Women and Children as Victims and Offenders: Background, Prevention, Reintegration Helmut Kury, Sławomir Redo, Evelyn Shea, 2016-06-20 This work compiles experiences and lessons learned in meeting the unique needs of women and children regarding crime prevention and criminal justice in particular the treatment and social reintegration of offenders and serves as a cross disciplinary work for academic and policy making analyses and follow up in developing and developed countries Furthermore it argues for a more humane and effective approach to countering delinquency and crime among future generations In a world where development positively depends on the rule of law and the related investment security two global trends may chart the course of development urbanization and education Urbanization will globalize the concepts of justice and fairness education will be dominated by the urban mindset and digital service economy just as a culture of lawfulness will This work looks at crime prevention education as an investment in the sustainable quality of life of succeeding generations and at those who pursue such crime prevention as the providers of much needed skills in the educational portfolio Adopting a reformist approach this work collects articles with findings and recommendations that may be relevant

to domestic and international policymaking including the United Nations Studies and their educational value for the welfare of coming generations The books address the relevant United Nations ideas by combining them with academic approaches Guided by the Editors respective fields of expertise and in full recognition of academic freedom and organized scepticism it includes contributions by lawyers criminologists sociologists and other eminent experts seeking to bridge the gap between academic and policy perspectives as appropriate against the international background including the United Nations developments The second volume opens with Part IV which presents articles on different kinds of crime prevention The effectiveness of punishment and in particular imprisonment is examined by contrasting it with alternative sanctions and the following questions are raised Does harsh punishment have a crime preventive effect What are the side effects of imprisonment on the offenders and their families Are alternatives such as restorative justice or mediation more effective and cheaper Part V outlines proactive strategies of crime prevention e g for potential sex offenders or in the domain of internet crime Part VI envisions a more peaceful and inclusive society which would be realized by improving the protection of women and children in their everyday life and easing the reintegration of those who have become offenders The importance of the role played by the UN in formulating these goals is underlined The volume concludes with an epilogue of the 70th President of the United Nations Economic and Social Council Martin Sajdik and a post scriptum of the editors p

Jurisdictional Technical Assistance Package for Juvenile Corrections Ann H. Crowe,2000 **From Conflict To Restoration:**

Juvenile Justice Reimagined Leelesh Sundaram B,2025-01-10 Every conflict holds the potential for restoration For youth entangled in the juvenile justice system this means shifting the focus from punishment to healing These young lives shaped by hardship and untapped potential deserve systems that prioritize redemption and growth Current justice models often overlook vulnerability perpetuating cycles of harm From Conflict to Restoration Juvenile Justice Reimagined advocates for a transformative approach rooted in restorative justice and trauma informed care By addressing systemic inequities and fostering empowerment this vision reimagines young offenders as individuals to be supported not punished Together we can embrace every child s inherent worth and potential **Restorative Justice for Niger Delta** Kekong Bisong,2009 This book examines restorative justice as an emerging conflict prevention management and resolution mechanism that could benefit the Niger Delta region of Nigeria The book examines restorative justice in its various dimensions from criminal law through legal anthropology It focuses on both the remote and proximate causes of the Niger Delta conflicts A central thesis is maintained that environmental conflict in Nigeria and recent disturbances in the region are the outcome of desperate attitudes on the part of the marginalized due to legislative and legal manipulations The book also reexamines natural resources specifically as causes of conflicts and how poverty alleviation could be an essential contributing factor in conflict management The book includes material on the application of restorative justice in response to conflict prevention management and resolution **Heinous Crime** Frederic G. Reamer,2005 This book offers innovative perspectives on issues

concerning a civilized society's response to offenders guilty of heinous crimes. It considers specific cases and the chilling accounts of victims and the criminals themselves. In providing detailed strategies for prevention and rehabilitation, the author examines the psychological and social factors that lead individuals to commit reprehensible crimes, arguing that a fuller understanding of different criminal types is crucial to developing successful answers to the problem of heinous crimes.

International Handbook on Adolescent Health and Development Andrew L. Cherry, Valentina Baltag, Mary E. Dillon, 2016-11-21. This comprehensive reference uses an ecological perspective to sort out the complex mix of biological, psychological, social, and other factors influencing adolescent health, as well as shaping professional responses to the needs of adolescents. Describing critical concerns at the global level and innovative strategies from selected countries, the book urges readers to develop and support practices and policies to enhance optimal youth development. Expert coverage centers on key areas: the global state of adolescent health and development; adolescent health issues and public health answers; making health systems more responsive to youth and improving school health services. And bedrock themes such as social determinants of health, young people's right to health care, and health and gender disparities are discussed throughout these chapters. Included among the topics: The epidemiology of adolescent health; Adolescent sexual health and sexuality education; Restorative justice and the mental wellbeing of adolescents; Critical issues in adolescent nutrition; needs and recommendations; Towards an adolescent competent workforce; Pairing children with health services; the changing role of school health services in the 21st century. The *International Handbook on Adolescent Health and Development* is essential to medical schools, public schools, and college libraries; teaching faculty; graduate and postgraduate students in public health, medicine, social work, other behavioral sciences, and health disciplines; e.g., nursing, allied health, as well as practitioners interested in better orienting their services to the health needs of adolescents.

Youth Violence and Delinquency Frank P. Williams, Marilyn D. McShane, 2007-05-30. Juvenile crime and violence has always piqued the public's interest. Indeed, each generation of Americans tends to define the youth crime problem as more serious than any previous generation. Even though juvenile homicides have been decreasing since the mid 1990s, the media is still quick to provide dramatic examples of juvenile monsters who are terrorizing their communities. Shootings at school, gang banging, and trafficking drugs, school bullies, and charging juveniles as adults are subjects that have recently received wide media coverage. This three-volume set on the nature, incidence, consequences, and treatment of youth crime and violence will help readers understand the true nature of youth crime and violence from a variety of perspectives. Each volume covers a different area, and experts write on topics ranging from sex offending to fire starting, from gangs to guns, from juvenile probation to charging youths as adults, from mandatory mental health treatment to police in school settings, and more. What drives a teenager to steal? To kill? Why does youth crime and violence occur? Why are youths such vulnerable targets? What can be done to stop youth offenders, and what can be done to help youthful victims? How does the criminal justice system respond? What do communities do to punish and

protect youths What can schools do to intervene All these questions and more are answered in this set on this timely and important topic Our youth are our most precious commodity and protecting vulnerable children as well as helping offenders is of paramount importance for steering them toward safe and productive lives These volumes help readers better understand the causes and consequences of youth violence and crime and consider ways to address the problems **Social**

Work In The Youth Justice System: A Multidisciplinary Perspective Fox, Darrell, Arnall, Elaine, 2013-04-01 All Youth Offending Teams are required to employ a social worker yet it is often a challenge to find space within youth justice practice to uphold social work values This practical book demonstrates how practitioners can work in creative ethical and reflective ways within Youth Offending Teams **21st Century Criminology: A Reference Handbook** J. Mitchell Miller, 2009-08-06 Criminology has experienced tremendous growth over the last few decades evident in part by the widespread popularity and increased enrollment in criminology and criminal justice departments at the undergraduate and graduate levels across the U S and internationally Evolutionary paradigmatic shift has accompanied this surge in definitional disciplinary and pragmatic terms Though long identified as a leading sociological specialty area criminology has emerged as a stand alone discipline in its own right one that continues to grow and is clearly here to stay Criminology today remains inherently theoretical but is also far more applied in focus and thus more connected to the academic and practitioner concerns of criminal justice and related professional service fields Contemporary criminology is also increasingly interdisciplinary and thus features a broad variety of ideological orientations to and perspectives on the causes effects and responses to crime 21st Century Criminology A Reference Handbook provides straightforward and definitive overviews of 100 key topics comprising traditional criminology and its modern outgrowths The individual chapters have been designed to serve as a first look reference source for most criminological inquiries Both connected to the sociological origins of criminology i e theory and research methods and the justice systems response to crime and related social problems as well as coverage of major crime types this two volume set offers a comprehensive overview of the current state of criminology From student term papers and masters theses to researchers commencing literature reviews 21st Century Criminology is a ready source from which to quickly access authoritative knowledge on a range of key issues and topics central to contemporary criminology This two volume set in the SAGE 21st Century Reference Series is intended to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not so much jargon detail or density as a journal article or research handbook chapter 100 entries or mini chapters highlight the most important topics issues questions and debates any student obtaining a degree in this field ought to have mastered for effectiveness in the 21st century Curricular driven chapters provide students with initial footholds on topics of interest in researching term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Comprehensive in coverage major sections include The Discipline of Criminology Correlates of Crime Theories of Crime
