**Jason McElligott**

## **Restoration A Political And Religious History Of England And Wales 1658 1667:**

*The Restoration* Ronald Hutton, 1985 In less than a decade the commonwealth of Oliver Cromwell was dramatically transformed into the very different realm of the Restoration monarchy This is the first detailed account of this vital and eventful period which witnessed the end of a republic the reestablishment of royal government naval wars plague religious persecution and the destruction of the capital in the Great Fire Drawing on a wealth of public and private manuscript sources to rework each issue anew Hutton explores the way government policy was set and put into practice during these nine years and how national concerns local issues and various social political and religious groups all interacted to influence the shifting currents of the nation s affairs

**The Oxford Handbook of the English Revolution** Michael J. Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

**The Routledge Companion to the Stuart Age, 1603-1714** John Wroughton, 2013-02-01 Here is an invaluable user friendly and compact compendium packed with facts and figures on the seventeenth century one of the most tumultuous and complex periods in British history From James I to Queen Anne this Companion includes detailed information on political religious and cultural developments as well as military activity foreign affairs and colonial expansion Chronologies biographies documents maps and genealogies and an extensive bibliography navigate the reader through this fascinating and formative epoch as the book details the key events and themes of the era including the English Civil War and its military campaigns the Gunpowder Plot Catholic persecution and the influence of Puritanism imperial adventures in America Asia Africa and the Caribbean Scotland and the Act of Union 1707 the Irish Confederate wars and the Cromwellian conquest of Ireland the Great Fire of 1666 and the rebuilding of London biographies of key figures including women artists architects writers and scientists the Restoration and the revival of drama With complete lists of offices of state an extensive glossary of key constitutional political and religious terminology and up to date thematic annotated bibliographies to aid further research this student friendly

reference guide is essential for all those interested in the Stuart Age      The Discourse of Sovereignty, Hobbes to Fielding Stuart Sim, David Walker, 2017-03-02 In this new study the authors examine a range of theories about the state of nature in seventeenth and eighteenth century England considering the contribution they made to the period's discourse on sovereignty and their impact on literary activity Texts examined include *Leviathan* *Oceana* *Paradise Lost* *Discourses Concerning Government* *Two Treatises on Government* *Don Sebastian* *Oronoko* *The New Atlantis* *Robinson Crusoe* *Dissertation upon Parties* *David Simple* and *Tom Jones* The state of nature is identified as an important organizing principle for narratives in the century running from the Civil War through to the second Jacobite Rebellion and as a way of situating the author within either a reactionary or a radical political tradition The *Discourse of Sovereignty* provides an exciting new perspective on the intellectual history of this fascinating period      England's Islands in a Sea of Troubles David Cressy, 2020-10-30 England's Islands in a Sea of Troubles examines the jurisdictional disputes and cultural complexities in England's relationship with its island fringe from Tudor times to the eighteenth century and traces island privileges and anomalies to the present It tells a dramatic story of sieges and battles pirates and shipwrecks prisoners and prophets as kings and commoners negotiated the political military religious and administrative demands of the early modern state The Channel Islands the Isle of Wight the Isles of Scilly the Isle of Man Lundy Holy Island and others emerge as important offshore outposts that long remained strange separate and perversely independent England's islands were difficult to govern and were prone to neglect yet their strategic value far outweighed their size Though vulnerable to foreign threats their harbours and castles served as forward bases of English power In civil war they were divided and contested fought over and occupied Jersey and the Isles of Scilly served as refuges for royalists on the run Charles I was held on the Isle of Wight External authority was sometimes light of touch as English governments used the islands as fortresses commercial assets and political prisons London was often puzzled by the linguistic differences tangled histories and special claims of island communities Though increasingly integrated within the realm the islands maintained challenging peculiarities and distinctive characteristics Drawing on a wide range of sources and the insights of maritime military and legal scholarship this is an original contribution to social cultural and constitutional history      **Thomas Hobbes and Political Thought in Ireland, C.1660-c.1730** Matthew Ward, 2024 Thomas Hobbes is now regarded as one of England's greatest political philosophers This book considers his reception in Ireland where it is suggested the *Leviathan* was released In doing so the book demonstrates the variety and sophistication of political thought in Ireland      *The Great Ejection of 1662* Alan P.F. Sell, 2012-02-17 By Bartholomew s Day 24 August 1662 all ministers and schoolmasters in England and Wales were required by the Act of Uniformity to have given their unfeigned assent and consent to the Book of Common Prayer of the Church of England On theological grounds nearly two thousand ministers approximately one fifth of the clergy of the Church of England refused to comply and thereby forfeited their livings This book has been written to commemorate the 350th Anniversary of the Great Ejection In Part One

three early modern historians provide accounts of the antecedents and aftermath of the ejection in England and Wales while in Part Two the case is advanced that the negative responses of the ejected ministers to the legal requirements of the Act of Uniformity were rooted in positive doctrinal convictions that are of continuing ecumenical significance

**The Politics of Prayer in Early Modern Britain** Richard J. Ginn, 2007-07-20 Prayer was regarded as an essential arm of the State and even a method of thought control in early modern England In the seventeenth Century the period covered by Richard Ginn's study Common Prayer dominated people's everyday lives at a national level in communities and congregations as well as privately in households Ginn demonstrates how prayer represented the search for pattern order and purpose in and between these different layers of society in a period when England was struggling to come to terms with political and social turbulence rocked by the violence of the Civil War unease over the Commonwealth and the uncertainties of the Restoration Ginn argues that the importance of Prayer as a stabilizing force during these times of instability cannot be underestimated it fostered a sense of national identity an integrating principle at a vulnerable time for England putting the social order in a greater context under a sovereign God

Royalism, Print and Censorship in Revolutionary England Jason McElligott, 2007 A study of the content and methods of royalist propaganda via newsbooks in the crucial period following the end of the first civil war This is a study of a remarkable set of royalist newsbooks produced in conditions of strict secrecy in London during the late 1640s It uses these flimsy ephemeral sheets of paper to rethink the nature of both royalism and Civil War allegiance *Royalism Print and Censorship in Revolutionary England* moves beyond the simple and simplistic dichotomies of absolutism versus constitutionalism In doing so it offers a nuanced innovative and exciting vision of a strangely neglected aspect of the Civil Wars Print has always been seen as a radical destabilizing force an agent of social change and revolution *Royalism Print and Censorship in Revolutionary England* demonstrates by contrast how lively vibrant and exciting the use of print as an agent of conservatism could be It seeks to rescue the history of polemic in 1640s and 1650s England from an undue preoccupation with the factional squabbles of leading politicians In doing so it offers a fundamental reappraisal of the theory and practice of censorship in early modern England and of the way in which we should approach the history of books and print culture JASON McELLIGOTT is the J P R Lyell Research Fellow in the History of the Early Modern Printed Book at Merton College Oxford

*Algernon Sidney and the Republican Heritage in England and America* Alan Craig Houston, 2014-07-14 Alan Houston introduces a new level of rigor into contemporary debates over republicanism by providing the first complete account of the range structure and influence of the political writings of Algernon Sidney 1623-1683 Though not well known today Sidney's *Discourses Concerning Government* influenced radicals in England and America throughout the eighteenth and nineteenth centuries To many it was a textbook of revolution Houston begins with a masterful intellectual biography tracing the development of Sidney's ideas in the political and intellectual context of Stuart England and he concludes with a detailed study of the impact of Sidney's writings and heroic martyrdom on revolutionary America

Documenting the interdependence of what have previously been regarded as distinctly liberal and republican theories the author provides a new perspective on Anglo American political thought Many scholars have assumed that the republican language of virtue is distinct from and in tension with the liberal logic of rights and interests By focusing on the contemporary meaning of concepts like freedom and slavery or virtue and corruption Houston demonstrates that Sidney s republicanism and Locke s liberalism were not rivals but frequently complemented each other Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Our Republican Constitution** Adam Tomkins,2005-02-14 This new book by Adam Tomkins sets out a radical vision of the British constitution It argues that despite its outwardly monarchic form the constitution is profoundly informed and indeed shaped by values and practices of republicanism The republican reading of the constitution presented in this book places political accountability at the core of the constitutional order As such Our Republican Constitution offers a powerful rejoinder to the current trend in legal scholarship that sees the common law and the courts rather than Parliament as the central players in holding government to account The book further contends that while the constitution should be understood as having republican foundations current constitutional practice is in a number of respects insufficiently republican in character The book closes by outlining a programme of republican constitutional reform that is designed to secure genuinely responsible government This is an original and provocative reinterpretation of the central themes of the British constitution drawing on constitutional history especially of the seventeenth century political theory and public law

The Printed Image in Early Modern London Joseph Monteyne,2017-07-05 Presenting an inventive body of research that explores the connections between urban movements space and visual representation this study offers the first sustained analysis of the vital interrelationship between printed images and urban life in early modern London The study differs from all other books on early modern British print culture in that it seeks out printed forms that were active in shaping and negotiating the urban milieu prints that troubled categories of high and low culture images that emerged when the political became infused with the creative as well as prints that bear traces of the roles they performed and the ways they were used in the city It is distinguished by its close and sustained readings of individual prints from the likes of such artists as Wenceslaus Hollar Francis Barlow and William Faithorne and this visual analysis is complemented with a thorough examination of the dynamics of print production as a commercial exchange that takes place within a wider set of exchanges of goods people ideas and money across the city and the nation This study challenges scholars to re imagine the function of popular prints as a highly responsive form of cultural production capable not only of recording events spaces and social

actions but profoundly shaping the way these entities are conceived in the moment and also recast within cultural memory It offers historians of print culture and British art a sophisticated and innovative model of how to mobilize rigorous archival research in the service of a thoroughly historicized and theorized analysis of visual representation and its relationship to space and social identity

The Discovery of Islands J. G. A. Pocock, 2005-08-30 The Discovery of Islands consists of a series of linked essays in British history written by one of the world's leading historians of political thought and published over the past three decades Its purpose is to present British history as that of several nations interacting with and sometimes seceding from an imperial state The commentary presents this history as that of an archipelago expanding across oceans to the Antipodes Both New Zealand history and the author's New Zealand heritage inform this vision presenting British history as oceanic and global complementing and occasionally criticising the presentation of that history as European Professor Pocock's interpretation of British history has been hugely influential in recent years making The Discovery of Islands a resource of immense value for historians of Britain and the world

**Major-General Thomas Harrison** David Farr, 2016-05-13 Thomas Harrison is today perhaps best remembered for the manner of his death As a leading member of the republican regime and signatory to Charles I's death warrant he was hanged drawn and quartered by the Restoration government in 1660 a spectacle witnessed by Samuel Pepys who recorded him looking as cheerful as any man could do in that condition Beginning with this grisly event this book employs a thematic rather than chronological approach to illustrate the role of millenarianism and providence in the English Revolution religion within the new model army literature image and reputation and Harrison's relationship with key individuals like Ireton and Cromwell as well as groups most notably the Fifth Monarchists Divided in three parts the study starts with an analysis of Harrison's last year of life the nature of his response to the political collapse of the Interregnum regimes and his apparent acceptance of the Restoration without overt resistance Part two considers Harrison's years of power analysing his political activities and influence in the New Model especially with regard to the regicide The final part ties Harrison's political retreat to his initial emergence from obscurity arguing that Harrison's relative political quietism during the later 1650s was a reflection of the development of his millenarianism Unlike the only two previous full length studies of Harrison the present work makes use of a full range of manuscript primary and secondary sources including the huge range of new material that has fundamentally changed how the early modern period is now understood Fully footnoted and referenced this study provides the first modern academic study of Harrison and through him illuminates the key themes of this contested period

The Allegiance of Thomas Hobbes Jeffrey R. Collins, 2005-10-13 Thomas Hobbes and the uses of Christianity Hobbes the long parliament and the Church of England Rise of the independents Leviathan and the Cromwellian revolution Hobbes among the Cromwellians The independents and the Religion of Thomas Hobbes Response of the exiled church

The Civil Wars Experienced Martyn Bennett, 2005-08-18 The Civil Wars Experienced is an exciting new history of the civil wars which recounts their effects on the common people This engaging

survey throws new light onto a century of violence and political and social upheaval By looking at personal sources such as diaries petitions letters and social sources including the press *The Civil War Experienced* clearly sets out the true social and cultural effects of the wars on the peoples of England Scotland Wales and Ireland and how common experiences transcended national and regional boundaries It ranges widely from the Orkneys to Galway and from Radnorshire to Norfolk *The Civil Wars Experienced* explores exactly how far reaching the changes caused by civil wars actually were for both women and men and carefully assesses individual reactions towards them For most people fear familial concerns and material priorities dictated their lives but for others the civil revolutions provided a positive force for their own spiritual and religious development By placing the military and political developments of the civil wars in a social context this book portrays a very different interpretation of a century of regicide and republic

**The New Philosophy and Universal Languages in Seventeenth-century England** Robert E. Stillman, 1995 That saving form of knowledge as it develops in the lines of linguistic thought that extend from Bacon's Instauration to Wilkins's Philosophical Language is both a product of and one potent agent in producing the emerging scientistically designed modern state *The Varieties of British Political Thought, 1500-1800* J. G. A. Pocock, Gordon J. Schochet, Lois Schwoerer, 1993 A history of political debate and theory in England later Britain between the English Reformation and French Revolution *The Oxford Handbook of English Law and Literature, 1500-1700* Lorna Hutson, 2017 This Handbook triangulates the disciplines of history legal history and literature to produce a new interdisciplinary framework for the study of early modern England For historians of early modern England turning to legal archives and learning more about legal procedure has seemed increasingly relevant to the project of understanding familial and social relations as well as political institutions state formation and economic change Literary scholars and intellectual historians have also shown how classical forensic rhetoric formed the basis both of the humanist teaching of literary composition poetry and drama and of new legal epistemologies of fact finding and evidence evaluation In addition the post Reformation jurisdictional dominance of the common law produced new ways of drawing the boundaries between private conscience and public accountability This Handbook brings historians literary scholars and legal historians together to build on and challenge these and similar lines of inquiry Chapters in the Handbook consider the following topics in a variety of combinations forensic rhetoric poetics and evidence humanist and legal learning political and professional identities at the Inns of Court poetry drama and visual culture local governance and legal reform equity conscience and religious law legal transformations of social and affective relations property marriage witchcraft contract corporate personhood authorial liability libel censorship press regulation rhetorics of liberty slavery torture and due process nation sovereignty and international law the British archipelago colonialism empire *Roger Morrice and the Puritan Whigs* Mark Goldie, 2016 Mark Goldie's authoritative and highly readable introduction to the political and religious landscape of Britain during the turbulent era of later Stuart rule An exceptionally significant monograph and without doubt one of the most

important to appear in the field of Restoration history in the last twenty years Mark Goldie has done more than anyone else to illuminate the political and religious assumptions of late seventeenth century Englishmen Dr Grant Tapsell University of Oxford Roger Morrice and the Puritan Whigs explains a movement illuminates the world of its emblematic representative and explores one of the most remarkable documents of the seventeenth century Morrice's *Entring Book* was supremely well informed passionately committed and relentlessly opinionated Chronicling the years 1677 to 1691 nearly a million words in length it is the fullest surviving record of the tumultuous final years of the Stuart regime from the Popish Plot and Exclusion Crisis to the Glorious Revolution Morrice was a Puritan clergyman turned confidential reporter for leading Whig politicians a barometer of opinion for whom reliable information was vital for public action Just twenty years after Pepys's *Diary* the *Entring Book* depicts a darker England gripped by a new crisis of popery and arbitrary government Mark Goldie's deeply considered book examines the fortunes of Puritanism in the later Stuart age It offers a story of disillusion and diminuendo of struggles for survival in the face of intolerance and of self understanding among those who hoped to transform England through Godly rule Yet the book also tells a countervailing story of revitalized and transformed Puritanism Puritans worked through parliament the royal court and the households of gentry merchants lawyers and clergy Setting out to galvanize civil society they mobilized public opinion organized electorates and deployed the arts of journalism influence and persuasion This book has been adapted with a new substantial introduction and updated bibliography from the first volume of the *Entring Book* of Roger Morrice Mark Goldie is Professor of Intellectual History at the University of Cambridge and a Fellow of Churchill College

The Top Books of the Year Restoration A Political And Religious History Of England And Wales 1658 1667 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Restoration A Political And Religious History Of England And Wales 1658 1667 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Restoration A Political And Religious History Of England And Wales 1658 1667 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

### **Restoration A Political And Religious History Of England And Wales 1658 1667 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Restoration A Political And Religious History Of England And Wales 1658 1667 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking

research papers, the option to download Restoration A Political And Religious History Of England And Wales 1658 1667 has opened up a world of possibilities. Downloading Restoration A Political And Religious History Of England And Wales 1658 1667 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Restoration A Political And Religious History Of England And Wales 1658 1667 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Restoration A Political And Religious History Of England And Wales 1658 1667. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Restoration A Political And Religious History Of England And Wales 1658 1667. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Restoration A Political And Religious History Of England And Wales 1658 1667, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Restoration A Political And Religious History Of England And Wales 1658 1667 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Restoration A Political And Religious History Of England And Wales 1658 1667 Books

1. Where can I buy Restoration A Political And Religious History Of England And Wales 1658 1667 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
