**Nowhere to Call Home: Volume Two** Leah Denbok, Tem Denbok, 2018-08-28. This book continues where my first book left off with forty photographs and stories of people experiencing homelessness. It is a part of my ongoing mission begun with volume one to change the general public's perception of those experiencing homelessness. So often, as I stated in my first book, they are viewed as subhuman creatures or a lower order of being than human. Through my photographs and stories, I am trying to humanize them to help the general public see that apart from the unfortunate circumstances in which these people find themselves, they are no different than you and I. I am heartened that judging from the comments that my first book has received from people around the world, my work seems to be having this effect. All royalties from this book will be given to Home Horizon Transitional Support Program.

Unsung Arunoday Singh, 2022-06-30. Unsung Arunoday Singh's first volume of poetry presents a collection of his most popular work alongside new material where he delves inwards and probes questions of love, loss, longing, everything that ails the human heart. He has amassed a large following on Instagram where he shares his poetry in handwritten calligraphy under the handle sufisoul. The poems are deceptively simple and intensely piercing. They are divided into four sections that explore the themes of the self, the elements, breaking and healing, the search for divinity, and the light and darkness of the spirit.

Playful Courtesies William Flewelling, 2022-03-16. My poems sharpen my sight so that I see better what is there to be seen. I will find some situation or image or nuance that catches my eye, intrigues me. Sometimes that seeing lends itself as an image for me, and then a line, just one at first, that when written down enters into a cadence, a rhythm, a sense of sound and echo that emerges into a sequence of lines that flow usually quickly. And then the lines stop, the images seem complete, and then they announce to me that the

poem is complete That is true whether the image is a raindrop a face a pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated into the current year s file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in that book that brings it about Satisfaction is such a boon to life      **Time Grown Lively** William Flewelling,2011-06-28 Out of the world at hand come insights and experiences of nuances of nature and people and situations and memories all of which play in the mind and emerge in poems These poems seek to open the meaning that lurks within the hiddenness of all that is so plain to see in our lives      **Quand même** Blanche Byrom,1914
