Christian faith with a positive understanding of religious pluralism and a rejection of fanaticism He concludes that this faith is a hopeful love that proclaims the centrality of love against selfishness and the power of hope against despair *Christian Ethics, Second Edition* J. Philip Wogaman,2010-12-24 This updated survey of Christian ethics addresses major thinkers movements and issues from the early church to the present A broad range of topics is discussed including the biblical and philosophical legacies of Christian ethics and ethics through the early medieval Reformation Enlightenment and modern eras This new edition contains more extensive discussions of ethics in the twentieth century including Vatican II ecumenical social ethics and Orthodox Christian ethics A new section Toward the Third Millennium looks at the issues we will face in the coming decades including medical scientific and political dilemmas and issues of terrorism war and peace **Tao te Ching** Lao Tzu,2021-04-06 Although translations and interpretations of the Tao te Ching abound and new editions are released yearly few accomplish the hard work of linking and bridging the Tao's profound message to the needs of modern readers There may be a profusion of versions but our lives and our world reflect little of the deep transformative potential of this important text Marc S Mullinax's new translation grows from extensive teaching experience and combines a deep understanding of the Tao's fourth century BCE Chinese context with an exciting two part application of that text to contemporary life First each of the eighty one verses is joined by a richly curated array of quotes sayings poems and stories from wisdom traditions around the globe With quotes ranging from Emerson to Pink Floyd and from the apostle Paul to Margaret Atwood the Tao's meaning comes alive in conversation with others Second a brief reflection puts the verse in historical context and highlights the transformative power of Wu Wei the non interfering action perfectly timed to promote peace and prevent injury to bring joy and justice to a hurting world **Christian Ethics** J. Philip Wogaman,1993-01-01 Reviews the history of Christian thought

about ethics and discusses its views concerning politics economics and culture **Global Visioning** Ahmed Abaddi,2017-07-05 This volume makes the case for global visioning the collective process of looking at a larger picture and building common ground for the future The contributors agree that only by such a process will people be able to address mounting problems like global warming war terrorism and poverty which threaten the Earth s population This latest volume in the Peace Policy series addresses three main themes On Spirituality and Ethics advocates an international culture of nonviolence International and Transnational Relations makes a case for global fellowship On Education and Culture argues that educating children is the first step in reforming the world The contributors seek solutions to the question of how people can start seeing issues from a global point of view rather than from narrow national perspectives In keeping with the global nature and scope of the world s problems the contributions come from very diverse countries including Japan Morocco South Africa Germany Italy Belgium and the United States This work will inspire participation in this much needed exercise of collective global problem solving Ethic of Christian Freedom and Discipleship Ronald R. Ray,2023-03-27 Ethic of Christian Freedom and Discipleship is written for teachers and students of Christian ethics within the English speaking world It demonstrates the basis of Christian ethics in Christian theology Twenty nine years ago before leaving the Nigerian theological college where the author had been teaching Between Two Worlds An Ethic of Christian Freedom was privately printed In Kenya at what became St Paul s University the author primarily used copies of this book for eleven years of teaching Christian ethics Ethic of Christian Freedom and Discipleship manifests continuity with the author s earlier book but is a distinctly different work **Ethical Problems in Dental Practice** Fred C. Bergamo,1980 *Christian view of divorce according to the teachings of the New testament* Shaner,2023-07-10 **Bonhoeffer** Clifford J. Green,1999 Rev ed of The sociality of Christ and humanity
